

UNLEARNING IS THE FIRST

*Some people say parenting is
simple once you become a parent.
But don't.*

*Some people think that
there is a perfect approach to
parenting.
But can one approach apply to
all children, all situations, all
times?*

*Some people believe that parenting is
instinctive. We learn from our parents.
But can we ignore the fact that times have
changed and parenting has become
further complicated by pace, pressure
and technology?*

*Perfect Parenting breaks the myths that
surround parenting. Drawing heavily on his expertise
of parents and children, Sushant Kalra
thinks and learns a new way to
parent and succeed.*
