**Ecology of the Southern California Bight** Murray D. Dailey,Donald J. Reish,Jack W. Anderson,1993 Here is a benchmark study of one significant stretch of the Pacific Ocean the Southern California Bight Extending from Point Conception to the Mexican border and out to the 200 mile limit these waters have never before been investigated in such detail from so many points of view by such an eminent group of scientists The twenty five expert contributors summarize everything known about the physical chemical geological and biological characteristics of the area in individual chapters the volume concludes with a synthesis of the information presented In addition chapters are devoted to the influence of humans on the marine environment and to the various laws and governmental agencies concerned with protecting it Because Southern California is so heavily populated and because the ocean is a major recreational area for its people the information in this unique volume will be invaluable for the region's planners and decisionmakers as well as for all those who study the globe's marine resources and ecology      *Marine Fisheries Review* ,1997      **Air Power and Warfare** Elwood L. White,2002 This highly selective bibliography supplements the original bibliography developed in 1978 by Ms Betsy C Kysely to support the Eighth Military History Symposium While this bibliography focuses primarily on materials published since the earlier bibliography was developed it does include some significant materials that were published prior to 1978 but that were omitted from that edition Emphasis in this supplement is on scholarly analysis of air power itself and scholarly depictions of its history Like most editions of the United State Air Force Academy Directorate of Libraries publication Special Bibliography Series this compilation is limited to current holdings of the Academic Library at the Academy It includes books reports government documents and journal articles Excluded are pictorial works newspaper articles works of fiction studies of the technology of aircraft and associated weaponry and items focused on the general history of aviation Readers wanting information on the history of aviation certainly prior to the Wright Brothers are encouraged to consult the U S Air Force

Academy Friends of the Library publication The Genesis of Flight The Aeronautical History Collection of Colonel Richard Gimbel     **Special Bibliography Series** ,1957     **Naval History 1990** Paul Stillwell,1991 Bound by year of publication these volumes each contain the year s issues of the Naval Institute s Naval History magazine Through gripping firsthand accounts exhaustively researched yet entertainingly written narratives and interviews with notable naval veterans and the world s foremost historians Naval History offers the best in historical literature and art from ancient Greek mariners through the Age of Sail to the World Wars Korea Vietnam and beyond all with a distinctly salty flavor
