Completely revised and updated, it delves more deeply into topics covered in the first edition, winner of the 2007 AJN Book of the Year award. As the CNS role continues to evolve, opportunities and challenges will emerge. Readers gain valuable insight and learn effective strategies to manage the day-to-day responsibilities and complexities associated with continuous quality improvement, patient safety initiatives, chairing meetings, and teaching. The text provides practical advice using real-world CNS scenarios to facilitate learning and positively influence care outcomes. It also contains information and tools to help students expand their knowledge and succeed professionally. Chapters address issues such as workplace violence, professional and personal development, and performance appraisal. Practical suggestions, resources, and examples. Case studies of real-life hospital situations. Newly revised PowerPoint slides to help educators initiate discussions.
