The Perfumed Garden of Sensual Delight Muhammad ibn Muhammad Al-Nafzawi, 2013-12-19 The Perfumed Garden of Sensual Delight has a bad reputation and a tattered history For over a century it has been known in English through Sir Richard Burton's bizarre translation from the French which consistently elaborated and misinterpreted the original If ever a book needed demystifying it is this one Although remarkably lewd at times it does not linger over details nor does it contrive to excite It does not therefore qualify as pornography In fact The Perfumed Garden of Sensual Delight is nothing more than a manual for the ordinary married man of its author's time and place Tunisia in the early part of the 15th century but one that is not without some entertainment value The present translation is not only the first published English version to be based upon an established Arabic text but also the first to be translated directly from the original Arabic at all First published in 1999 Routledge is an imprint of Taylor Francis an informal company

*A Political Biography of the Indonesian Lesbian, Bisexual and Trans Movement* Saskia Wieringa, 2024-04-04 Here the history of the Indonesian LBT movement is charted from invisibility to visibility and now as it moves again into hiding In the early 1980s during the oppressive military dictatorship called the New Order in Indonesia the first organizations of Lesbian Bisexual and Trans persons were established They were short lived but prepared the ground for a more comprehensive LBT rights movement after the democratic opening of society in 1998 From 2000 to 2015 the visibility of the movement grew until a vicious state sponsored backlash set in driven by majoritarian fundamentalist Islamist groups Saskia Wieringa tracks the movement's progress and explores the persistence of the butch femme model of relationships the proliferations of identities

family violence and conversion therapy religion and the anti LGBT campaign In its insistence on the local dynamics of this movement the book aims to debunk the idea that homosexuality is a Western import Chapters deal with the many religious and secular phenomena that are linked with gender diversity and same sex relations traditionally and the erasure of many of these traditions is explained using the concept of postcolonial amnesia A Political Biography of the Indonesian Lesbian Bisexual and Trans Movement is also a contribution to the growing literature on decolonization studies pointing out that its dynamics its historical course and its present condition different as they are from the dominant Western view on a global LGBT movement needs to be considered as valuable as accounts of Western LGBT histories are **"The" Life of Captain**

Feras Alkabani,2024-09-19 In the 19th and early 20th centuries the Arabic speaking regions of the Ottoman Empire saw a crucial change in attitudes towards sexuality Notions of respectability propriety and sexual morality were being transformed in literary and cultural discourses a shift that was related to the gradual rise in anti Ottoman Arab nationalism However contemporary Orientalists such as Sir Richard Burton and T E Lawrence were oblivious to certain aspects of this process of cultural reconfiguration While accounts of male love poetry ghazal al mudhakkar were being gradually expurgated from the Arab literary heritage elaborate narratives of Oriental homoerotic desire distinctively characterise the encounters of both Burton and Lawrence with the Arab East By comparing their literary and autobiographical accounts of the Arab Orient with contemporary Arabic literature Feras Alkabani is able to expose this critical disparity in cross cultural portrayals of sexual morality and homoerotic desire Alkabani relates the conflicting agendas of contemporary Orientalists and Arab scholars to the shifts in international imperial power relations and the eventual collapse of the Ottoman Empire His detailed comparative study reveals the significance of homoerotic desire within Orientalist and Arab literary discourses at a time when the meaning and connotations of poetic male love were undergoing a critical change in Arab culture and literature It will prove invaluable for those researching Orientalism nationalism imperialism and manifestations of homoerotic desire in the fin de si cle Middle East Encyclopedia of Literary Translation Into English: A-L O.
