Naval Fast Strike Craft and Patrol Boats Roy McLeavy, 1979      **Strike Craft** Antony Preston, 1982 Military Ships Patrol Boats      **Naval Strategy**, 1985      *Naval Powers in the Indian Ocean and the Western Pacific* Howard M. Hensel, Amit Gupta, 2018-05-11 A vital component of the interdependent global economy maritime transit routes are nowhere more critical than those traversing the Indian Ocean and the Western Pacific Previously areas of the Indian Ocean and Western Pacific have been viewed as separate and discrete political economic and military regions In recent years however a variety of economic political and military forces have created a new understanding of these maritime expanses as one zone of global interaction This book complements the material presented in its companion volume Maritime Security in the Indian Ocean and the Western Pacific by analysing the perceptions interests objectives maritime capabilities and policies of the major maritime powers operating in the Indian Ocean and the Western Pacific In addition the book also assesses the contemporary maritime challenges and opportunities that confront the global community within what is rapidly becoming recognised as an integrated zone of global interaction A valuable study for researchers and policymakers working in the fields of maritime security military security and peace studies conflict resolution and Asian affairs      **The Himalayan Face-Off** Shishir Gupta, 2014-04-15 Even if bilateral trade between India and China goes beyond 100 billion in the coming years China's posture towards India is adversarial and will perhaps remain so in the future with Beijing viewing New Delhi through the prism of the Dalai Lama and the Tibetan government in exile A rising China inflexible on boundary dispute resolution and with strong tentacles across South Asia and beyond could encroach on India's strategic space and lead to a potential crisis this decade In April 2013 Indian troops sighted an advance patrol of the Chinese People's Liberation Army PLA 19 km deep within Indian territory a considerable distance from the Line of Actual Control the de facto border claim line that was drawn up after the 1962 war between the two countries a war that still traumatizes the mind of India's political and military establishment Protracted negotiations led to the withdrawal of Chinese troops but the incursion laid bare the intent of the world's largest standing army Despite recent advances in the bilateral relationship highlighted by the nearly 70 billion trade between the two countries China continues to regard Indian interests as secondary and India as a regional adversary In this breakthrough work seasoned journalist and author of the bestselling Indian Mujahideen Shishir Gupta details the various advances made by Beijing particularly the PLA in encircling India and stifling the latter's bid to break out as an aspiring superpower Gupta discusses Indian political diplomatic and military responses to China's assertion in the subcontinent and beyond and the various course corrections India must undergo in its foreign and defence policies to counter China's might and influence on matters of India's national security In describing how India must realize and counter China's clout over its friends and enemies if it is to achieve superpower status Gupta sheds new light on Indo China relations The Himalayan Face Off Chinese Assertion and the Indian Riposte is an important reminder of the realigned geopolitics of the modern world

where the two most populous nations on the planet are essentially battling each other over their share of the global pie sometimes on the world's highest battlegrounds      **The Statesman's Year-Book 1983-84** J. Paxton, 2016-12-28 The classic reference work that provides annually updated information on the countries of the world      **Iran's Military Forces and Warfighting Capabilities** Anthony H. Cordesman, Martin Kleiber, 2007-09-30 Nations around the world are uncertain and anxious about Iran's intentions in the Middle East and the wider global arena Its current president Mahmoud Ahmadinejad has made no secret of his opposition to Western society particularly Israel and his desire to acquire nuclear weapons However as Anthony H Cordesman and Martin Kleiber point out Ahmadinejad does not necessarily speak for the Iranian clerical regime who operate in a cloud of secrecy and also directly control Iran's military Given the ambiguous nature of Iran's global objectives this new study focuses on the tangible aspects of Iran's military forces and takes an objective look at the realistic threats that Iran poses to the region and the world The authors systematically assess each aspect of Iranian military forces from their conventional armies to their asymmetric threat via proxy wars in the region Much attention in national security debates is paid to Iran's intentions without first understanding its capabilities Lacking such a fundamental understanding much of this speculation tends to be wasted and irrelevant to what could actually happen in the event of a conflict Cordesman and Kleiber's study provides in meticulous detail a basis for understanding the realistic threat that Iran poses to the Northern Gulf      *Bases Abroad* Robert E. Harkavy, 1989 Analyzing the modern status of military bases and the diplomacy that defines their location and access this book explores the global basing networks of the world's major military powers their type location and the politics and economics of their acquisition It provides data on armaments intelligence communications research and space facilities tables and maps that display U S and Soviet global networks and the various military roles and nuclear deterrence capabilities for global power projection and support of client states in the Third World Harkavy also discusses emerging political and technological developments that could alter basing diplomacy      **Armor**, 1980 The magazine of mobile warfare      **Department of Defense Appropriations for ...** United States. Congress. House. Committee on Appropriations, 1983      **Department of Defense Appropriations** United States. Congress. House. Committee on Appropriations. Subcommittee on Department of Defense, 1984      **Department of Defense appropriations for 1984** United States. Congress. House. Committee on Appropriations. Subcommittee on Department of Defense, 1983
