Navigator of the Flood Mario Brelich, 1991 Mario Brelich a Hungarian author writing in Italian was a superb ironist In his three novels of which this is the first he explored central episodes of the Old and New Testaments with unsparing wit and intelligence In Navigator of the Flood Brelich s Noah is a man laboring under a burden of responsibility by a Lord who appears from time to time to correct at man s expense His own foreknowledge and omniscience If Noah finds God s commands at times cruel or incomprehensible if he still sees beauty in a life now under threat of extinction and wonders why he and his family should be chosen to survive while all others are condemned to perish he remains the dutiful and upright patriarch who submits to the role assigned to him *Convair B-58 Hustler Pilot's Flight Operating Instructions* United
