The School and the Teacher Facing the Challenges of the Present and the Future

Jolanta Szempruch,Mirosław Szymański,Beata Cieśleńska,Katarzyna Potyrała,2023-07-10 The education process is inextricably linked to the context of socio cultural needs and the concept of the profession and the professional role of the teacher are subject to definitional changes The complex issues of how the school and the teacher function are examined by the authors Central themes include How do the school and the teacher function What social changes is 21st century society undergoing both in terms of modernization and globalisation What does the figure of the teacher look like in the 21st century with reference to the historical outline of the institution of school and the teaching profession To what extent can teachers be subjective This book is a reflection on the school institution and the person of the teacher it has been created to highlight the essence of the pedagogical dimension of education socio cultural changes and pedagogical innovations

Partnership with Parents in Early Childhood Settings

Liz Hryniewicz,Paulette Luff,2020-10-29 Partnership with Parents in Early Childhood Settings examines how practitioners can work effectively with parents and families acknowledging the complex nature of these relationships Drawing on policy research and practice from kindergartens and early years settings in five European countries it provides insight into how political social and cultural contexts affect the relationships between educators and families and the impact this has on children s early experiences The book is based upon learning from an Erasmus mobility project between educators from five countries in OMEP the World Organisation for Early

DZIECKO U PROGU SZKOŁY

Childhood Education It presents examples from practice and research from the different countries and highlights some positive and practical ways in which professionals can work with parents as well as potential barriers to parental partnership and how these might be overcome Each section focuses on a different country and allows for a detailed exploration into how relationships are developed and sustained for the benefit of young children and their families in different places Throughout the reader is encouraged to reflect on their current understanding of parental partnership and how they can plan for positive parental partnership working in the future This thought provoking text will be an indispensable resource for students of early childhood and teachers and practitioners as well as academics and those with an interest in early years social and educational policy
