Perfect Heresy The Revolutionary Life And Death Of The Medieval Catharsthe:

The Dove and the Dragon Ed Simon, 2025-08-12 No Western religious concept has been as socially culturally economically and politically significant as that of the apocalypse Neither heaven and hell nor sin and salvation nor even God and the devil have merited the attention of billions of people in the manner that belief in the end of the world has Apocalyptic thinking is riven by a fruitful and at times dangerous binary between the hopes for a coming millennium when all shall be perfected or of a fiery deluge when the earth shall be destroyed The Dove and the Dragon is the first comprehensive history of Western apocalypticism Ed Simon introduces a new system for classifying movements concerned with the end of history between hopeful millennial doves and violent apocalyptic dragons This framing connects a seemingly disparate phenomenon from medieval millennialism to modern Marxism Reformation apocalypticism to contemporary techno utopianism Expected groups are considered but unexpected phenomena are interpreted through the lens of apocalypticism as well to argue that those that have often been classified as secular still take part in this ancient theological category This new way of interpreting history gives sense to the full scope of apocalypticism as a series of movements and as a genre including not just religion and theology but politics philosophy and pop culture as well The Dove and the Dragon promises to be the standard introduction for years to come Encyclopedia of Religion and Nature Bron Taylor, Jeffrey Kaplan, 2005-01-01 No Marketing

Murder in Lascaux Betsy Draine, Michael Hinden, 2011-10-04 The cave of Lascaux may be closed to the public but five scholars a day are allowed inside and Nora Barnes has finagled an appointment True she may have fudged a bit in her letter to the authorities but she does teach art history and she isn't about to miss her chance to see the world's most famous prehistoric paintings Nora and her high spirited husband Toby are visiting the Dordogne in the southern French region of the Aquitaine Aware that the Dordogne's renown for cave art is matched only by its reputation for delicious cuisine the couple has also signed up for a cooking class at a nearby chateau but they soon find that more than food is on their minds During their tour of the cave another visitor is murdered When the local inspector pegs Nora and Toby as suspects they embark on a mission to solve the crime tracing strange links between a Cro Magnon symbol and a thirteenth century religious cult As they match wits with the crusty inspector Nora finds herself immersed in the notebooks of a forgotten artist who once lived in the chateau In sifting through the artist's papers and uncovering old secrets she begins to piece together the motives for the murder But has she cooked up more trouble than she can handle Best Books for General Audiences selected by the American Association of School Librarians Best Books for General Audiences selected by the Public Library Reviewers **The Perfect Heresy** Stephen O'Shea, 2000-07-01 Chronicles the life death of the Cathar movement led by a group of heretical Christians whose brutal suppression by the Catholic Church unleashed the Inquisition **The Perfect Heresy** Stephen O'Shea, 2001 Eight hundred years ago the Cathars a group of heretical Christians from all walks of society high and low flourished in what is now the Languedoc in Southern France Their subversive beliefs brought down on them the wrath of Popes and monarchs

and provoked a brutal Crusade against them The final defeat of the Cathars was horrific with mass burnings of men women and children in the village of Montautou in the Pyrenees The Perfect Heresy Stephen O'Shea,2000 **The Friar of Carcassonne** Stephen O'Shea,2011-10-04 In 1300 the French region of Languedoc had been cowed under the authority of both Rome and France since Pope Innocent III s Albigensian Crusade nearly a century earlier That crusade almost wiped out the Cathars a group of heretical Christians whose beliefs threatened the authority of the Catholic Church But decades of harrowing repression enforced by the ruthless Pope Boniface VIII the Machiavellian French King Philip the Fair of France and the pitiless grand inquisitor of Toulouse Bernard Gui the villain in *The Name of the Rose* had bred resentment In the city of Carcassonne anger at the abuses of the Inquisition reached a boiling point and a great orator and fearless rebel emerged to unite the resistance among Cathar and Catholic alike The people rose up led by the charismatic Franciscan friar Bernard D licieux and for a time reclaimed control of their lives and communities Having written the acclaimed chronicle of the Cathars *The Perfect Heresy* Stephen O Shea returns to the medieval world to chronicle a rare and remarkable story of personal courage and principle standing up to power amidst the last vestiges of the endlessly fascinating Cathar world Praise for *The Perfect Heresy* At once a cautionary tale about the corruption of temporal power and an accounting of the power of faith It is also just a darn good read *Baltimore Sun* An accessible readable history with lessons that were not learned by broad humanity until it saw 20th century tyrants applying the goals and methods of the Inquisition on a universal scale *New York Times* *The Perfect Heresy* Stephen O'Shea,2000-07-01 Chronicles the life death of the Cathar movement led by a group of heretical Christians whose brutal suppression by the Catholic Church unleashed the Inquisition *The Cathars* Sean Martin,2014-03-28 Catharism was the most successful heresy of the Middle Ages Flourishing principally in the Languedoc and Italy the Cathars taught that the world is evil and must be transcended through a simple life of prayer work fasting and non violence They believed themselves to be the heirs of the true heritage of Christianity going back to apostolic times and completely rejected the Catholic Church and all its trappings regarding it as the Church of Satan Cathar services and ceremonies by contrast were held in fields barns and in people s homes Finding support from the nobility in the fractious political situation in southern France the Cathars also found widespread popularity among peasants and artisans And again unlike the Church the Cathars respected women and women played a major role in the movement Alarmed at the success of Catharism the Church founded the Inquisition and launched the Albigensian Crusade to exterminate the heresy While previous Crusades had been directed against Muslims in the Middle East the Albigensian Crusade was the first Crusade to be directed against fellow Christians and was also the first European genocide With the fall of the Cathar fortress of Monts gur in 1244 Catharism was largely obliterated although the faith survived into the early fourteenth century Today the mystique surrounding the Cathars is as strong as ever and Sean Martin recounts their story and the myths associated with them in this lively and gripping book
