when a player takes the ethereal Yorda's hand when they feel this physical contact through the vibrations in the controller something happens Something new and profound Something that can only exist through a video game A simple idea attached to the R1 button and digital interaction opens a new door Of course this insignificant seeming gesture is but a small representation of what can really happen Its strength lies elsewhere it draws from everything that makes up ICO its art direction everything in chiaroscuro its vanishing lines its simple and clear game mechanics its lack of visual interface its quest for physical realism its minimalist narration its extraordinary sensibilities It is an opening to an evocative otherworld that lets our imagination soar Contemplative slow and nearly speechless ICO offers an uncommon poetic adventure rejecting traditional video game standards while still drawing from them Many remained indifferent to it Just as many were touched as rarely before
