The Graphic Story Of The Ramones* Jim McCarthy,Brian Williamson,2013-10-11 The Ramones were the hard hitting New York punk band that erupted in nervy 1974 when a serial killer terrorised the city and civic bankruptcy loomed From their beginnings in Queens and the burgeoning punk scene at CBGB s through the excitement of their first album a brush with Phil Spector and more than two thousand concerts over a 22 year period The Ramones always were a force to be reckoned with This is their full story told in dramatic graphic style the in fighting the deaths of three founding members their influence on British bands like The Sex Pistols and The Clash the induction into the Rock and Roll Hall of Fame and finally a Grammy Lifetime Achievement Award **Churchill and Roosevelt: The Big Sleepover at the White House** James Mikel Wilson,2015-10-17 Churchill and Roosevelt *The Big Sleepover at the White House* received the 2018 Author Academy Award in Historical Fiction A London playwright has converted the work to a stage play with plans to premiere in England in 2019 or early 2020 This book was written for those who enjoy history and political intrigue It will appeal to those who enjoy reading about leadership particularly in an arena where differences in political views temperament and agenda had to be overcome Without collaboration and compromise the world as we presently know it might be considerably different Even though the story occurred over 75 years ago the protagonists speak in first person voice not knowing the outcome of the crisis they must confront Readers may not have known that Winston Churchill visited Franklin Roosevelt two weeks after Japan bombed Pearl Harbor Roosevelt insisted that Winston sleep in the White House The two men had much in common more than they realized

There are plenty of other surprises along the way a chance encounter with Adolph Hitler a fishing expedition a shared mentor a favorite movie a movie producer spy Commander Ian Fleming s visit to the Oval Office and canine diplomacy to name but a few During their time together Churchill and Roosevelt shared many private moments as they forged a bond of friendship trust and cooperation that enabled them to defeat their countries common enemies How their relationship evolved is dramatized and personified in this book Most of the narrative is based on documentation but what went on behind the view of the public eye is subject to the imagination and suspense The author fleshes out the story with conversations that may have occurred over the course of three weeks but not necessarily provable Lastly the writer sets out to humanize these two epic leaders of the 20th century He reveals not only their fears and tears but also their joys humor passions temperaments and schemes He attempts to break into their minds as the two men join together to save the Western world from ruin The author has also published *Paw Tracks Here and Abroad A Dog s Tale* 2014 and *Mr Froggy s Dilemma* 2018 Website [www.jamesmikelwilson.com](http://www.jamesmikelwilson.com)
