Master bread baking with Betsy Oppenheer, the "Pied Piper" of breadbakers, who travels the world over teaching and sharing her love of baking bread.

Learn techniques that are almost impossible to read and execute from books. Making bread by "feel" is one of those techniques. This is critical to producing light, not dense loaves. Betsy makes breadmaking easy and comfortable. She teaches confidence by guiding you through the techniques of making your bread by feel. Food processor and heavy-duty mixer.

Betsy carefully explains how to convert recipes from cookbooks to the method you are most comfortable using. Clearing photography shows each important detail so there is no doubt as to what to expect.
