The Perfect Mistress ReShonda Tate Billingsley, 2016-07-05 Lauren Robinson knows exactly what it takes to be the perfect mistress She had a front row seat when she tagged along with her father on all of his extramarital trysts She loved keeping Daddy s special secrets but many family members especially her mother consider her an accomplice in helping break up their family Years later Lauren s mother Joyce whose health is failing cannot let go of the bitterness caused by her husband s philandering She continues to blame Lauren as does Lauren s brother The beautiful and the dark side of a love story Adrian Gabriel Dumitru, The book is trying to define the beautiful and the dark side from a man and a woman that are in love of each other but not as theory but as a result of analyzing facts that are happening on the timeline of the love story It s a book about a fairy tale with 2 lovely characters that are not understanding but also are not accepting that the meaning of

an abstract love or an impossible story is to enjoy only the beauty of what is going on. The 2 people from the essays get lost so many times that not even the people around them can't see if the story itself is real or not. But it's all a journey of accepting the beautiful and the dark side from the person that you love so much. After the first period when you are blinded by love, it comes the second episode when you see that you are not in love with a god but with a human being and just as you have millions of imperfections, the same has also that magic person that you fall in love with. It's a book that defines the fact that we should accept the things just as they are and love with an opened heart no matter what is going on. The nice part is that the book is not a collection of imaginary stories but essays that talk about a real story between 2 adults that wants to redefine and also restart their lives but in the end just enjoy the fact that they met losing any expectation at all as the story to become a real one. Today you are happy tomorrow you are not and the essays describes this in a very honest but also beautiful way all those amazing moments spent together.

[The Perfect Mistress](#) Victoria Alexander, 2011-02-01. Let 1 New York Times bestselling author Victoria Alexander sweep you away with her dazzling new romance in which one otherwise proper lady discovers that passion is her legacy. Widowed Julia Lady Winterset has inherited a book, a very shocking book that every gentleman in London seems to want. For a charismatic businessman it's a chance to build an empire. For a dashing novelist it could guarantee fame. But to a proud domineering earl it means everything. Harrison Landingham, Earl of Mountdale, can't let the obstinate Julia release the shameless memoir that could ruin his family's name. But the only way to stop her may be equally sordid if far more pleasurable. For his rivals are intent on seducing the captivating woman to acquire the book. And Harrison isn't the sort to back away from a competition with the stakes this high. Now the winner will claim both the scandalous memoirs and the heart of their lovely owner. Warm, witty and wise. Julia Quinn. New York Times bestselling author.

Freaked out Horror Tom Raimbault, 2015-01-02. Journey into a world of horror beyond your wildest expectations, a large collection of 24 short stories by author Tom Raimbault, a writer who delights in pushing the boundaries of macabre and horror. Witness the terror of being buried alive, a haunted pocket watch that torments its new owner, a disturbing mansion filled with grotesque paintings of clowns, a dark presence that resides in the furnace room, a family home that is suddenly under siege by a frightening stranger and much more. Each story is a disturbing portrait that is guaranteed to cause nightmares of your own. A public gallery is now open for your reading pleasure, a world of the strange, the macabre and the bizarre. Review by Hayley Sale of My Love of Reading on May 9 2011. This book is fantastic. With 25 stories I just found it great. I cannot wait until I can get a paperback copy as this is the type of book that you can read over and over again. And is handy to carry with you at all times as you will want to pick it up as often as you can. I spent hours sat reading story after story and then snuck stories in between doing jobs. I just love Tom's unique writing style and the Preface at the beginning of the book is almost like a story in itself. Tom has an incredible imagination and the way he conveys it to paper is just truly captivating. I could spend hours waffling on about each story but I feel that I would spoil too much for you. The

reader And I can't pick a favourite story either as it too close to call Fear of Needles however had me gripped and I had to read it all in one go The stories in this book really get your mind going and no matter what your age make you want to ensure your feet are tucked inside your duvet and think about what it is that goes bump in the night I must say that I'm very upset at not being one of those lucky co workers that received emails baring the words Hello All Review by Kipp Poe Speicher on April 2 2010 A unique Voice that needs to be heard This book is an amazing read filled with stories that will have you fearing the unknown and the dark once more Wrote in a voice that reminds me of the great lush movies of Vincent Price based on the works like Poe Some of the short stories even intertwine with each other *The Manual of How to Cheat on Your Wife*
