Croteau,2010-02-01 Tithing is a well known church practice in our day and age but do church goers really practice it When  
did the concept of tithing begin How is it justified What does the Bible say about it You Mean I Don t Have to Tithe is a  
detailed study on the controversial topic of tithing covering over 2 000 years of well known theologians regarding this topic

*Testament Tongues* Maurice E. Vellacott,2024-11-11 This book is a groundbreaking paradigm shifting look at the languages  
tongues problem gl ssai of the first century AD Corinthian church It adduces that in a multilingual setting new converts were  
expressing themselves in their native dialect without translation where Koine Greek was not yet overriding all regional  
dialects This cuts against the idea that tongues were supernatural earthly languages an idea not found before AD 160  
Vellacott also argues against the view that tongues were heavenly languages as claimed by Pentecostals Charismatics This he  
says is a novel trend started about 145 years ago by German higher critical scholars and seized upon after the 1906 15 Los  
Angeles Azusa Street Revival s supposed supernatural earthly languages proved to be a mirage whereupon a redefinition to  
heavenly angelic non earthly languages occurred This book soundly establishes the credibility of an ancient third view  
regarding tongues that they were non supernatural learned earthly languages The author endeavors to demonstrate that this  
is the earliest known Christian interpretation of New Testament tongues languages     **A Short History of the Christian**
