Arcadi Boix Camps

Perfume Fantasies:

Ethnologia Europea vol. 40:1 , The Smell Culture Reader Jim Drobnick, 2024-11-01 Smell is fundamental to experience but mired in paradox Stigmatized as animalistic it nonetheless feeds a vast fragrance and marketing industry Considered ephemeral scents have survived throughout the ages in a number of religious practices The Smell Culture Reader provides a much needed overview of what is arguably the most elusive sense From hygiene to aromatherapy the fetid to the fragrant smells are shown to be much more than just an adornment or a nuisance Addressing this engaging sense in redolent detail The Smell Culture Reader demonstrates how essential smell is to sexuality social status personal identity and cultural tradition **Seven Scents** Dorothy P. Abram, 2017-06-21 Examining the psychoactive nature of seven aromatic plants this book centres on scent as a line of inquiry in the exploration of spiritual and healing states Offering an exciting entry into the complexities of human experience this book also makes reference to Biblical Greek and Hindu stories and reveals new dimensions of knowledge *Art Scents* Larry E. Shiner, 2020 In the last twenty years there has been a marked increase in artists using smells in their works at the same time that scents are being used to accompany plays films and music There is also an increase in ambient scenting in stores and hotels and leading chefs are adding unusual scents to cuisine The book explores these olfactory activities and the aesthetic and ethical issues they raise as well as answering the traditional disparagement of the sense of smell by leading intellectuals such as Kant Darwin and Freud drawing on current science social science and humanities as well as literature **Perfume** Lizzie Ostrom, 2016-12-06 Join Lizzie Ostrom on an olfactory adventure as she explores the trends and crazes that have shaped the way we've spritzed One hundred perfumes and scents in all their fragrant glory reveal a fascinating social history of the past century From the belle époque through the swinging sixties to the naughty nineties and beyond Ostrom brings intelligence and wit to this most ravishing of subjects There was the patriotic impact of English Lavender during World War I and perfumes that captured the Egyptomania of the 1920s Estée Lauder created Youth Dew and with it distilled the essence of 1950s suburbia Patchouli oil the anti perfume of the 1960s was sure to keep money out of the hands of corporations and the man And who could forget the fervor created by the grunge androgyny of CK One Scent is truly the passport to memory making Perfume both a lush treat and an insightful examination of the twentieth century through the most mysterious of the five senses The Ephemeral History of Perfume Holly Dugan, 2011-09-14 In contrast to the other senses smell has long been thought of as too elusive too fleeting for traditional historical study Holly Dugan disagrees arguing that there are rich accounts documenting how men and women produced consumed and represented perfumes and their ephemeral effects She delves deeply into the cultural archive of olfaction to explore what a sense of smell reveals about everyday life in early modern England In this book Dugan focuses on six important scents incense rose sassafras rosemary ambergris and jasmine She links these smells to the unique spaces they inhabited churches courts contact zones plague ridden households luxury markets and pleasure gardens and the objects used

to dispense them This original approach provides a rare opportunity to study how early modern men and women negotiated the environment in their everyday lives and the importance of smell to their daily actions Dugan defines perfume broadly to include spices flowers herbs animal parts trees resins and other ingredients used to produce artificial scents smokes fumes airs balms powders and liquids In researching these Renaissance aromas Dugan uncovers the extraordinary ways now largely lost that people at the time spoke and wrote about smell objects ambered civited expired fetored halited resented and smeeked or were described as breathful embathed endulced gracious halited incensial odorant pulvil redolent and suffite A unique contribution to early modern studies The Ephemeral History of Perfume is an unparalleled study of olfaction in the Renaissance a period in which new scents and important cultural theories about smell were developed Dugan s inspired analysis of a wide range of underexplored sources makes available to scholars a remarkable wealth of information on the topic

Make Natural Perfume Hazel Croft, AI, 2025-02-12 Make Natural Perfume guides readers through crafting personalized fragrances using essential oils and natural aromatics offering a sustainable and healthier alternative to commercial perfumes It explores perfume making techniques including scent blending and perfume formulation empowering individuals to create unique scents from home The book highlights the historical significance of natural ingredients in perfumery and the scientific principles behind aroma creation This design focused approach to fragrance creation provides a step by step guide beginning with the history and science of perfumery and then delving into the properties of various botanical extracts Did you know that understanding the chemical composition of essential oils can help you predict how scents will interact Or that perfumery has roots in ancient civilizations The book emphasizes crafting perfume as an accessible creative outlet challenging the notion that it s a complex professional endeavor Progressing chapter by chapter Make Natural Perfume covers essential oils absolutes fragrance composition and different perfume formats It culminates with recipes and DIY projects allowing readers to immediately apply their newfound knowledge

Beautiful SCENT Joachim Mensing, 2023-07-07 This book will make you a perfume insider Discover the effects trends and future of perfume Perfumery is on the verge of its third revolution neuroperfumery due to new methods of brain research and current findings in fragrance psychology With this exciting and well written book you will gain a comprehensive insight into the creation world and practice of modern perfumery as well as interesting insider information Current findings in psychology aromatherapy brain research and neuroperfumery on the effects of fragrances make Beautiful SCENT a treasure trove of new insights As a non fiction book with an advice component it is easy to read without prior knowledge and provides many practical tips Among other things you will learn that some perfumes can do much more than just smell good how perfumers and marketers create their perfumes which scent preferences prevail and how the effect of scent can specifically influence one s own experience and enjoyment of life Target groups All those who love perfumes and fragrances and would like to learn more about the magical effect of perfumes on well being and perhaps play with the idea of creating their own perfume one day It is

also ideal for those who work in the fragrance cosmetics and beauty industry and would like to refresh their knowledge of perfumes About the author Dr Joachim Mensing is a qualified psychologist sociologist and trained nose with over 30 years of professional experience in perfumery and fragrance therapy At one of the largest fragrance manufacturers he became a trend coach for perfumers and developed methods of perfume development and marketing Many of the perfumes he worked on received coveted awards such as the Fifi Award the Oscar for perfumes He himself received the honorary award of the FRAGRANCE FOUNDATION for the development and marketing of the perfumes Cool Water by Davidoff Joop and Jil Sander and he was also recognized for studies in neuroperfumery and neuropsychology **Why It Sells** Marcel Danesi,2008

Marcel Danesi is an entertaining and insightful tour guide to decoding the messages woven into the advertisements commercials brand names and logos we see on a daily basis Guiding readers through the basics of how to interpret ads Danesi explores everything from product and package design to jingles cyberadvertising ad campaigns global impacts culture jamming and advertising effects Why It Sells will fascinate and inform all readers interested in how ads marketing and branding take hold in the consumer psyche *Fantasy Realm: A Journey Through Art and Verse* Pasquale De
