Perilous Pursuits Overcoming Our Obsession With Significance:

Perilous Pursuits Joseph Stowell, 2004-03-01 Ever since birth we've been told we're nobody unless we're number one. But now that we've so dutifully mastered the ability to defend our self-worth, this book shows why we must learn to forget it and redirect search for significance to the one true source of value: Jesus Christ. *The Trouble with Jesus* Joseph M. Stowell, 2004-05-01 Our pluralistic society accepts all except Jesus. Joseph Stowell brings to light our need to be undaunted advocates for Jesus in a world that has no tolerance for Him or His followers. How do you reach those who do not have a church background or are openly hostile to the good news of Jesus Christ? Would you miss church to go fishing with your colleague at work? What should or would you do when golfing with three non-believing friends and they want to play for prize money? Joseph Stowell's style is biblical and insightful but always within reach of today's reader. **Joy of Christmas** Moody Publishers, Moody Press, 1999-10 Celebrate the real meaning of the season in *The Joy of Christmas*. This unique little volume presents Scripture, poems, stories, and carols alongside beautiful full-color illustrations. Contributors include Max Lucado, Charles Dickens, William Shakespeare, Chuck Swindoll, Joseph Stowell, and many others. Enjoy the real beauty of the season with this delightful gift book. *Books In Print 2004-2005* Ed Bowker, Staff, Ed, 2004 **Subject Guide to Books in Print**, 1997 **New York Magazine**, 1989-05-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.
