Ogden, 2018-01-13 The names on the cast bronze plaques hanging in browse the National Baseball Hall of Fame embody the history and drama of the sport they are the royalty of baseball Yet many inductees believed their entry into the Hall was anything but guaranteed and even some who waited by the phone for the

fateful call to the Hall were stunned to hear the news Reactions to the call varied from stoicism to overwhelming emotion but for most of the 31 inductees interviewed in this book it was a moment of reflection and gratitude In other cases the call came years too late and family members received the posthumous honor Roger Maris Tom Clavin, Danny Peary, 2010-03-16 Tom Clavin and Danny Peary chronicle the life and career of baseball s natural home run king in the first definitive biography of Roger Maris including a brand new chapter to commemorate the fiftieth anniversary of his record breaking season Roger Maris may be the greatest ballplayer no one really knows In 1961 the soft spoken man from the frozen plains of North Dakota enjoyed one of the most amazing seasons in baseball history when he outslugged his teammate Mickey Mantle to become the game's natural home run king It was Mantle himself who said Roger was as good a man and as good a ballplayer as there ever was Yet Maris was vilified by fans and the press and has never received his due from biographers until now Tom Clavin and Danny Peary trace the dramatic arc of Maris s life from his boyhood in Fargo through his early pro career in the Cleveland Indians farm program to his World Series championship years in New York and beyond At the center is the exciting story of the 1961 season and the ordeal Maris endured as an outsider in Yankee pinstripes unloved by fans who compared him unfavorably to their heroes Ruth and Mantle relentlessly attacked by an aggressive press corps who found him cold and inaccessible and treated miserably by the organization After the tremendous challenge of breaking Ruth's record was behind him Maris ultimately regained his love of baseball as a member of the world champion St Louis Cardinals And over time he gained redemption in the eyes of the Yankee faithful With research drawn from more than 130 interviews with Maris s teammates opponents family and friends as well as 16 pages of photos some of which have never before been seen this timely and poignant biography sheds light on an iconic figure from baseball s golden era and establishes the importance of his role in the game's history **Lefty and Tim** William C. Kashatus,2022-06 Lefty and Tim is the dual biography of Hall of Fame pitcher Steve Lefty Carlton and catcher Tim McCarver detailing their relationship from 1965 when they played with the St Louis Cardinals through 1980 when they played for the Philadelphia Phillies Along the way McCarver became Carlton s personal catcher and together they became the best battery in baseball in the mid to late 1970s At first glance Carlton and McCarver appear like an odd couple McCarver was old school Carlton new age At the beginning of his career McCarver believed that the catcher called the pitches encouraged the pitcher when necessary and schooled the pitcher when he deviated from the game plan But Lefty who pioneered the use of meditation and martial arts in baseball was stubborn too He wanted to control pitch selection Over time Carlton and McCarver developed a strong bond off the diamond that allowed them to understand and trust each other In the process Steve Carlton became one of the greatest left handers in the history of Major League Baseball an achievement that would not have been possible without Tim McCarver as his catcher Not only did McCarver mentor Carlton as a young hurler with the Cardinals but he helped resurrect Carlton's career when they were reunited in Philadelphia midseason in 1975 Carlton won his second Cy Young Award with McCarver behind the plate in 1977
