**The Perfect Law of Liberty: Or, the Glory of God Revealed in the Gospel . ... Second Edition** William GADSBY,1819      **Sacra Pagina: James** Patrick J. Hartin,2023-06-13 In his commentary on the letter of James Hartin offers a unique approach toward understanding a much neglected writing Refusing to read the letter of James through the lens of Paul Hartin approaches the letter in its own right He takes seriously the address to the twelve tribes in the Dispersion 1 1 as directed to Jews who had embraced the message of Jesus and were living outside their homeland Israel At the same time Hartin shows how this letter remains true to Jesus heritage Using recent studies on rhetorical culture Hartin illustrates how James takes Jesus sayings and performs them again in his own way to speak to the hearers readers of his own world Hartin examines the text passage by passage while providing essential notes and an extensive explanation of the theological meaning of each passage The value of this commentary lies in its breadth of scholarship and its empathic approach to this writing The reader will discover new and refreshing insights into the world of early Christianity as well as a teaching that is of perennial significance      **James MacArthur New Testament Commentary** John MacArthur,1998-05-01 Faith without works is dead This truth which emphasizes the fact that spiritual fruit will accompany genuine belief lies at the heart of this epistle As captivating as it is convicting the book of James outlines the practical implications of a living faith The application it calls for is as pertinent today as it was in the first century Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical      *The Quest for Context and Meaning* Craig Alan Evans,James A. Sanders,Šěmaryahū Ṭalmōn,1997 This collection of studies is in honor of Professor James A Sanders a leading scholar in the fields of canon of Scripture textual criticism and intertextuality Contributors include leading scholars in these and related fields of study      **Liberty - the Perfect Law** Michael Angelo,2006-10 The author seeks to reveal the causes of order and disorder in our world and a definitive answer to that age old question Why is this happening The social and psychological concepts of the last century used to explain why events unfold the way they do are challenged as Mr Angelo walks us precisely and intelligibly through the constitution of The Perfect Law God s law to oversee His design for the perfection of mankind Back cover      The Gospel standard, or Feeble Christian's support ,1878      **The Epistle of James within Judaism** A. Boyd Luter,2024-06-06 In this volume A Boyd Luter initially makes the case that the Letter of James was the first New Testament document and that it was written for a primarily Messianic Jewish audience in the Diaspora Its early origin places James as the foundational Messianic Jewish Scripture of the new covenant era That however is a drastically different take on the letter s dating audience and purpose from the long held supersessionist view in which Israel is replaced by the church In the supersessionist understanding James is one of the later New Testament books originating supposedly at a time when it was already expected for the church to be symbolically the twelve tribes in the Diaspora And since a common first impression of the letter is that its style is reflective of Old Testament wisdom literature it was taken as dealing with practical

issues of the Christian life through a staccato format much like Proverbs Instead through the elegant literary vehicle of an overarching inverted parallel structure the Letter of James communicates its author s approach to issues among his Messianic Jewish audience related to spiritual growth and purity as well as putting away class based favoritism and the relationship between faith and works

**THE LETTER OF JAMES** Edward D. Andrews,2022-01-01 THE LETTER OF JAMES is the best known of the 27 New Testament books James is straightforward yet powerfully concerned with the actual doing rather than theory and ideas His letter is filled with unforgettable figures of speech and illustrations that it has become the go to book for the churchgoer and the church This admirably authentic verse by verse commentary makes every volume easy to understand and beneficial to your Christian life today Yet it also gives the reader a more in depth understanding of God s Word The author does not provide you with what he thinks feels or believes Instead he gives you what God said and what the Bible author meant by the words that he used The reader will also be given the historical context Bible backgrounds and any Bible difficulties

*Laws of the Spiritual Life* Basil William Maturin,1916

**Public Discussion of the Issues Between the Reorganized Church of Jesus Christ of Latter Day Saints and the Church of Christ (Disciples)** Edmund Levi Kelley,1913

**The Divine Nature** Ronald Alan Duskins,2000-09 This book reveals the hope that all of us need to know that everything will eventually work out together for our common good as a human race God guarantees it We will all end up loving cherishing and trusting one another by having the Divine Nature This book gives us how to obtain it in a personal way The reader will see that God loves everyone and shows us how we can love everyone too God wants us to know that a Utopia and Paradise is not too far off into the future and will be our HOME forever This book goes through the ways to achieve those results and just what part you and I have in developing the Divine Nature Please please please sit back and enjoy your journey of hope that will become reality someday as we as a human family journey to Utopia as our final destiny that no one can stop

**A New Literal Translation from the Original Greek, of All the Apostolical Epistles. With a Commentary, and Notes ... To which is Added, a History of the Life of the Apostle Paul ... By James Macknight ... The Fourth Edition. To which is Prefixed, an Account of the Life of the Author** ,1816

The Scottish Pulpit ,1833

*The Glory of Righteousness* Eduard Serediuc,2021-12-21 What is righteousness What is sin What was the purpose of the Law of Moses What is the difference between living under the law vs living under grace How can believers in Christ renew their minds effectively and what does that mean Do believers in Christ need to confess their sins If yes how should it be done and what is the importance of it If they don t need to confess their sins why not This book will have an extensive discussion about conscience righteousness sin law and grace mind renewal future sins confession of sins and the Lord s Supper As a general principle a lie does not become truth just because it has been propagated for hundreds of years throughout history or because most people have accepted it as truth From time to time the people of God need to re evaluate some of the existing doctrines in Christendom to see if they are really in line with the Word of God Some of the beliefs that you hold today as a

Christian might simply have been taken from your parents pastors friends and teachers without ever being challenged or questioned in a constructive way You re probably not even aware of it This book will give you an opportunity to re evaluate some of your beliefs and check again for yourself in the scripture and with an open mind if they are according to the scripture or not Living our lives here on earth from the spiritual realm and in the fullness of Christ is not something trivial that happens over night It is a process that requires intentionality sustained effort perseverance faith and patience It is a matter of personalized and applied knowledge about who we have become as sons and daughters of God We have become the heirs of everything that God has and joint heirs with Christ And the good news is that we already can partake right now of that inheritance existing in an invisible form all around us by knowledge of the Word of God and faith in that Word The training and education of our minds for our lives takes years and years of school and study Keeping our physical bodies fit and in a good shape or building our muscles takes time commitment and much exercise Likewise developing a life of power in the spirit and of continuously increasing glory requires time patience and commitment However this life is not without rewards here on earth I hope that this book will encourage you to fight the fight of faith in bringing that new person to the surface from inside out into full manifestation knowing that God already has given us in the spiritual realm everything we need to live the God life in abundance here on earth He is the one working in us both to will and to do His good pleasure and He s also the rewarder of our faith and diligent seeking of His kingdom     *The Scottish Christian Herald* ,1836     **The Letter of James** Douglas J. Moo,1985 Provides a section by section commentary on the New Testament book of James featuring discussion of primary themes individual verses and problems of interpretation and including information on authorship date and historical background     **The Lesson Commentary on the International Sunday-School Lessons for 1884** John Heyl Vincent,Jesse Lyman Hurlbut,2024-02-28 Reprint of the original first published in 1884     *Section 17 Wisdom from Above: Hebrews* Randall Kent Maxwell,2020-03-11 The letter to the Hebrews was written in about 68AD to Jewish Christians who needed to overcome the Gnostic doctrine of men In 2 years the mystery of the Gospel would be understood the Hidden manna fed The revelation that Christ has all authority in heaven and on earth would be impossible for humanity to deny The day of the Lord or the thousand years of the Kingdom of Heaven would be there Heb 10 25 and Christ would be identified to all humanity as the Lord of the Sabbath It would be time for Christians to have their Sabbath rest This thousand year age is broken up into two ages the first being 300 years and the later 700 years beginning anew in 2020 AD Eph 2 6 7 So for six thousand years the world was being prepared for its rest in the one thousand year Sabbath or the Kingdom of Heaven     *The Meaning of "the Perfect Law of Liberty" in James 1:25* Ralph Wilmer Gilbert,1950     **Oberlin Alumni Magazine** ,1914
