50 Years of Peril Byron S. Brown, 2017-08-07 Byron Brown has written an excellent semi autobiographical message that resonates with the reader His excellent details in explaining his story his journey his troubles and his ultimately successful outcome all within the backdrop of a memoir of respect and admiration for his father is yet another masterpiece accomplished by the author Mr Brown laments in the story the loss of his father in a tragic accident Although no fault of the senior Mr Brown the tragic event led to many perils and what ifs for the son Yet in Fifty Years of Peril One Day of Illumination that Made the Difference Byron Brown writes fearlessly in telling his story This project was designed to coincide with the 50th anniversary of the death of Mr

Samuel George Brown Byrons father It is indeed an honor and a tribute to the man that Byron missed while growing up For the reader of this story you are in for a treat Stephen J LaBrie MBA Howard University *American Culture in Peril* Charles W. Peril in Paris Rhys Bowen, 2023-10-03 Lady Georgiana Rannoch and her dashing husband Darcy are awaiting a bundle of joy but an unexpected trip to Paris will thrust them straight into a tangled web of international intrigue in the next mystery of the New York Times bestselling Royal Spyness series from Rhys Bowen What a delight it is to finally be able to enjoy a simple meal again I have been in the throes of morning sickness for the last few months as Darcy and I prepare to welcome a brand new addition to our little family Now that I am feeling better I have realized I am dreadfully bored Happily it seems that Darcy has read my mind When I receive a letter from my glamorous best friend Belinda Darcy suggests we take a trip to Paris to visit her It seems he also has a spot of business to take care of so I

will be staying in Belinda's flat as she works feverishly on Coco Chanel's fall collection. I happen to know Coco from a disastrous encounter in Nice years ago and I am hoping this visit will go much more smoothly. But I soon learn that nothing about my time in Paris is going to be simple or safe for that matter. Darcy has asked me to take on a small chore as a part of his latest assignment: I am to covertly retrieve something from an attendee of Coco's show. It seems easy enough, but I discover that this little errand could have terrifying consequences for a world on the brink of war. When things go horribly wrong, I am left to find a killer all while trying to fend off a French policeman who is certain that I am a criminal mastermind. But I have no plans to deliver my darling little one in a prison cell, and so I will muster every ounce of my courage to save the day and quite possibly the world.
