Navaho Religion Gladys Amanda Reichard, 2014-07-14 In this in depth exploration of the symbols found in Navaho legend and ritual Gladys Reichard discusses the attitude of the tribe members toward their place in the universe their obligation toward humankind and their gods and their conception of the supernatural as well as how the Navaho achieve a harmony within their world through symbolic ceremonial practice Originally published in 1963 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Navaho Religion Gladys A. Reichard, 1990      **Navaho religion; a study of symbolism. In two volumes** Gladys A. Reichard, 1950      **Navaho Religion. A Study of Symbolism, Etc. (Second Edition.) [With Folding Charts.].** Gladys Amanda REICHARD, 1963      **Navaho Religion. A Study of Symbolism. Second Printing. [With Plates.].** Gladys Amanda REICHARD, 1950      **Anthropological Studies of Religion** Brian Morris, 1987-02-27 A lucid outline of explanations of religious phenomena offered by such great thinkers as Hegel Marx and Weber      **Molded in the Image of Changing Woman** Maureen Trudelle Schwarz, 2022-03-29 What might result from hearing a particular song wearing used clothing or witnessing an accident Ethnographic accounts of the Navajo refer repeatedly to the influences of events on health and well being yet until now no attempt has been made to clarify the Navajo system of rules governing association and effect This book focuses on the complex interweaving of the cosmological social and bodily realms that Navajo people navigate in an effort alternately to control contain or harness the power manifested in various effects Following the Navajo life course from conception to puberty Maureen Trudelle Schwarz explores the complex rules defining who or what can affect what or whom in specific circumstances as a means of determining what these effects tell us about the cultural construction of the human body and personhood for the Navajo Schwarz shows how oral history informs Navajo conceptions of the body and personhood showing how these conceptions are central to an ongoing Navajo identity She treats the vivid narratives of emergence life origins as compressed metaphorical accounts rather than as myth and is thus able to derive from what individual Navajos say about the past their understandings of personhood in a worldview that is actually a viable philosophical system Working with Navajo religious practitioners elders and professional scholars Schwarz has gained from her informants an unusually firm grasp of the Navajo highlighted by the foregrounding of Navajo voices through excerpts of interviews These passages enliven the book and present Schwarz and her Navajo consultants as real multifaceted human beings within the ethnographic context      The Elementary Structures of Kinship Claude Levi-Strauss, 2016-05-10 Professor L vi Strauss s first major work Les Structures l mentaires de la Parent has acquired a classic reputation since its original publication in 1949 and it has

become the constant focus of academic debate about central theoretical concerns in social anthropology. It is however a long and difficult book for many students to read in French and its arguments have consequently become known even among professional anthropologists largely through critical analysis. It was republished in a revised French edition in 1967 with a new foreword by the author and it is this text with his further emendations that has been used in this translation. L. vi Strauss applies his intellectual powers to the perennial problem of incest which he elucidates by means of the concept of exchange as formulated by Marcel Mauss in his famous analysis of the gift *Essai sur le don* 1925. He distinguishes two elementary modes of exchange which govern not only the conventional variety of goods and services but also the transfer of women in marriage: these are restricted and generalized exchange. With a mass of ethnographic evidence he demonstrates how the formidable intricacy of marriage customs comprising moral and juristic ideas and institutions which appear to be essentially arbitrary can be seen as local and historical rules of exchange. Charles L. vi Strauss traces these rules throughout a vast range of simple societies chiefly in Australia and mainland Southeast Asia but also in the Americas in Oceania and in other parts of the world. To this survey he adds two extended sections on the great civilizations of China and India. He continues with a briefer consideration of the passage from elementary to complex structures with particular reference to African societies and concludes with a stimulating chapter on the principles of kinship exchange as the universal basis for marriage prohibitions and the formal relations between the sexes as part of a universe of communication. Although much of the work is technical consisting of detailed analyses of types of social organization with which social anthropologists will be most familiar it also contains much that will be of interest to psychologists, linguists and philosophers and to all who are interested in the possibility and the technique of the structural analysis of human activity. After the successes moreover of L. vi Strauss's subsequent books notably *Structural Anthropology*, *Tristes Tropiques*, *Totemism* and *The Savage Mind* this new edition of the work which founded his present outstanding reputation will have additional value as a further means of contact with one of the original minds of this century. The translation has been made by James Harle Bell and John Richard von Sturmer of the University of New England Australia and by Rodney Needham of the University of Oxford. Dr. Needham also acted as general editor and supplied the work with a new general index. He is the translator of L. vi Strauss's *Le Totémisme aujourd'hui* and author of *Structure and Sentiment* 1962 and numerous papers which have contributed to the recognition of Professor L. vi Strauss's work in the English speaking world.

**Native American Literature** Helen May Dennis, 2006-11-22 Native American Literature underwent a Renaissance around 1968 and the current canon of novels written in the late twentieth century in American English by Native American or mixed blood authors is diverse, exciting and flourishing. Despite this very few such novels are accepted as part of the broader American literary canon. This book offers a valuable and original approach to contemporary Native American literature. Dennis's contemplation of space and spatialized aesthetics is compelling and persuasive. Considering Native American literature within a modernist framework and comparing it with

writers such as Woolf Stein T S Eliot and Proust results in a valuable and enriching context for the selected texts Vital reading for scholars of Native American Literature this book will also provide good grounding in the subject for those with an interest in American and twentieth century literature more generally **Women, Language and Linguistics** Julia S.

Falk,2002-01-31 This book explores the vital part which women have played in preserving a linguistics based on the reality and experience of language bringing to light a much neglected perspective for those working in linguistics **Songs of Life**

Robert S. McPherson,2018-08-20 A knowledgeable and sensitive description of some of the basic aspects of traditional Navajo teachings thought and language Utah Historical Quarterly Traditional teachings derived from stories and practices passed through generations lie at the core of a well balanced Navajo life These teachings are based on a very different perspective of the physical and spiritual world than that found in general American culture Din j Na nitin is an introduction to traditional Navajo teachings and history for a non Navajo audience providing a glimpse into this unfamiliar domain and illuminating the power and experience of the Navajo worldview Historian Robert McPherson discusses basic Navajo concepts such as divination good and evil prophecy and metaphorical thought as well as these topics relevance in daily life making these far ranging ideas accessible to the contemporary reader He also considers the toll of cultural loss on modern Navajo culture as many traditional values and institutions are confronted by those of dominant society Using both historical and modern examples he shows how cultural change has shifted established views and practices and illustrates the challenge younger generations face in maintaining the beliefs and customs their parents and grandparents have shared over generations This intimate look at Navajo values and customs will appeal not only to students and scholars of Native American studies ethnic studies and anthropology but to any reader interested in Navajo culture or changing traditional lifeways

**Navajo and the Animal People** Steve Pavlik,William B Tsosie,2014-07-01 This text examines the traditional Navajo relationship to the natural world Specifically how the tribe once related to the Animal People and particularly a category of animals which they collectively referred to as the naatl eetsoh the ones who hunt These animals like Native Americans were once viewed as impediments to progress requiring extermination Language Shift Among the Navajos Deborah

House,2002 Discusses the alarming reduction in the speaking of the Navajo language on the reservation mapping out some of the intricacies of relations between the English and Navajo languages and the teaching of them explaining why and how Navajos are having difficulty maintaining their native language and making suggestions as to what can be done about this

Opportunities and Challenges of Bilingualism Li Wei,Jean-Marc Dewaele,Alex Housen,2011-09-12 This volume contributes to the debates about the social aspects of bilingualism focusing on the various opportunities and challenges bilingualism presents to today s society The contributions in this volume are of a prospective stance delineating directions for future research on bilingualism and or identifying important issues which have been under researched or which are still of a

controversial nature All the contributions are from leading international scholars who have researched and published extensively in the field of bilingualism To facilitate further discussions of the issues raised in the volume there are study questions and suggested reading attached to each of the main chapters

*The Taking and Displaying of Human Body Parts as Trophies by Amerindians* Richard J. Chacon, David H. Dye, 2007-08-21 This edited volume mainly focuses on the practice of taking and displaying various body parts as trophies in both North and South America The editors and contributors which include Native Peoples from both continents examine the evidence and causes of Amerindian trophy taking Additionally they present objectively and discuss dispassionately the topic of human proclivity toward ritual violence This book fills the gap in literature on this subject

**Intimate Grammars** Anthony K. Webster, 2016-05-01 On April 24 2013 Luci Tapahonso became the first poet laureate of the Navajo Nation possibly the first Native American community to create such a post The establishment of this position testifies to the importance of Navajo poets and poetry to the Navajo Nation It also indicates the Navajo equivalence to the poetic traditions connected with the U S poet laureate and the poet laureate of the United Kingdom author Anthony K Webster asserts as well as its separateness from those traditions Intimate Grammars takes an ethnographic and ethno poetic approach to language and culture in contemporary time in which poetry and poets are increasingly important and visible in the Navajo Nation Webster uses interviews and linguistic analysis to understand the kinds of social work that Navajo poets engage in through their poetry Based on more than a decade of ethnographic and linguistic research Webster s book explores a variety of topics the emotional value assigned to various languages spoken on the Navajo Nation through poetry Navajo English Navlish Navajo and English why Navajo poets write about the ugliness of the Navajo Nation and the way contemporary Navajo poetry connects young Navajos to the Navajo language Webster also discusses how contemporary Navajo poetry challenges the creeping standardization of written Navajo and how boarding school experiences influence how Navajo poets write poetry and how Navajo readers appreciate contemporary Navajo poetry Through the work of poets such as Luci Tapahonso Laura Tohe Rex Lee Jim Gloria Emerson Blackhorse Mitchell Esther Belin Sherwin Bitsui and many others Webster provides new ways of thinking about contemporary Navajo poets and poetry Intimate Grammars offers an exciting new ethnography of speaking ethno poetics and discourse centered examinations of language and culture

**An Anthropology of the Qur'an** Ahmed Achmati, 2021-11-29 This book presents an anthropological study of the Qur'an offering an unprecedented challenge to some of the epistemological and metaphysical assumptions of the tawdic discourses Combining primary textual materials and anthropological analysis this book examines transcendence as a core principle of the Qur'an uniquely signified in the divine name al Qudd s the Holy It shows how the tawdic representations of Allah constitute an inversion of this attribute examines how this inversion has been conceived authorized and maintained and demonstrates how it has affected Islamic thinking and practices especially as relates to authority This book also explores how a return to the Qur'anic primacy of God s otherness as al Qudd s can influence Islamic thinking and

practices moving forward Therefore it will be highly useful to scholars of Islamic Studies philosophical theology Qur'anic studies political science ethics anthropology and religious studies Homelands Richard L. Nostrand, Lawrence E.

Estaville, 2003-05-01 What does it mean to be from somewhere If most people in the United States are from some place else what is an American homeland In answering these questions the contributors to Homelands A Geography of Culture and Place across America offer a geographical vision of territory and the formation of discrete communities in the U S today Homelands discusses groups such as the Yankees in New England Old Order Amish in Ohio African Americans in the plantation South Navajos in the Southwest Russians in California and several other peoples and places Homelands explores the connection of people and place by showing how aspects of several different North American groups found their niche and created a homeland A collection of fifteen essays Homelands is an innovative look at geographical concepts in community settings It is also an exploration of the academic work taking place about homelands and their people of how factors such as culture settlement and cartographic concepts come together in American sociology There is much not only to study but also to celebrate about American homelands As the editors state Underlying today's pluralistic society are homelands large and small strong and weak that endure in some way The mosaic of homelands to which people bonded in greater or lesser degrees affirms in a holistic way America's diversity its pluralistic society The authors depict the cultural effects of immigrant settlement The conviction that people need to participate in the life of the homeland to achieve their own self realization within the traditions and comforts of that community Homelands gives us a new map of the United States a map drawn with people's lives and the land that is their home **Reclaiming Din** History Jennifer Denetdale, 2007-06 In this groundbreaking book the first Navajo to earn a doctorate in history seeks to rewrite Navajo history Reared on the Navajo Nation in New Mexico and Arizona Jennifer Nez Denetdale is the great great great granddaughter of a well known Navajo chief Manuelito 1816 1894 and his nearly unknown wife Juanita 1845 1910 Stimulated in part by seeing photographs of these ancestors she began to explore her family history as a way of examining broader issues in Navajo historiography Here she presents a thought provoking examination of the construction of the history of the Navajo people Din in the Navajo language that underlines the dichotomy between Navajo and non Navajo perspectives on the Din past Reclaiming Din History has two primary objectives First Denetdale interrogates histories that privilege Manuelito and marginalize Juanita in order to demonstrate some of the ways that writing about the Din has been biased by non Navajo views of assimilation and gender Second she reveals how Navajo narratives including oral histories and stories kept by matrilineal clans serve as vehicles to convey Navajo beliefs and values By scrutinizing stories about Juanita she both underscores the centrality of women's roles in Navajo society and illustrates how oral tradition has been used to organize social units connect Navajos to the land and interpret the past She argues that these same stories read with an awareness of Navajo creation narratives reveal previously unrecognized Navajo perspectives on the past And she contends that a similarly culture sensitive re-viewing of the Din can

lead to the production of a Navajo centered history
