

Perceptions Of Security Public Opinion And Expert Assessments In Europes New Democracies

Paul D'anieri

Perceptions Of Security Public Opinion And Expert Assessments In Europes New Democracies:

Perceptions of Security Richard Smoke, 1996 This is the first book to reveal what people in the eastern half of Europe really think about the international political climate in which they find themselves after the Cold War Most of the chapters in this volume are written from the viewpoints of the main countries of the region Russia Ukraine Poland Hungary and the Czech and Slovak Republics

Geopolitics Reframed M. Kuus, 2007-08-06 This book traces the shifting meanings of security and geopolitics in Central European states that acceded into the EU or NATO in 2004 The author examines assumptions that shaped these debates and influenced policy making combining fresh theoretical approaches from international relations and political geography with rich empirical material from Central Europe This book provides the first in depth analysis of security discourse in the region

Politics And Society In Ukraine Paul D'anieri, 2018-02-23 With NATO expanding into central Europe Ukraine has become a pivotal state for the future of European stability yet it is a country about which little is known in the west *Politics and Society in Ukraine* fills that gap providing the first comprehensive and detailed study of the contemporary Ukrainian political system Beginning with a discussion of the legacy of the Soviet Union the authors illuminate Ukraines regional and ethnic tensions governmental system efforts at reform and foreign policy They consider all of those issues from a comparative perspective that readers unfamiliar with Ukraine will find illuminating The authors are three of the leading authorities on Ukrainian politics and each has extensive experience in the country This book provides much needed analysis of a crucial country With the expansion of NATO Ukraine is frequently described as the linchpin of security in Central Europe And after Russia it is the largest and most important of the post Soviet states Yet it is a country about which most westerners know very little subsumed as it was for decades beneath the Russian Empire and the Soviet Union *Ukrainian Politics and Society* is the first comprehensive study of politics in post Soviet Ukraine and is therefore vital reading for anyone concerned with European security or with politics in the former Soviet Union The authors extensive experience in Ukraine allows them to explain the paradoxes of Ukrainian politics that have led to so many false predictions concerning the future of the Ukrainian state Their examination of nationality politics shows why ethnic and regional differences have tended to recede rather than to spin out of control as they have elsewhere in the region At the same time these differences hamstring the countrys political system and the authors show how difficult a task it is for democratic institutions to provide effective government in a country with little consensus By viewing economic reform in its profoundly political context the authors expose the chasm between the theory and practice of economic reform Understanding of how to make profits has not been lacking but government regulation to ensure that profit seeking behavior leads to functioning markets has been conspicuously absent By examining in detail how Ukrainian politics has followed theoretical expectations and where it has contradicted them the authors arrive at conclusions with implications well beyond Ukraine Ukraine must first build a state and a nation before it can successfully reform its economy or build a genuine democracy For Ukraine and its people the task

is daunting For the west whose security increasingly relies on stability in Ukraine this book provides the knowledge necessary to approach the problem as well as good reason not to ignore it

Soldiers and Societies in Postcommunist Europe A. Forster,T. Edmunds,2003-09-08 This major comparative study examines the development of military society relations in central and eastern Europe since the collapse of communism Soldiers and Societies in Post Communist Europe explores how the interaction of the common challenges of postcommunism and the diverse circumstances of individual countries are shaping patterns of military society relations in this changing region Detailed country case studies written by international experts to a common analytical framework compare the experiences of Poland the Czech Republic Slovakia Hungary Latvia Lithuania Romania Bulgaria Slovenia Croatia Yugoslavia and Ukraine

Castle on a Hill Rick Fawn,Director of the Institute of Middle East Central Asia and Caucasus Studies Rick Fawn,2024-12-02 This recasting of modern European history offers new insights into the Visegrad Group s significant role in changing political mind sets and refashioning the continent Rick Fawn has written the first book length account of the Visegrad Group of states which consists of the Czech Republic the Slovak Republic Poland and Hungary Named after Hungary s Visegr d Castle the group s significance includes changing international perceptions of Central Europe since the fall of communism and securing membership in NATO and the European Community It plays an ongoing role today in regional solidarity and politics within the European Union and NATO Castle on a Hill is built on years of uniquely obtained oral and written sources and on the author s sustained engagement in this region Fawn examines Visegrad s origins and major accomplishments and what makes it a unique regional organization In addition to its positive contributions Fawn identifies Visegrad s weaknesses oversteps and missteps including its controversial propulsion to international fame for successfully derailing the European Union s plans to resettle non Europeans during the 2015 migrant crisis This book also offers insights for the wider study of the phenomenon of regionalism in international relations Castle on a Hill shows how the Visegrad Group has changed Central Europe largely for the better and it will appeal to scholars and policymakers interested in international politics European history and the study of regions and regionalism in international relations

Conflict and Security in the Former Soviet Union Maria Raquel Freire,2018-01-17 Title first published in 2003 Conflict and Security in the Former Soviet Union examines the Organization for Security and Co operation in Europe OSCE s approach to post Cold War tensions and conflicts in the former Soviet area the extent to which the new procedures mechanisms and instruments developed by the organization are useful and how the OSCE s activities may reveal innovative contributions to conflict studies

The International Relations of the EU Steve Marsh,Hans Mackensteen,2014-09-11 In an incisive and lively discussion International Relations of the EU examines both the economic and security dimensions of European Union external relations The book adopts an innovative approach that combines International Relations with International Political Economy Set against a backdrop of EU enlargement and disarray over military intervention in Iraq International Relations of the EU is a timely contribution to our understanding of

the EU's role as an international actor The text is suitable for advanced undergraduate courses in Politics and International Relations *The European Union as a Global Actor* Charlotte Bretherton, John Vogler, 2002-06-01 First published in 2002 Routledge is an imprint of Taylor Francis an informa company *Norms and Nannies* Ronald Haly Linden, 2002 As the Central and East European states seek to join the European Union and NATO they face challenging demands to adhere to specific European norms and standards In this first comprehensive analysis contributors examine how this process operates in a variety of domains including civil military relations social labor and regional relations economic and information policies and foreign policy Each author considers what norms are generated by or absent from European international organizations how they are communicated to prospective members and most important what impact they have had on the policies and actions of individual countries as well as on the region as a whole These on the ground studies provide the empirical foundation needed to support theories of norm diffusion constructivism and liberalism in international relations and comparative politics alike Adolescent Development and Rapid Social Change Judith L. Van Hoorn, Akos Komlosi, Elzbieta Suchar, Doreen A. Samelson, 2000-02-24 Hungarian and Polish adolescents discuss the recent social political and economic transitions in their countries and how these events have impacted their communities homes and personal lives **The Russian Military into the 21st Century** Stephen J. Cimbala, 2013-10-23 This work attempts to clarify the major problems facing Russia's armed forces in the present and immediate future It covers threats from terrorists break away republics and threats from outside Russia's borders The book also includes political and economic problems facing the military

Intermarium Marek Jan Chodakiewicz, 2017-09-08 History and collective memories influence a nation its culture and institutions hence its domestic politics and foreign policy That is the case in the Intermarium the land between the Baltic and Black Seas in Eastern Europe The area is the last unabashed rampart of Western Civilization in the East and a point of convergence of disparate cultures Marek Jan Chodakiewicz focuses on the Intermarium for several reasons Most importantly because as the inheritor of the freedom and rights stemming from the legacy of the Polish Lithuanian Ruthenian Commonwealth it is culturally and ideologically compatible with American national interests It is also a gateway to both East and West Since the Intermarium is the most stable part of the post Soviet area Chodakiewicz argues that the United States should focus on solidifying its influence there The ongoing political and economic success of the Intermarium states under American sponsorship undermines the totalitarian enemies of freedom all over the world As such the area can act as a springboard to addressing the rest of the successor states including those in the Caucasus Central Asia and the Russian Federation Intermarium has operated successfully for several centuries It is the most inclusive political concept within the framework of the Commonwealth By reintroducing the concept of the Intermarium into intellectual discourse the author highlights the autonomous and independent nature of the area This is a brilliant and innovative addition to European Studies and World Culture **Whither Ukraine?** Scott A. Jones, 2018-05-08 This title was first published in 2002 Examining the

development of and rationale behind the Ukrainian export control system this text uses an original theoretically informed case study methodology to explain how and why Ukraine has continued to emphasize the importance of not only maintaining but augmenting its export control system Furthermore it assesses the utility of four international relations approaches in explaining non proliferation export control development This ground breaking study on Ukrainian politics and economics is ideally suited to audiences of European Ukrainian and US policy makers academics and specialists in security and political economy

Responding to Environmental Conflicts: Implications for Theory and Practice Eileen

Petzold-Bradley,Alexander Carius,Arpád Vincze,2012-12-06 A comprehensive tour d horizon of the debate on the environment and security focusing on the various policy options for building peace and preventing environmental conflict Experts from the areas survey the key environmental challenges in Eastern and Central European states and those of the former Soviet Union extending the debate to such regions as the Balkans the Black Sea and Central Europe This is the first time such extensive case study research has been reported for these regions Both practical and theoretical approaches to the debate are presented within a multi disciplinary framework the contributors ranging from academic experts involved with peace and conflict research to actual policy makers active in the fields of environmental and security policy Readership Experts already working in the relevant disciplines both academic and governmental as well as those seeking an introduction to the various policy fields A graduate level study text excellent survey for policy makers and an academic contribution to ongoing studies

Ukraine Taras Kuzio,2002-09-11 Ukraine State and Nation Building explores the transformation of Soviet Ukraine into an independent state and examines the new elites and their role in the state building process as well as other attributes of the modern nation state such as borders symbols myths and national histories Extensive primary sources and interviews with leading members of Ukranian elites show that state building is an integral part of the transition process and cannot be divorced from democratization and the establishment of a market economy

Pushing Back the Boundaries Mike

Mannin,1999 Missionary families were an integral component of the missionary enterprise both as active agents on the global religious stage and as a force within the enterprise that shaped understandings and theories of mission itself Taking the family as a legitimate unit of historical analysis in its own right for the first time Missionary families traces changing familial policies and lived realities throughout the nineteenth century and powerfully argues for the importance of an historical understanding of the missionary enterprise informed by the complex interplay between the intimate the personal and the professional By looking at marriage parenting and childhood along with professionalism vocation and domesticity this first in depth study of missionary families reveals their profound importance to the missionary enterprise and concludes that mission history can no longer be written without attention to the personal emotional and intimate aspects of missionary lives

Central Asia on Display European Society for Central Asian Studies. International Conference,2004 Despite its

geostrategic importance and its easier accessibility since the dissolvent of the Soviet Union Central Asia has nevertheless

remained a white spot on the map of western scholarship and public awareness. Bringing together papers presented at the VII ESCAS Conference, this volume aims to shed light on the historical, political, cultural, and socio-economic development of this region. Scholars from within and outside Central Asia discuss a wide range of topics covering historical processes and events on the one hand and present developments of regional and global concern on the other. *Ethnic Conflict in Asymmetric Federations* Gorana Grgić, 2016-12-19. In the last years of their existence, the Union of Soviet Socialist Republics (USSR) and the Socialist Federal Republic of Yugoslavia (SFRY) found themselves facing a similar and very grim state of affairs. After their disintegration, the former Yugoslav republics spiralled into a set of ethnic conflicts that did not leave a single one of them unscathed, and in the ex-Soviet space, conflicts were far more limited. This book offers an in-depth analysis of the difference in state collapses and ensuing conflicts in the Soviet Union and Yugoslavia by focusing on their asymmetric ethnofederal structure and the different dynamics of ethnic mobilization that the federal units experienced. Moreover, it explores the links between identity politics and international relations, as the latter has been a latecomer in research on ethnonationalism and ethnic conflict. Finally, it contributes to the literature on the democratization-conflict nexus by proposing that the sequencing of ethnic mobilization and political liberalization has significant effects on the likelihood of conflict. This text will be of key interest to scholars and students of Post-Soviet politics, Balkan politics, ethnic conflict, peace and conflict studies, federalism, and more broadly to comparative politics and international relations. *Dealing with a Juggernaut* Joanna A. Gorska, 2012-07-10. *Dealing with a Juggernaut: Analyzing Poland's Policy towards Russia 1989-2009* by Joanna A. Gorska is the first substantial study of Poland's foreign policy interaction with its more powerful eastern neighbor, Russia. This study is essential to understanding the prospects for order and peace in Central and Eastern Europe towards Russia during the past twenty years. Gorska challenges widely established interpretations of Poland's post-1989 foreign policy by arguing that consecutive Polish governments pursued a largely cooperative policy towards Russia and did so because of material power considerations, namely Poland's strengthened power position after the Cold War and moderate security pressures from Russia. In analyzing Polish foreign policy, *Dealing with a Juggernaut* draws on leading theories in the field of International Relations and Foreign Policy Analysis and develops a comprehensive theoretical framework to guide empirical research. Representing a cross-section of politically important areas in Poland's most recent Russia policy, the analysis is delineated along four case studies: the Soviet military withdrawal from Poland in the early 1990s, the NATO issue in Polish policy towards Russia, Polish energy policy towards Moscow, and the Katyn question in Polish foreign policy. This book uses previously unpublished archival material, interviews with leading Polish officials, and a wealth of Polish publications to provide an insight into Warsaw's foreign policy behavior. Gorska points to a departure from hostility and imposition, a significant change in Poland's policy towards Russia after 1989. As such, *Dealing with a Juggernaut* by Joanna A. Gorska uncovers important mechanisms of regional cooperation between states with a checkered past. International Security

Issues in a Global Age Clive Jones, Caroline Kennedy-Pipe, 2020-07-24 This volume examines the new the changing and the enduring features of international security in the post Cold War era In so doing it examines the extent to which present state structures and institutions have been able to adapt and accommodate themselves to the diversity of security threats

Perceptions Of Security Public Opinion And Expert Assessments In Europes New Democracies Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Perceptions Of Security Public Opinion And Expert Assessments In Europes New Democracies free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Perceptions Of Security Public Opinion And Expert Assessments In Europes New Democracies free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Perceptions Of Security Public Opinion And Expert Assessments In Europes New Democracies free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Perceptions Of Security Public Opinion And Expert Assessments In Europes New Democracies. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether

its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Perceptions Of Security Public Opinion And Expert Assessments In Europes New Democracies any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Perceptions Of Security Public Opinion And Expert Assessments In Europes New Democracies Books

What is a Perceptions Of Security Public Opinion And Expert Assessments In Europes New Democracies PDF? A

PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a**

Perceptions Of Security Public Opinion And Expert Assessments In Europes New Democracies PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools.
