The Numerical Bible

*A revised translation,
based on the King James Version,
in seven volumes, including:
Genesis to 2 Samuel, the Psalms, Ezekiel,
and the complete New Testament.
With expository notes,
and the basis of its numerical structure*

by F.W. Grant

Numerical Bible

Ying Liu

Numerical Bible:

The Numerical Bible Frederick W. Grant,1897 *The Numerical Bible* F. W. Grant,1897 This classic series combines the author's translation of Scripture with a complete Bible commentary arranged according to the numeric patterns found in God's Word **The Numerical Structure of Scripture** Frederick W. Grant,2015-02-06 Introductory The Numerical Structure of Scripture The Scripture Numerals The Numerals Continued The Bible Books Their Arrangement and Relationship The Books of the Prophets The Psalm books Gospels and Acts The Epistles and the Revelation **The Numerical Bible** ,1932 The Numerical Bible: The Psalms ,1897 **The Numerical Bible** Frederick W. Grant,1977

The Numerical Structure of the Holy Bible Charles Stockford Jr.,2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord's people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study **The Numerical Bible: The books of the law (Genesis to Deuteronomy)** ,1899 **NUMERICAL BIBLE** Frederick W. Grant,2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Numerical Bible: The covenant history* ,1904 **The Mysterious Numerical Bible Code and Other Revelations** Lawrence D. Shawbrooks,2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and don't know can't be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments

and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight

The Numerical Bible ,1901 **Numerical Secrets of the Bible** Casper J. Labuschagne,2016-07-20 Were you intrigued but disappointed by The Bible Code Numerical Secrets of the Bible written by one of Europe s leading biblical scholars gives you the actual facts about one of the most important recent discoveries in the field of biblical study namely that the books of the Bible are numerical compositions The biblical writings were not written in an off hand manner but were meticulously composed according to compositional techniques in which the counting of words played a crucial role This discovery has far reaching consequences for our views on the formation and the structure of the text of the Hebrew Bible and of the Greek text of the New Testament Labuschagne introduces you to the fascinating world of number symbolism in biblical times He demonstrates how well known symbolic numbers such as 7 and 12 and especially the lesser known holy numbers 17 and 26 which represent the numerical value of the name YHWH were used to give structure to the text and to deepen its contents Among other fascinating findings this study confirms the medieval Jewish tradition that the name of God is interwoven in the fabric of the text of Holy Scripture

The Numerical Bible: Hebrews to Revelation ,1903 *The Numerical Bible* F. W. Grant,2013-10 This is a new release of the original 1932 edition **The Numerical Bible** F. W. Grant,2006 The Numerical Bible Hebrews to Revelation is one of seven volumes in which F W Grant offers his own translation and commentary on the bible The title of the work stems from Grant s belief that throughout the bible a significant numerical structure existed This volume of course covers the sections of the bible from Hebrews to Revelation The Numerical Bible Hebrews to Revelation is a must read for any bible scholar or theologian

The Numerical Bible.: Being a Revised Translation of the Holy

Scriptures With Expository Notes: Arranged, Divided, and Briefly Characterized Frederick W. Grant, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Numerical Bible ,1899 **The Numerical Bible** Frederick W. Grant, 2015-07-12

Excerpt from The Numerical Bible Being a Revised Translation of the Scriptures With Expository Notes Arranged Divided and Briefly Characterized According to the Principles of Their Numerical Structure To avoid the necessity of reference to the first volume the meanings of the numerals there more fully given are appended here with some slight rectification and enlargement also such as naturally grow out of longer use and investigation The natural meaning always underlies the spiritual and this harmony is the justification of the latter showing the symbolism to be real There are but 7 to be considered really 7 being the well known number of perfection and 8 symbolizing what is new in contrast with the old simply showing that the series does end with the former Larger numbers are but in their signification compounds of the smaller ones as ten 5 X 2 twelve 4 X 3 forty 4 X 5 X 2 Those which cannot be multiplied need more inquiry to determine as scripture methods must be learned from Scripture One One always signifies unity or primacy meanings strictly natural but which may be applied variously as is evident It excludes another thus may speak of singleness singleness even of a single state barrenness So of sufficiency competency without help of other power omnipotence Or of independency standing alone whether competent or not in a creature rebellion Or unchangeableness perpetuity eternity as implied by these together these are in fact but oneness in successive time It excludes difference if altogether this is identity truth is identity of the affirmation with the fact If internal difference then we have harmony of parts or attributes consistency congruity righteousness which is moral congruity with position integrity which is wholeness oneness If external difference and in various aspects agreement concord peace the being at one All these are but in different ways the same idea fundamentally and no doubt the number of its expressions might be increased but one may stand also for its ordinal first primacy Thus in time the beginning which may be as with God causative and so speak of source cause origin paternity easily passing into the thought of supremacy sovereignty headship while in connection with mind it implies plan counsel election will Two Two is fundamentally the opposite of one there is now another About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition

Numerical Bible Introduction

In the digital age, access to information has become easier than ever before. The ability to download Numerical Bible has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Numerical Bible has opened up a world of possibilities. Downloading Numerical Bible provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Numerical Bible has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Numerical Bible. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Numerical Bible. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Numerical Bible, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Numerical Bible has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Numerical Bible Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Numerical Bible is one of the best book in our library for free trial. We provide copy of Numerical Bible in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Numerical Bible. Where to download Numerical Bible online for free? Are you looking for Numerical Bible PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Numerical Bible. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Numerical Bible are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of

thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Numerical Bible. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Numerical Bible To get started finding Numerical Bible, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Numerical Bible So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Numerical Bible. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Numerical Bible, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Numerical Bible is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Numerical Bible is universally compatible with any devices to read.
