

GARETH PORTER

"This illuminating and wonderfully subversive book is, without a doubt, the most important contribution to the history of U.S. national security policy to appear in the past decade."—Andrew J. Bacevich, *The Nation*

PERILS OF DOMINANCE

**IMBALANCE OF POWER AND THE ROAD TO
WAR IN VIETNAM**

Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam

Lien-Hang T. Nguyen

Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam:

Perils of Dominance Gareth Porter, 2005-06-13 In a new interpretation of how and why the United States went to war in Vietnam the author challenges conventional wisdom about the origins of the war arguing that U S policy decisions were shaped by an imbalance of military power favoring the U S over the Soviet Union and China a factor that is also relevant to the current U S intervention in Iraq

Vietnam Gary R. Hess, 2015-05-26 Now available in a completely revised and updated second edition Vietnam Explaining America's Lost War is an award winning historiography of one of the 20th century's seminal conflicts Looks at many facets of Vietnam War examining central arguments of scholars journalists and participants and providing evidence on both sides of controversies around this event Addresses key debates about the Vietnam War asking whether the war was necessary for US security whether President Kennedy would have avoided the war had he lived beyond November 1963 whether negotiation would have been a feasible alternative to war and more Assesses the lessons learned from this war and how these lessons have affected American national security policy since Written by a well respected scholar in the field in an accessible style for students and scholars

America in Vietnam Herbert Y. Schandler, 2009-08-16 This controversial and timely book about the American experience in Vietnam provides the first full exploration of the perspectives of the North Vietnamese leadership before during and after the war Herbert Y Schandler offers unique insights into the mindsets of the North Vietnamese and their response to diplomatic and military actions of the Americans laying out the full scale of the disastrous U S political and military misunderstandings of Vietnamese history and motivations Including frank quotes from Vietnamese leaders the book offers important new knowledge that allows us to learn invaluable lessons from the perspective of a victorious enemy Unlike most military officers who served in Vietnam Schandler is convinced the war was unwinnable no matter how long America stayed the course or how many resources were devoted to it He is remarkably qualified to make these judgments as an infantry commander during the Vietnam War a Pentagon policymaker and a scholar who taught at West Point and National Defense University His extensive personal interviews with North Vietnamese are drawn from his many trips to Hanoi after the war Schandler provides not only a definitive analysis of the American failure in Vietnam but a crucial foundation for exploring the potential for success in the current guerrilla wars the United States is fighting in Iraq and Afghanistan

The Long War Andrew J. Bacevich, 2009-06-22 Essays by a diverse and distinguished group of historians political scientists and sociologists examine the alarms emergencies controversies and confusions that have characterized America's Cold War the post Cold War interval of the 1990s and today's Global War on Terror The developments of this Long War have left their imprint on virtually every aspect of American life and by considering the period as a whole this volume is the first to take a truly comprehensive look at America's response to the national security crisis touched off by the events of World War II Contributors consider topics ranging from grand strategy and strategic bombing to ideology and economics and assess the changing American way of war as the twentieth century

progressed They evaluate the evolution of the national security apparatus and the role of dissenters who viewed the activities of that apparatus with dismay and they take a fresh look at the Long War's civic implications and its impact on civil military relations More than a military history The Long War examines the ideas policies and institutions that have taken shape since the United States claimed the role of global superpower In breaking down the old and artificial boundaries that have traditionally divided the postwar period into neat historical units this volume offers fresh perspectives on the current state of American national security

Replacing France Kathryn Statler, 2007-06-22 Using recently released archival materials from the United States and Europe *Replacing France* The Origins of American Intervention in Vietnam explains how and why the United States came to assume control as the dominant western power in Vietnam during the 1950s Acting on their conviction that American methods had a better chance of building a stable noncommunist South Vietnamese nation Eisenhower administration officials systematically ejected French military economic political bureaucratic and cultural institutions from Vietnam Kathryn C Statler examines diplomatic maneuvers in Paris Washington London and Saigon to detail how Western alliance members sought to transform South Vietnam into a modern westernized and democratic ally but ultimately failed to counter the Communist threat Abetted by South Vietnamese prime minister Ngo Dinh Diem Americans in Washington D C and Saigon undermined their French counterparts at every turn resulting in the disappearance of a French presence by the time Kennedy assumed office Although the United States ultimately replaced France in South Vietnam efforts to build South Vietnam into a nation failed Instead it became a dependent client state that was unable to withstand increasing Communist aggression from the North *Replacing France* is a fundamental reassessment of the origins of U S involvement in Vietnam that explains how Franco American conflict led the United States to pursue a unilateral and ultimately imperialist policy in Vietnam

The Cambridge Companion to John F. Kennedy Andrew Hoberek, 2015-04-27 *The Cambridge Companion to John F Kennedy* explores the creation and afterlife of an American icon

Liberty's Surest Guardian Jeremi Suri, 2012-07-17 The American nation building creed Reconstruction after civil war Reconstruction after empire Reconstruction after fascism Reconstruction after Communist revolution Reconstruction after September 11 Conclusion The future of nation building

The Second Indochina War William S. Turley, 2008-10-17 Now in a thoroughly revised and updated edition this classic history of the Vietnam War as seen by all participants takes into account the wealth of research and writing on the war since the book's original publication more than two decades ago Leading scholar William S Turley combines original research thorough knowledge of the literature his own insight from many trips to Vietnam during and since the war and sound interpretation into a succinct and well crafted analysis that provides balanced treatment of the Vietnamese Lao Khmer and American dimensions of the war

Triumph Forsaken Mark Moyar, 2006-08-28 Drawing on a wealth of new evidence from all sides *Triumph Forsaken* first published in 2007 overturns most of the historical orthodoxy on the Vietnam War Through the analysis of international perceptions and power it shows that South Vietnam was a vital interest of the United States The

book provides many insights into the overthrow of South Vietnamese President Ngo Dinh Diem in 1963 and demonstrates that the coup negated the South Vietnamese government's tremendous and hitherto unappreciated military and political gains between 1954 and 1963. After Diem's assassination, President Lyndon Johnson had at his disposal several aggressive policy options that could have enabled South Vietnam to continue the war without a massive US troop infusion, but he ruled out these options because of faulty assumptions and inadequate intelligence, making such an infusion the only means of saving the country. *Waging War, Planning Peace* Aaron Rapport, 2015-05-07. As the US experience in Iraq following the 2003 invasion made abundantly clear, failure to properly plan for risks associated with postconflict stabilization and reconstruction can have a devastating impact on the overall success of a military mission. In *Waging War Planning Peace*, Aaron Rapport investigates how US presidents and their senior advisers have managed vital noncombat activities while the nation is in the midst of fighting or preparing to fight major wars. He argues that research from psychology, specifically construal level theory, can help explain how individuals reason about the costs of postconflict noncombat operations that they perceive as lying in the distant future. In addition to preparations for Phase IV in the lead up to the Iraq War, Rapport looks at the occupation of Germany after World War II, the planned occupation of North Korea in 1950, and noncombat operations in Vietnam in 1964 and 1965. Applying his insights to these cases, he finds that civilian and military planners tend to think about near-term tasks in concrete terms, seriously assessing the feasibility of the means they plan to employ to secure valued ends. For tasks they perceive as further removed in time, they tend to focus more on the desirability of the overarching goals they are pursuing rather than the potential costs, risks, and challenges associated with the means necessary to achieve these goals. Construal level theory, Rapport contends, provides a coherent explanation of how a strategic disconnect can occur. It can also show postwar planners how to avoid such perilous missteps. **A Companion to Lyndon B. Johnson** Mitchell B.

Lerner, 2012-02-13. This companion offers an overview of Lyndon B. Johnson's life, presidency, and legacy, as well as a detailed look at the central arguments and scholarly debates from his term in office. Explores the legacy of Johnson and the historical significance of his years as president. Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam. Incorporates the dramatic new evidence that has come to light through the release of around 8,000 phone conversations and meetings that Johnson secretly recorded as President.

Hanoi's War Lien-Hang T. Nguyen, 2012. Examines international context in which North Vietnamese leaders pursued the war from peace negotiations in Paris to high-level meetings in Beijing and Moscow, all to reveal peace never had a chance in Vietnam. *Elbridge Durbrow's War in Vietnam* Ronald Bruce Frankum, Jr., 2019-08-23. Elbridge Durbrow served as the third United States ambassador to the Republic of Vietnam from 1957 to 1961. His relationships with Vietnamese president Ngo Dinh Diem and members of the Military Assistance Advisory Group in Saigon helped to shape his tenure in office, which ultimately concluded with his decision to end his support for the Vietnamese leader as well as turn away from the American

military representatives who had earned Ngo Dinh Diem's trust. This triangular relationship was mired in clashes of ego and personality that often interfered with the American decision making process. Durbrow and his embassy staff rather than work with the Vietnamese leadership chose to focus on the negative and reported to Washington only those items that reinforced this perspective. They created an atmosphere of distrust and anxiety that neither the Americans nor Vietnamese could overcome in the 1960s and helped to create the conditions for greater United States involvement in Southeast Asia.

Making Sense of the Vietnam Wars Mark Philip Bradley, Marilyn B. Young, 2008-04-30 Making sense of the wars for Vietnam has had a long history. The question why Vietnam dominated American and Vietnamese political life for much of the length of the wars and has continued to be asked in the decades since they ended. This volume brings together the work of eleven scholars to examine the conceptual and methodological shifts that have marked the contested terrain of Vietnam War scholarship. Editors Marilyn Young and Mark Bradley's superb group of renowned contributors spans the generations including those who were active during wartime along with scholars conducting research in Vietnamese sources and uncovering new sources in the United States, former Soviet Union, China and Eastern and Western Europe. Ranging in format from top down reconsiderations of critical decision making moments in Washington, Hanoi and Saigon to microhistories of the war that explore its meanings from the bottom up, these essays comprise the most up to date collection of scholarship on the controversial historiography of the Vietnam Wars.

JFK and de Gaulle Sean J. McLaughlin, 2019-08-20 America's road to disaster in Vietnam has been endlessly chronicled but Sean L. McLaughlin takes a fresh approach to that familiar story. James Hershberg, George Washington University. Despite French President Charles de Gaulle's persistent efforts to constructively share French experience and use his resources to help engineer an American exit from Vietnam, the Kennedy administration responded to de Gaulle's peace initiatives with bitter silence and inaction. The administration's response ignited a series of events that dealt a massive blow to American prestige across the globe, resulting in the deaths of over fifty-eight thousand American soldiers and turning hundreds of thousands of Vietnamese citizens into refugees. This history of Franco-American relations during the Kennedy presidency explores how and why France and the US disagreed over the proper western strategy for the Vietnam War. France clearly had more direct political experience in Vietnam but France's postwar decolonization cemented Kennedy's perception that the French were characterized by a toxic mixture of shortsightedness, stubbornness and indifference to the collective interests of the West. At no point did the Kennedy administration give serious consideration to de Gaulle's proposals or entertain the notion of using his services as an honest broker in order to disengage from a situation that was rapidly spiraling out of control. Kennedy's Francophobia, the roots of which appear in a selection of private writings from Kennedy's undergraduate years at Harvard, biased his decision making. This book explores how the course of action Kennedy chose in 1963, a rejection of the French peace program, all but handcuffed Lyndon Johnson into formally entering a war he knew the United States had little chance of winning.

Deceit on the Road to War John M.

Schuessler,2015-07-31 In Deceit on the Road to War John M Schuessler examines how U S presidents have deceived the American public about fundamental decisions of war and peace Deception has been deliberate he suggests as presidents have sought to shift blame for war onto others in some cases and oversell its benefits in others Such deceit is a natural outgrowth of the democratic process in Schuessler s view because elected leaders have powerful incentives to maximize domestic support for war and retain considerable ability to manipulate domestic audiences They can exploit information and propaganda advantages to frame issues in misleading ways cherry pick supporting evidence suppress damaging revelations and otherwise skew the public debate to their benefit These tactics are particularly effective before the outbreak of war when the information gap between leaders and the public is greatest When resorting to deception leaders take a calculated risk that the outcome of war will be favorable expecting the public to adopt a forgiving attitude after victory is secured The three cases featured in the book Franklin Roosevelt and World War II Lyndon Johnson and the Vietnam War and George W Bush and the Iraq War test these claims Schuessler concludes that democracies are not as constrained in their ability to go to war as we might believe and that deception cannot be ruled out in all cases as contrary to the national interest **For the Soul of Mankind**

Melvyn P. Leffler,2007-09-18 What caused the Cold War in the first place and why did it last as long as it did Melvyn P Leffler homes in on four crucial episodes when American and Soviet leaders considered modulating avoiding or ending hostilities and asks why they failed The Iran-Iraq War Stephen C. Pelletiere, Bartleby com presents the Columbia Encyclopedia entry for the Iran Iraq War The war between Iran and Iraq began in 1980 with the Iraqi land and air invasion of Iran The war ended with a peace settlement in August of 1988 **The Iran-Iraq War** Jerome Donovan,2010-12-08 In a

tradition that dates back to the time of Thucydides and the Peloponnesian War the systematic examination of conflict and war has long been a preoccupation of political scientists seeking to resolve the enduring question Why do wars occur This study directly engages this question with a specific focus on explaining the conflict between Iran and Iraq arguably the longest and one of the more costly conventional wars of the twentieth century Explaining the systemic nature of conflict within the Middle East and specifically between Iran and Iraq the book illustrates how IR theory can be utilised in explaining conflict dynamics in the Middle East The author s integrated approach to understanding interstate conflict escalation demonstrates that when taken together issues interaction and power capabilities lend themselves to a much richer account of the dyadic relationship between Iran and Iraq in the lead up to war in 1980 Addressing a disparity between international relations and Middle Eastern area studies this book fills an important gap in the existing scholarly literature on the causes of war As such it will be of great interest to scholars of peace and conflict studies Middle Eastern studies and International Relations

The American War in Vietnam John Marciano,2016-08 On May 25 2012 President Obama announced that the United States would spend the next thirteen years commemorating the 50th anniversary of the Vietnam War and the more than 58 000 patriots who died there The fact that 3 million Vietnamese soldiers parents grandparents children also died will be

largely unknown and entirely uncommemorated U S history barely stops to record the millions of Vietnamese who lived on after being displaced tortured maimed raped or born with birth defects the result of devastating chemicals wreaked on the land by the U S military The reason for this disconnect lies in an unrelenting public relations campaign waged by top American politicians military leaders business people and scholars who have spent the last sixty years justifying the U S presence in Vietnam The American War in Vietnam challenges all of us to stop the ongoing U S war on actual history Marciano reveals the grandiose flag waving that stems from the Noble cause principle the notion that America is chosen by God to bring democracy to the world The result is critical writing and teaching at its best This book will provide students everywhere with insights that can prepare them to change the world Cover

Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam Introduction

In today's digital age, the availability of *Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, *Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books,

including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam books and manuals for download and embark on your journey of knowledge?

FAQs About Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam Books

What is a Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or

save PDFs in different formats. **How do I password-protect a Perils Of Dominance Imbalance Of Power And The Road To War In Vietnam PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
