**Foods, Vitamins, and  
Supplements that  
Prevent Disease**

What products could be your body's first line of defense against cancer, arthritis, heart and liver damage?

Is sugar or other dietary factor that's been a silent ally for an essential vitamin you need for diet?

How essential are some blood proteins for your body's health, energy, and overall strength?

How do you control all important genetic factors, arthritis, and other health risks?

What does science really say about food, cholesterol, stress, and other health risks?
