Women's University Fiction, 1880-1945 Anna Bogen,2015-10-06 The rise of the middle classes brought a sharp increase in the number of young men and women able to attend university Developing in the wake of this increase the university novel often centred on male undergraduates at either Oxford or Cambridge Bogen argues that an analysis of the lesser known female narratives can provide new insights

The Bible Conspiracy David Klooz,2025-02-23 Most people are not aware that numerous cataclysmic events significantly shaped Earth s history including advanced civilizations like Atlantis and Lemuria which were destroyed and forgotten over time Nor do many know that Earth was once part of a system orbiting Saturn and that major cosmic events involving Saturn Jupiter and other planets influenced Earth s development and ancient mythologies and religions Also very few individuals realize that many biblical characters including Jacob Moses and King David were based on historical Egyptian figures and that the Bible was heavily influenced by Egyptian texts rituals religion morals and artifacts Moreover few are aware of the influence of ancient mystery schools on the development of philosophical and religious thought suggesting that secret societies have preserved and transmitted esoteric and occult knowledge through the ages to only the initiates of those societies The concept of a plasma and an electric universe proposes that electrical forces play a critical role in cosmic events and planetary interactions challenging traditional gravitational theories Plasma is also related to the real purpose and mysteries surrounding the Great Pyramid whose construction reflects sophisticated scientific knowledge of the Earth Solar System and Universe In the end readers will understand that like most stories this one is about the psychopathic need of the few for control and the bending of humankind s will in this case by means of religion and money the worst two innovations of humankind There have never been wars between civilizations but only Class Wars that create them This is the story of an ancient priestly cult that through esoteric and occult knowledge has been able to create and control events that keep humankind in chains

The Ancient World in Alternative History and Counterfactual Fictions Alberto J. Quiroga Puertas,Leire Olabarria,2024-08-22 Focusing in turn on history powerful individuals under represented voices and the arts the essays in this collection cover a wide variety of modern and contemporary narrative fiction from Jo Walton and L Sprague De Camp to T S Chaudhry and Catherynne M Valente Chapters look into the question of chance versus determinism in the unfolding of historical events the role individuals play in shaping a society or occasion and the way art and literature symbolise important messages in counterfactual histories They also show how uchronic narratives can take advantage of modern literary techniques to reveal new and relevant aspects of the past giving voices to marginalised minorities and suppressed individuals of the ancient world Counterfactual fiction and uchronic narratives have been largely up until now the domain of literary critics However these modes of literature are here analysed by scholars of

Ancient History Egyptology and Classics shedding important new light on how cultures of the ancient world have been and still are perceived and to what extent our conceptions of the past are used to explore alternate presents and futures Alternate history entices the imagination of the public by suggesting hypothetical scenarios that never occurred underlining a latent tension between reality and imagination and between determinism and contingency This interest has resulted in a growing number of publications that gauge the impact of what if narratives and this one is the first to give scholars of the ancient world centre stage

My Generation William Styron, 2015-06-02 A vital illuminating collection of the Pulitzer Prize and National Book Award winner s elegant passionately engaged nonfiction My Generation is the definitive gathering of William Styron s nonfiction exposing the core of this greatly gifted highly convivial and profoundly serious artist from his literary emergence in the 1950s to his death in 2006 Here are fifty years of Styron s essays memoirs reviews op eds articles eulogies and speeches reflecting the same brilliant style and informed thinking that he brought to his towering fiction and to a deeply committed public life Including many newly collected and never before published items this compendium ranges from the original mission statement of The Paris Review which Styron helped found in 1953 to a 2001 tribute to his friend Philip Roth creating an essential overview of arts and letters during the post World War II years In these pages Styron writes vividly of childhood days in Tidewater Virginia spent going to movies not reading books It does not mean the death of literacy or creativity if one is drenched in popular culture at an early age He recalls being among the group of soldiers who would have been sent to invade Japan and were saved by Truman s decision to drop the atomic bomb which Styron feels was the right choice even though its absolute rightness can never be proved And he writes as few others have about midlife battles with clinical depression a pain that is all but indescribable and therefore to everyone but the sufferer almost meaningless Here too are Styron s personal encounters with world leaders fellow authors and friends each of whom comes memorably to life Styron recalls sharing contraband Cuban cigars with JFK a naughty memento a conversation piece with a touch of scandal getting lost in the snow with Robert Penn Warren and party hopping with the young James Jones an experience he likens to keeping company with a Roman emperor The beginnings of his masterpieces The Confessions of Nat Turner and Sophie s Choice are chronicled here along with the controversy that greeted

the former upon its 1967 publication Throughout Styron celebrates the men and women of his generation whose lives were forged in the crucible of World War II Whether he s recounting a walk with his dog musing on the Modern Library s list of the hundred best English language novels of the twentieth century or contemplating America s fraught racial legacy from his point of view as the grandson of a woman who owned slaves William Styron writes always in urgent finely calibrated prose These fascinating pieces bring readers closer to this great writer and the world he observed interacted with and changed Praise for My Generation William Styron s My Generation Collected Nonfiction is both unsurpassably charming and unflinchingly honest whether recounting the fallout from The Confessions of Nat Turner or reminiscing about the slave owning grandmother who warned him never to forget he was a Southerner Vogue At its most accomplished Styron s non fiction mixes a conscientious richly traditional prose style with a strong current of fellow feeling a certain awe at the human condition which is what gives power to his best fiction Styron stood tall in his generation and the best of him will stand up over time USA Today A must for every Styron fan s library BBC
