Pere Jacques Resplendent In Victory:

Père Jacques Francis J. Murphy, 1998 **Listen to the Silence: A Retreat with Père Jacques** Père Jacques Bunel, OCD, 2005

The Carmelite nuns at Pontoise invited P re Jacques to give conferences and to preach as retreat master They received from him a seven day retreat in the late summer of 1943 This book contains the talks he gave to the nuns they are inspiring but also warm hearted reflections on questions of key interest to his audience Among the topics were love for Christ for His Blessed Mother the nuns Carmelite contemplative prayer life and their religious observance but all received deft treatment from this confrere who eventually became famous for his compassionate assistance to the persecuted in World War II More Information As a diocesan priest P re Jacques Bunel was frequently in demand as a preacher in his home diocese of Rouen Normandy Along with his duties as educator in a prep school in Le Havre he spoke at important public occasions He was chosen to give the sermon that marked the five hundredth anniversary of the death of St Joan of Arc in the Cathedral of Rouen the city where she was burned at the stake Afterwards when he became a Discalced Carmelite friar the cover photo shows him on the day he professed his vows he continued to exercise a preaching ministry We owe the full texts of those talks to the Carmelite Nuns of Pontoise as well as helpful notes and an introduction to Rev Dr Francis J Murphy Father Murphy a diocesan priest who has become a good friend of the Carmelites through his interest in P re Jacques collaborating with them as he collaborates with his historian colleagues teaches at Boston College in Chestnut Hill Massachusetts This collection of talks extends the knowledge Father Murphy has provided to the public in the biography volume he named and published at ICS Publications with the title P re Jacques Resplendent in Victory Book includes 8 photos [Mary the Perfect Contemplative: Carmelite Insights on the Interior Life of Our Lady](#) Barbara Hughes, 2022-04-25

Mary the Perfect Contemplative is a fresh and beautiful portrait of the Mother of God From her immaculate conception to her bodily assumption into heaven Mary was set apart by God as the vessel of humanity s redemption Thrice favored as daughter of the Father mother of the Son and spouse of the Holy Spirit Mary was endowed with supernatural gifts that enabled a contemplative life of grace Unlike us she was conceived without sin Yet her reliance on faith without the full vision of God s plan of salvation during her earthly life makes her for us the perfect model of faith Pondering in her heart the mysteries she encountered throughout her life she is the perfect contemplative Author Barbara Hughes O C D S looks to Sacred Scripture as the primary and essential reference for her portrait of our Lady For colorful detail she draws on two thousand years of Sacred Tradition sourced in the writings of the church fathers saints and theologians Finally Hughes finds further depth and exquisite details of Mary s interior life in the mystical writings of the Carmelite saints and Doctors of the Church The saints of Carmel the canonized brothers and sisters of Our Lady of Mount Carmel are invaluable guides that help us navigate the mystical waters of contemplation and union with God which Mary exemplifies Saints John of the Cross and Teresa of Jesus teach us the importance of living by faith especially when God appears to be absent or when his plans are veiled to the eyes

of even the holiest people such as Mary This book is for all of Mary's beloved children to offer them an intimate portrait of their Blessed Mother

Celluloid Saints Theresa Sanders, 2002 The book is written with two goals in mind The first is to give film viewers some background and context for evaluating what they see on screen By and large Hollywood is not conversant with theological issues occasionally movies reveal an appalling ignorance about religion More often however the approach movies take is simply flat footed and unsophisticated Giving readers the tools they need to interpret and critique cinematic portrayals of sanctity is one goal of this book

The Carmelite Tradition Steven Payne, 2011-06-01 Eight hundred years ago Albert of Jerusalem gave the hermit penitents of Mount Carmel a way of life to follow Since then this rule has inspired and formed mystics and scholars men and women lay and ordained to seek the living God In The Carmelite Tradition Steven Payne OCD brings together representative voices to demonstrate the richness and depth of Carmelite spirituality As he writes Carmelite spirituality seeks nothing more nor less than to stand before the face of the living God and prophesy with Elijah to hear the word of God and keep it with Mary to grow in friendship with God through unceasing prayer with Teresa to become by participation what Christ is by nature as John of the Cross puts it and thereby to be made like Th r se of Lisieux into instruments of God's transforming merciful love in the church and society The lives and writings in The Carmelite Tradition invite readers to stand with these holy men and women and seek God in the hermitage of the heart Steven Payne OCD of the Washington Province of Discalced Carmelite Friars is a member of the Carmelite Friars formation team at the Monastery of St John of the Cross near Nairobi Kenya and director of the Institute of Spirituality and Religious Formation ISRF at Tangaza College a constituent college of the Catholic University of Eastern Africa CUEA in Nairobi He is the past editor of ICS Publications and of Spiritual Life magazine and the author of several works in philosophy of religion theology and Carmelite spirituality He is a member of the Carmelite Forum and of the Carmelite Institute in Washington DC of which he is a past president

[Drink of the Stream](#) Penny Hickey, 2010-04-27 Carmelite history and prayer begin with Elijah on Mount Carmel From Elijah has descended a long line of saints who have heard the voice of the Lord calling them to leave everything and come drink from the stream This book is an invitation for you to come and pray with the holy men and women of the Carmelite order The prayers and meditations in this book will help the reader listen to and pray with the saints of Carmel throughout the ages from Elijah through the twentieth century In these prayers are stories of particular times places longings sometimes suffering at other times ecstatic joy These prayers allow one to enter into the most intimate depths of the souls of Carmelite saints How better to learn than from the masters themselves This book is made up of the prayers and meditations of more than twenty five saints along with a short biography of each saint and numerous illustrations In addition to helping one with prayer and meditation it also provides prayer for specific topics Whether one is a beginner or highly advanced in prayer there is a prayer suitable for nearly every occasion These magnificent prayers echo from prison cells hospital beds battlefields and even treetops It gives special emphasis to the prayers and meditations of the

three great Carmelite mystics Teresa of Avila John of the Cross and Therese of Lisieux But the other twenty two saints include a wonderful variety with Elizabeth of the Trinity Simon Stock Titus Brandsma Edith Stein and many more Illustrated The Righteous Martin Gilbert, 2010-04-01 Important The very fact that there were so many tales of courage is reason to take heed of this heartening aspect of one of history's darkest moments Publishers Weekly Drawing from twenty five years of original research eminent historian Sir Martin Gilbert re creates the remarkable stories of non Jews who risked their lives to help Jews during the Holocaust According to Jewish tradition Whoever saves one life it is as if he saved the entire world Non Jews who helped save Jewish lives during World War II are designated Righteous Among the Nations by Yad Vashem the Holocaust archive in Jerusalem In The Righteous distinguished historian Sir Martin Gilbert through extensive interviews explores the courage of those who throughout Germany and in every occupied country from Norway to Greece from the Atlantic to the Baltic took incredible risks to help Jews whose fate would have been sealed without them Indeed many lost their lives for their efforts Those who hid Jews included priests nurses teachers neighbors and friends employees and colleagues soldiers and diplomats and above all ordinary citizens From Greek Orthodox Princess Alice of Greece who hid Jews in her home in Athens to the Ukrainian Uniate Archbishop of Lvov who hid hundreds of Jews in his churches and monasteries to Muslims in Bosnia and Albania many risked and lost everything to help their fellow man One of the book's virtues is Gilbert's ability to set the local context briefly before recounting the personal stories thus keeping the human dimension paramount Library Journal This emotionally stirring book is an essential addition to Holocaust collections Booklist *Strengthen Your Brothers* J. Peter Sartain, 2012 In recent years Archbishop Peter Sartain has written to the priests of the Diocese of Joliet where he served from 2006-10 and the priests of the Archdiocese of Seattle where he currently ministers These intimate thoughtful letters of encouragement and support are collected here From a place of commitment and care Archbishop Sartain addresses a variety of spiritual theological pastoral and personal situations that challenge priests His personal experience and spiritual insights come together in a moving pastoral way offering the reader a deep sense of God's care for the world and those who shepherd his people **Christians in the Movies** Peter E. Dans, 2009-05-16 Christians in the Movies traces the arc of the portrayal in film of Christians from 1905 to the present For most of the first six decades the portrayals were favorable and even reverential By contrast from 1970 on Christians have often been treated with hostility and often outright ridicule This book explores this shift through in depth reviews and commentaries on 100 important films as well as briefer discussions of about 75 additional Christian themed films Peter E Dans examines various causative factors for this change such as the abolition of the Hays Motion Picture Production Code the demise of the Catholic Legion of Decency and the associated profound societal and cultural changes From a look at the real story behind the Scopes trial to portraits of actors directors and writers most prominently associated with films involving Christians and Christianity Christians in the Movies provides a great resource for those who wish to select films for showing at churches universities or for personal viewing and critical
