Percy's Predicament:

Percy's Predicament W. Awdry, 1992 **Fyodor Dostoevsky, Walker Percy, and the Age of Suicide** John F.

Desmond, 2019-01-09 Fyodor Dostoevsky Walker Percy and the Age of Suicide is a study of the phenomenon of suicide in modern and post modern society as represented in the major fictional works of Fyodor Dostoevsky and Walker Percy In his study suicide is understood in both a literal and spiritual sense as referring to both the actual suicides in their works and to the broader social malaise of spiritual suicide or despair In the 19th century Dostoevsky called suicide the terrible question of our age For his part Percy understood 20th century Western culture as suicidal in both its social political and military behavior and in the deeper sense that its citizenry had suffered an ontological loss of self or deformation of being Likewise Thomas Merton called the 20th century an age of suicide *Walker Percy and the Crisis of Meaning* Justin N.

Bonanno, 2023-08-12 In this book Justin N Bonanno builds off of the recent philosophical work on Walker Percy s writings While it is valuable to appreciate Percy as a novelist Bonanno approaches Percy from the perspective of Continental philosophy and the rhetorical tradition Unpacking the works of several key authors that influenced Percy e g Sartre and Heidegger Bonanno offers a fresh philosophical account of Percy s ideas concerning the relationship between symbols and existence In particular he focuses on how Percy s ideas emerge from the thought of Ernst Cassirer Susanne Langer Jacques Maritain Jean Paul Sartre Gabriel Marcel Martin Heidegger Viktor Shklovsky S ren Kierkegaard and St Thomas Aquinas

Eudora Welty and Walker Percy Marion Montgomery, 2003-12-18 Eudora Welty and Walker Percy were friends but very different writers even though both were from the Deep South and intensely interested in the relation of place to their fiction This work explores in each the concept of home and the importance of home to the homo viator man on his way and anti idealism and anti romanticism The differences between Welty and Percy and in their fiction were revealed in the habits of their lives Welty spent her life in Jackson Mississippi and was very much a member of the community Percy was a wanderer who finally settled in Covington Louisiana because it was as he called it a noplac The author also asserts that Percy somewhat envied Welty and her stability in Jackson and that for him place was such a nagging concern that it became a personal problem to him as homo viator **Walker Percy's The Moviegoer at Fifty** Jennifer Levasseur, Mary A.

for Community John F. Desmond, 2004 In this criticism of Percy John F. Desmond traces the writer's enduring concerns with community These concerns Desmond argues were grounded in the realism of such Scholastics as Aquinas and Duns Scotus

A Political Companion to Walker Percy Peter Augustine Lawler, Brian A. Smith, 2013-06-01 In 1962 Walker Percy 1916-1990 made a dramatic entrance onto the American literary scene when he won the National Book Award for fiction with his first novel *The Moviegoer* A physician philosopher and devout Catholic Percy dedicated his life to understanding the mixed and somewhat contradictory foundations of American life as a situation faced by the wandering and wondering human soul His controversial works combined existential questioning scientific investigation the insight of the southern stoic and authentic religious faith to produce a singular view of humanity's place in the cosmos that ranks among the best American political thinking An authoritative guide to the political thought of this celebrated yet complex American author *A Political Companion to Walker Percy* includes seminal essays by Ralph C. Wood Richard Reinsch II and James V. Schall S.J. as well as new analyses of Percy's view of Thomistic realism and his reaction to the American pursuit of happiness Editors Peter Augustine Lawler and Brian A. Smith have assembled scholars of diverse perspectives who provide a necessary lens for interpreting Percy's works This comprehensive introduction to Percy's American Thomism is an indispensable resource for students of American literature culture and politics *Selected Stories of Percy F. Percy's Sacramental Landscapes Allen Pridgen,2000 Sometimes oblivious to the sacramental signs of life sometimes clear eyed both Will at the end of The Second Coming and Tom at the end of The Thanatos Syndrome finally assent to the wondrous possibilities these signs signify They begin to believe in the possibilities for a life that waits for them on the horizon and down the road BOOK JACKET *Walker Percy's Voices* Michael Kobre,2000 Walker Percy s novels are fraught with characters struggling toward a destiny and purpose in life who must sort through conflicting inner voices and the voices of family friends therapists and mentors until they finally find their own paths Through trial error and retrial Percy s characters continuously reinvent themselves struggling until they reach solutions satisfaction and maturity In this multifaceted work Michael Kobre analyzes Walker Percy s major fiction works The Moviegoer The Last Gentleman Love in the Ruins Lancelot The Second Coming and The Thanatos Syndrome in terms of the Russian philosopher and literary scholar Mikhail Bakhtin s critical theory Kobre begins with an introduction to Percy s view of language and consciousness and a clear accessible explanation of Bakhtin s ideas His subsequent discussion of the novels connects each work in turn with Percy s advancing career and explores the deepening conflict in Percy s fiction between his desire to express his own religious and moral beliefs and his commitment to the essential freedom of his art the play of many voices in his narratives *Walker Percy and the Politics of the Wayfarer* Brian A. Smith,2017-08-04 Walker Percy is one of America s great novelists and he ought to be known as a political thinker as well In Walker Percy and the Politics of the Wayfarer Brian A Smith makes the case that we should understand Percy s novels and essays together as a guide to living in a complex world Percy cultivated a philosophical and literary approach that revealed the fault lines in the modern mind He portrayed man as a wayfarer peristantly unsatisfied and wandering in search of a perfectly complete solution to life s dilemmas His writing captures the restlessness of the human heart and allows us to comprehend our temptation to escape our sense of alienation and longing Drawing ideas from philosophy psychology linguistics and literature Percy s multidimensional account of American political life shows the ways that today s approaches to life often fall short and leave us more unsatisfied with ourselves and others than ever Percy hoped we would evade the temptations to escape the life of the wayfarer and accept our misplaced longings alienation depression and anxiety as part of the human condition Failing to do this might lead us to accept ever more extreme political

and social ideas as the basis for life The promise of embracing Percy's political teaching is that we might then be able to accept ourselves as we really are in order to join with others in authentic community

More Conversations with Walker Percy Walker Percy, 1993 These collected interviews like a visit with Percy at his home on the Bogue Falaya River provide refreshing close up encounters with one of America's most celebrated writers These twenty seven interviews cover a period of twenty two years from the time of the publication of Percy's first novel *The Moviegoer* in 1961 until 1983 when he was interviewed about his friendship with Thomas Merton This volume is the second in the Literary Conversations series These unabridged interviews collected from a variety of sources will give reading pleasure to general readers who wish to know Percy and his works more closely and they will be of great use to Percy scholars

The Fiction of Walker Percy John Edward Hardy, 1987 Hardy's study is concerned only with Percy's fiction rather than his life thought or his essays He covers all six of Percy's novels from *The Moviegoer* 1961 to *The Thanatos Syndrome* 1987 and treats them only as fiction rather than as philosophical disquisitions or religious treatises Hardy presents a close reading of each novel focusing on the internal artistic consistency of the works in regard to their subgenres adopted conventions narrative focus and reader text interactions He reveals Percy as a judicious and knowledgeable practitioner in control of his medium ISBN 0 252 01387 5 24 95
