**The Ultimate Dating System** Leonard Bustos, Leonardo Amorado, 2013-09-16 Most people tend to spend thousands of dollars marketing their homes or cars online yet if they're single they won't take the time or effort to professionally market themselves What's more important to your happiness This system shows you how to increase your value in the Interpersonal Marketplace by optimizing your presentation and using data and technology to market yourself like a famous celebrity If you've been searching for the love of your life and you haven't yet found them there are 7 main reasons why you probably haven't

- 1 You haven't met the right person and you'll know it when you do
- 2 You're very selective and you don't want to settle
- 3 You know or have met someone special but don't know how to connect or make them want you
- 4 You haven't defined the type of person you want to be in your life
- 5 You have little or no opportunities to meet someone special
- 6 You're worried the older you get the more difficult it becomes
- 7 All your efforts have been unsuccessful and frustrating for so long that you've almost given up

You're to the point where you're hardly making the effort anymore and you're hoping that someday if you're lucky the love of your life may magically appear What if I told you that you are about to discover the solution to all of these challenges I'm going to show you a very logical and revolutionary approach to dating that will greatly increase your chances of quickly selecting and connecting with your perfect partner I'm going to show you how to find them in the shortest time possible using the latest innovations in internet technology marketing and psychology The incredible feeling of being in love is without question one of life's ultimate experiences and the person you choose to be your partner is most likely the most important decision you will ever make in your life If you're single and feel a void in your life what's probably missing is life's most basic and primal instinct having a true lover in all of its shapes and forms I'm proud to show you the most logical and
