Perditas Passion:

Perdita's Passion Genevieve Lyons,1997 **Magic Seeds** V. S. Naipaul,2010-02-10 The Nobel Prize winning author continues the story of Willie Chandran the perennially dissatisfied and self destructively naive protagonist of his bestselling *Half a Life* The most essential English language novelist of our time New York Having left a wife and a livelihood in Africa Willie is persuaded to return to his native India to join an underground movement on behalf of its oppressed lower castes Instead he finds himself in the company of dilettantes and psychopaths relentlessly hunted by police and spurned by the people he means to liberate But this is only one stop in a quest for authenticity that takes in all the fanaticism and folly of the postmodern era Moving with dreamlike swiftness from guerrilla encampment to prison cell from the squalor of rural India to the glut and moral desolation of 1980s London *Magic Seeds* is a novel of oracular power dazzling in its economy and unblinking in its observations **Dangerous Muse** Nancy Schoenberger,2012-07-18 Caroline Blackwood was born into the Guinness family in 1931 the daughter of the Fourth Marquess and Marchioness of Dufferin and Ava Brought up on the ancestral estate in Northern Ireland Blackwood moved easily among the Anglo Irish aristocracy the Soho bohemians of postwar England and the liberal intelligentsia of 1960s New York She was on intimate terms with some of the most celebrated artists and writers of her time An unpredictable beauty known for her wit and her courage she has been called a muse to genius But her marriages to three brilliant men the painter Lucian Freud the composer Israel Citkowitz and the poet Robert Lowell were as troubled as they were inspiring During her marriage to Lucian Freud Caroline became part of an artistic and literary group that included Francis Bacon and Cyril Connolly who was infatuated with her but eventually Freud's gambling caused irrevocable problems between them Caroline was also in the grips of her own unfolding tragedy a fatal attraction to alcohol that would plague the rest of her life Upon the breakup of her first marriage she moved to America where she met her second and third husbands Once regarded as the obvious successor to Aaron Copland Israel Citkowitz had stopped composing long before he met Caroline While he and Caroline had three children together it was her subsequent seven year marriage to Robert Lowell that she considered her main marriage Her life with Lowell was probably the most difficult time of her life as she dealt with his increasingly frequent and worsening attacks of mania And to Lowell she was not only an inspiration but—as he described in his Pulitzer prize winning book of verse *The Dolphin* she was also a mermaid who dines upon the bones of her winded lovers In 1977 Robert Lowell fled London to return to his former wife Elizabeth Hardwick He died from a heart attack in the backseat of a taxi clutching *Girl in Bed* Lucian Freud's haunting portrait of Caroline Blackwood was an artist in her own right Her literary talents were dark and satiric her ten books of fiction and nonfiction betrayed an extraordinary eye for human physiognomy attire and behavior Arguably her best book *Great Granny Webster* described the comic terrors of her upbringing in Northern Ireland and was shortlisted for the Booker Prize She herself died of cancer on Valentine's Day 1996 at the age of sixty four *Dangerous Muse* is the first biography of Lady Caroline Blackwood

Drawing upon numerous interviews and unpublished letters from Blackwood's mother Maureen Dufferin and friends and family including Andrew Harvey Jonathan Raban John Richardson and Caroline's sister Perdita Blackwood Nancy Schoenberger eloquently captures one of the most original and provocative figures in contemporary letters of the twentieth century

The Rebellious Debutante Meg Alexander, 2011-12-15 Her enemy or had she just met her match The Earl of Rushmore might be the catch of the ton but that did not stop Perdita from accidentally on purpose stamping on his toe Well in her opinion he deserved it The Earl had secretly been rather impressed with the rebellious debutante her feisty spirit was a refreshing change from the simpering young ladies who had only marriage on their minds Despite the fact that Perdita disliked him he'd even managed to persuade her to help him in a matter of great importance But the biggest surprise of all for the Earl was that he now had marriage on his mind

Baked to Death Dean James, 2006 Writer vampire and sleuth extraordinaire Simon Kirby Jones becomes immersed in medieval mayhem when a renaissance fair comes to town bringing with it Tristan Lovelace the man who made him a vampire and murder Reprint

Walking Naked Alyssa Brugman, 2009-03-04 There are those who are popular There are those who are outcasts And there are those who must choose between the two Megan Tuw has always been popular As a leader of her high school's most cliquish group she's among the anointed girls who think nothing of ridiculing those who don't fit in That includes Perdita Wiguiggan a classmate Megan and her friends openly refer to as the Freak But Megan doesn't know the first thing about Perdita since she would never dream of talking to her Only when the two girls are thrown together in detention does Megan begin to see Perdita as more than someone with an odd last name as more than the school outcast And slowly Megan finds herself drawn into an almost friendship Then Megan faces a choice Perdita or the group

Passion Lends Them Power Derick Rupert Clement Marsh, 1976

Perdita Paula Byrne, 2007-12-18 This thoroughly engaging and richly researched book presents a compelling portrait of Mary Robinson darling of the London stage mistress to the most powerful men in England feminist thinker and bestselling author described by Samuel Taylor Coleridge as a woman of undoubted genius One of the most flamboyant free spirits of the late eighteenth century Mary Robinson led a life that was marked by reversals of fortune After being abandoned by her merchant father who left England to establish a fishery among the Canadian Eskimos Mary was married at age fifteen to Thomas Robinson His dissipation landed the couple and their baby in debtors prison where Mary wrote her first book of poetry gaining her the patronage of Georgiana Duchess of Devonshire On her release Mary rose to become one of the London theater's most alluring actresses famously playing Perdita in *The Winter's Tale* for a rapt audience that included the Prince of Wales who fell madly in love with her Never one to pass up an opportunity she later used his ardent and numerous love letters as blackmail After being struck down by paralysis apparently following a miscarriage she remade herself yet again this time as a popular writer who was also admired by the leading intellectuals of the day Filled with triumph and despair and then triumph again the amazing multifaceted life of Perdita is marvelously captured in this stunning biography

Studies

in the Literary Imagination ,2018 The Prince's Mistress, Perdita Hester Davenport,2011-10-21 Mary Robinson nicknamed Perdita by the Prince of Wales after her role on the London stage was a woman in whom showmanship and reckless behaviour contrasted with romantic sensibility and radical thinking Born in Bristol in 1758 she moved to London with her family at a young age and was trained by Garrick for the theatre After a royal command performance as Perdita in *The Winter's Tale* she was hotly pursued by George the 17 year old Prince of Wales and she became his first mistress He gave her 20 000 a house in Berkeley Square and another in Old Windsor the popular press followed the affair with glee and gusto But when he left her she blackmailed him for the return of his letters A string of other high profile lovers followed including Lord Malden Charles James Fox and most notably Lt Col Tarlton However a miscarriage left Mary semi paralysed and when her last lover deserted her to marry someone else she wrote two novels in revenge Here growing literary reputation brought in many friends including Coleridge but her death saw the bailiffs trying to evict her from her cottage This lively account of one of the most extraordinary women of her age is set against the social literary political and military background of the times *Perdita* Hilary Scharper,2015-01-20 Stunning richly complex and unpredictable Historical Novel Review Marged Brice is 134 years old She d be ready to go if it wasn t for Perdita The Georgian Bay lighthouse s single eye keeps watch over storm and calm and Marged grew up in its shadow learning the language of the wind and the trees There s blustery beauty there where sea and sky incite each other to mischief or worse Garth Hellyer of the Longevity Project doesn t believe Marged was a girl coming of age in the 1890s but reading her diaries in the same wild and unpredictable location where she wrote them might be enough to cast doubt on his common sense Everyone knows about death It s life that s much more mysterious Hilary Scharper deftly mines the beauty and wonder of both the human heart and nature in this haunting tale of enduring love Cathy Marie Buchanan bestselling author of *The Painted Girls* **Science, Gender and History** Suparna Banerjee,2015-01-12 The first substantial study comparing Mary Shelley and Margaret Atwood this book examines a selection of the speculative fantastic novels of these two influential writers from the perspectives of contemporary feminist postcolonial and science studies Situating her readings at the troubled intersections of science gender and history making Banerjee juxtaposes Shelley s *Frankenstein* and *The Last Man* with Atwood s *The Handmaid s Tale* and *Oryx and Crake* in a way that respects historical difference while convincingly suggesting a tradition of ongoing socio political critique in the work of women writers of the fantastic over the past two centuries She offers insightful fresh readings of Shelley and Atwood bringing out how the cognate values of technoscience and capitalistic imperialism work in tandem to foster oppressive gender ideologies social inequity and environmental ruin Banerjee explores how Shelley and Atwood levy powerful critiques of both positivist masculinist science and the politico economic proclivities of their respective times engaging in the process with the meaning of the post human the cultural impact of male Romantic egotism and the public private division the colonial impulse and its modern day counterpart the patriarchal ideologies of love and motherhood and the sexual politics of official

historiography Combining lively creative scholarship with theoretical rigour the book offers a nuanced study of the ways in which Shelley's and Atwood's novels each take critical aim at some of the conventional oppositions nature culture masculine feminine reason emotion art science that have since long defined our lives in western technoculture The book re opens the two cultures debate suggesting that Shelley's and Atwood's futuristic visions posit humanistic education and art as the saving graces that might counter the schisms and reductionism innate to the technocapitalistic world view One highlight of the book is the way the author goes beyond a strong critical consensus on Frankenstein and reads the novel not as a denunciation of technological violation of nature but as a subversion of the thematic itself of Nature versus Culture Similar innovative interpretations are offered on the gender question in *The Last Man* and on Atwood's engagement with feminist mothering in *Oryx and Crake*

Shakespeare and Spenser J. B. Lethbridge, 2013-07-19 Shakespeare and Spenser Attractive opposites is a much needed volume that brings together ten original papers by experts on the relations between Spenser and Shakespeare There has been much noteworthy work on the linguistic borrowings of Shakespeare from Spenser but the subject has never before been treated systematically and the linguistic borrowings lead to broader scale borrowings and influences which are treated here An additional feature of the book is that for the first time a large bibliography of previous work is offered which will be of the greatest help to those who follow up the opportunities offered by this collection Shakespeare and Spenser Attractive opposites presents new approaches heralding a resurgence of interest in the relations between two of the greatest Renaissance English poets to a wider scholarly group and in a more systematic manner than before This will be of interest to Students and academics interested in Renaissance literature

The Exquisite Perdita Lily Adams Beck, 1926 **Many Mansions** Sarah Warder MacConnell, 1918 Shakespeariana, 1890 Temple Bar, 1880 *Temple Bar* George Augustus Sala, Edmund Yates, 1880 *The Rebel of the Family* Elizabeth Lynn Linton, 1881 Memoirs of Mary Robinson "Perdita" Robinson, 1894
