Perfect Recall New Stories:

Perfect Recall Ann Beattie, 2001-04-13 A collection of striking short stories filled with memorable characters from award winning author Ann Beattie. Peopled by characters struggling with second marriages, abandoning artistic aspirations or coming to terms with the betrayal of their own expectations, this collection of eleven stories from Ann Beattie makes it strikingly clear why she is known as one of American literature's most adept explorers and interpreters of the unraveling edges of life. *Miami Herald*. From the elegiac story 'The Famous Poet' to 'Amid Bougainvillea' in which two men trade ruminations about the odd experience of being cared for by those you are meant to serve, to 'The Big Breasted Pilgrim' wherein a famous chef gets a series of bewildering phone calls from George Stephanopoulos expressing Clinton's desire to dine at his house, to two stories in which family myths turn out to be both inaccurate and prescient. *Perfect Recall* comprises Beattie's most ambitious and complex work yet. *Short Story Index*, 2004

Conversations with Ann Beattie Dawn Trouard, 2007 Collected interviews with the quintessential New Yorker writer, author of such books as *The Doctor's House*, *Follies*, and *Falling in Place*. *Encyclopedia of the American Short Story* Abby H. P. Werlock, 2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present.

New Feminist Stories of Child Sexual Abuse Paula Reavey, Sam Warner, 2003 Child sexual abuse is a multifaceted event interpreted in many different ways in many different contexts. In *New Feminist Stories of Child Sexual Abuse*, contributors try to untangle some of the complex ways in which stories of child sexual abuse are translated through and into personal, professional, and social politics. The first section of the book explores the cultural and political landscape of child sexual abuse in Western and non-Western contexts. It examines the ways in which radical aspects of feminism can be undermined in Western cultures and how Westernised ideologies of childhood, sex, and gender have been used to structure discussions about child sexual abuse across the world. The second section traces the effects of these wider cultural and political narratives through the various contexts in which child sexual abuse is theorised and around which interventions in the lives of women are structured. It provides insights into how traditional approaches to understanding harm can be challenged and reworked in practice using alternative therapeutic models based on feminist post-structuralist agendas. Reworking earlier feminist analyses, *New Feminist Stories of Child Sexual Abuse* asks pertinent questions about how child sexual abuse is produced rather than merely represented in the ways we speak about it.
