Permanent Faithful Stable Christian Same Sex Partnerships:

"Permanent, Faithful, Stable" Jeffrey John, 2000 A powerful argument for the acceptance and blessing of homosexual relationships by the Church **Permanent, Faithful, Stable** Jeffrey John, 2012-08-01 I am writing this because I believe we have an absolute duty in the Church to offer homosexual couples not only practical support but the same theological understanding of their relationship that we offer to heterosexual couples to help them fulfil the same hope the same ideal of permanent faithful stable love Drawing on many years personal and pastoral experience Jeffrey John explores the meaning and context of the mentions of homosexuality in the Bible and also considers the moral arguments before offering guidance to same sex couples on forming a lasting covenanted monogamous relationship Earlier editions of this book have become essential reading for anyone seeking to understand the theology of same sex relationships in a Christian context It has been cited by the former Archbishop of Canterbury Dr Rowan Williams as one of the most helpful books on the subject This new edition has been updated to take account of the latest thinking on the issue In a brand new Preface and Postscript Jeffrey John speaks forthrightly about the Church of England's failure to move positively in support of same sex marriage

Celebrating Christian Marriage Adrian Thatcher, 2002-04-30 The interest in marriage and the future of marriage is urgent and increasing This collection of expert research analysis and discussion may be the most significant ever assembled on this subject There are contributions from different continents and cultures from Roman Catholic Protestant Anglican and Orthodox traditions from theologians and many other professionals including historians social theorists sex therapists lawyers psychiatrists and demographers all in conversation with the idea of Christian marriage There are introductions to each topical section by Adrian Thatcher Marriage at the Start of the Millennium Beginning Marriage Love and Marriage The Marriage Relationship Children and Marriage Single Sex Marriage Ending Marriage Roman Catholic Perspectives Ending Marriage Anglican Perspectives *From Civil Partnership to Same-Sex Marriage* Nicola Barker, Daniel Monk, 2015-04-17 The Civil Partnership Act 2004 and the Marriage Same Sex Couples Act 2013 are important legal social and historical landmarks rich in symbolic material and cultural meanings While fiercely opposed by many within mainstream narratives they are often represented as a victory in a legal reform process that commenced with the decriminalisation of homosexuality Yet at the same time for others they represent a problematic and ambivalent political engagement with the institution of marriage Consequently understood or labelled as revolutionary progressive and conservative these legal reforms provide a space for thinking about issues that arguably affect everyone regardless of sexual orientation or relationship status This edited collection brings together scholars and commentators from a range of backgrounds generations and disciplines to reflect on the first ten years of civil partnerships and the introduction of same sex marriage Rather than rehearsing the arguments for and against relationship recognition the essays ask original questions draw on a variety of methods and collectively provide a detailed and reflective snap shot of a critical moment a history of the present as well as providing a

foundation for innovative ways of thinking about and engaging with the possibilities and experiences arising from the new reality of relationship recognition for gays and lesbians Same-Sex Marriage: Pro and Con Andrew Sullivan, 2009-06-10
 With same sex marriage igniting a firestorm of controversy in the press and in the courts in legislative chambers and in living rooms Andrew Sullivan a pioneering voice in the debate has brought together two thousand years of argument in an anthology of historic inclusiveness and evenhandedness Among the selections included here The 2003 Massachusetts Supreme Judicial Court ruling in support of same sex marriage Justice Kennedy s majority opinion and Justice Scalia s dissent in the 2003 landmark Supreme Court decision striking down anti sodomy laws President George W Bush s call for a Federal Marriage Amendment John Kerry s Senate speech urging defeat of the Defense of Marriage Act Harvard historian Nancy F Cott s testimony before the Vermont House Judiciary Committee Reverend Peter J Gomes on the distinction between civil and religious marriage Stanley Kurtz on the politics of gay marriage Evan Wolfson on the popularity of the right to marry among lesbians and gay men New York Times op ed columnist David Brooks conservative case for same sex marriage Excerpts from Genesis Leviticus and other essential biblical texts Aristophanes s classic theory of same sex love from Plato s Symposium Hannah Arendt on marriage as a fundamental right Camille Paglia s skepticism Representing the full range of perspectives and the most cogent and arresting arguments Same Sex Marriage is essential to a balanced understanding of the most pressing cultural question we face today **Grasping the Heel of Heaven** Nicholas Holtam, Paul Bradshaw, Mark Chapman, Paula Gooder , Rachel Treweek , 2018-02-23 Grasping the Heel of Heaven honours the immense legacy to the church of Michael Perham A skilled and imaginative liturgist a passionate advocate of women s ministry an inspirational dean and bishop a wise and patient administrator he was above all a faithful priest who loved the Church as the body of Christ In all his ministry he sought to nourish that body by encouraging its worship and prayer and shaping its governance in the light of gospel ideals In this volume friends and colleagues bring their own expertise to reflect on some of the topics and themes that were most important to him including Being transported and transformed by liturgy The making of Common Worship The full inclusion of the ministry of women How structures and decision making express an understanding of God Unity despite differences in and through God The gospel as good news for all Together the contributors reflect the numerous ways that Michael Perham saw heaven touching earth and earth glimpsing heaven Covenant and Calling Robert Song, 2014-09-24 No other issue in recent times has proved as potentially divisive for the churches as that of same sex relationships At the same time as many countries have been moving towards legal recognition of civil partnerships or same sex marriage Christian responses have tended towards either finding alliances with proponents of conservative social mores or providing what amounts to theological endorsement of secular liberal values Our Families, Our Values Robert Goss, Amy Adams Squire Strongheart, 2019-07-16 Our Families Our Values challenges both the gay community and American society to examine carefully the meaning of family values and the nature of social institutions such as marriage and the

family It asks you provoking even disturbing questions such as Is it prudent for members of the Lavender community to mimic heterosexual marriage or define personal relations networks as families when these institutions are rapidly collapsing Are we attempting to mainstream American society into accepting different views of marriage and families Are we subscribing to notions of sexual property that are inherent to the marriage ceremony and the institution of marriage when we choose to be married Despite the complexities of this issue marriage constitutes a privileged position in western society and as this book shows you without the legal recognition of same sex marriages there are many fundamental rights as well as privileges denied to gay lesbian bisexual and transgendered persons As Our Families Our Values turns upside down the widely accepted notion that only heterosexual people are entitled to get married have sex and rear children you gain insight into personal struggles and affirmations that testify to the spirituality procreativity and wholesomeness of the diverse relationships of the Lavender community You will also learn about various ongoing efforts to give religious pride to the various configurations of gay relationships families and values and the disruption of popular interpretations of the Scriptures that have been used to justify the oppression of sexual minorities This book will intrigue you over and over again as you read about value systems transphobia equal marriage rights Buddhism s rejection of traditional family values Brazil s sex positive culture differences between gay male social formations and families choosing a language and terms that empower sexual minorities and the essence of the liberation movement sex as communion relationships based on nurture not transaction Designed for academics and students of religion pastors priests rabbis and lay readers alike Our Families Our Values is a multifaceted view of the gay community s response to the public controversy over gay marriage adoption and foster care rights Ideal as a textbook for courses in sexuality theology sociology women s studies and gay and lesbian studies this book will both inform you and delight you as it reminds you that same sex unions bring much cause for celebration and that religion and homosexuality are not mutually exclusive

Thinking Again About Marriage John Bradbury, Susannah Cornwall, 2016-02-28 What is involved in the practice of thinking theologically about marriage Key writers and thinkers offer an informed considered and constructive guide to a number of central questions including Mike Higon on marriage gender and Christian doctrine Charlotte Metheun on what we can learn from the history of marriage Ben Fulford on thinking about marriage with scripture Julie Gittoes on the liturgical theology of marriage John Bradbury on marriage as vocation Brett Gray on reproduction and the body s grace Susannah Cornwall on being faithful to our sexuate bodies Rachel Muers on developing a contemporary theology of marriage and much more Reflecting a broad theological and ecclesiological spectrum within the Christian tradition Thinking Again About Marriage offers a vital resource for critical thinking and reflective practice

Same-Sex Attraction and the Church Ed Shaw, 2015-11-09 When Christians have same sex attraction how should the church respond Pastor Ed Shaw experiences same sex attraction yet he is committed to Scripture and the church's traditional position on sexuality In this honest book he shares his own experiences and shows us that obedience to Jesus is ultimately the only way to experience life to the full

God and the Gay Christian Matthew Vines, 2014-04-22 The landmark book exploring what the Bible actually says and doesn't say about same sex relationships Revised and expanded ebook coming May 6 This book is a game changer Every page is brought to life by the author's clear love for Scripture and deep persistent faith Matthew Vines emerges as one of my generation's most important Christian leaders Rachel Held Evans As a young Christian man Matthew Vines harbored the same basic hopes of many young people to one day share his life with someone to build a family of his own to give and receive love But when Vines realized he was gay those hopes were called into question The Bible he'd been taught condemned gay relationships Feeling the tension between his understanding of the Bible and the reality of his same sex orientation Vines devoted years to intensive research into what the Bible says about homosexuality He asked questions such as What was the real sin of Sodom What did Paul have in mind when he wrote about same sex relations Is mandatory celibacy biblical Can same sex marriage fulfill Scripture's vision for marriage Accessibly written and carefully argued *God and the Gay Christian* shows readers how affirming same sex relationships can go hand in hand with maintaining moral boundaries

and upholding an orthodox Christian faith *The Scandal of Evangelicals and Homosexuality* Mark Vasey-Saunders, 2016-03-09 English evangelicals give the appearance of being a community at war with each other and with the world around them The issue of homosexuality is one of the key battlegrounds How has this issue become so significant to evangelicals Why is it provoking such violent responses How is it changing evangelicals and what might this mean for the future This book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future The Scandal of Evangelicals and Homosexuality offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate

Open Wide the Gates Brian D. Cunningham, 2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn't have to be that way Challenging the arguments that perpetuate that conflict Open Wide the Gates presents a carefully developed biblical theological and ethical argument for the welcome affirmation and inclusion of gays and lesbians in the life and ministry of the local church Its irenic tone and clearly articulated presentation provides pastors denominational leaders and concerned laypeople with a reliable guide for navigating these often turbulent waters In this comprehensive study Brian D Cunningham points to a path forward a path for following Jesus in the twenty first century characterized by grace love and hope a path that demonstrates the radical presence of God's kingdom here on earth for all people regardless of their sexual orientation Our Selves, Our Souls and Bodies Charles C. Hefling, 1996 This collection of essays written primarily by Episcopalian scholars address the broad topic of human sexuality in the context of today's issues The essays take the forms of narrative argument first person accounts and theological reasoning *Inappropriate Relationships* Robin Goodwin, Duncan Cramer, 2005-04-11 In one of the great euphemisms of our time an embattled President Clinton admitted to an inappropriate relationship with his White House intern Monica Lewinsky But what exactly is an inappropriate relationship For that matter what is an appropriate relationship And how can an understanding of the rules of appropriateness help us understand personal relationships in our modern world Contributors to this book discuss the personal boundaries and taboos of modern relationships Together they examine the power struggles that can occur when individuals are involved in inappropriate relationships and the ways individuals in such a relationship may attempt to buffer themselves against sanctions or even embrace this relationship as an agent of

social change Representing work from a range of disciplines this collection will appeal to scholars researchers students and professionals working on relationships issues in areas across the social sciences including those working in the fields of social psychology family studies social anthropology cultural studies and communication **Towards a Theology of Same-Sex Marriage** Clare Herbert,2020-12-21 A transformative exploration of queer theology and the debate around same sex marriage within the Church Clare Herbert draws on her experience as a priest within the Church of England in a committed same sex relationship and considers the questions that have shaped religious debate for many years This book explores the concept of same sex marriage in relation to the heteronormative definition of marriage and its effect on past understandings of the sacrament Interweaving stories from Christians struggling to reconcile their faith with their sexuality alongside wider queer theology and the theology of marriage Herbert explores the unique understanding of God provided by the experience of committed same sex love and lays the groundwork for redefining the traditional definition of marriage

Blessing Same-Sex Unions Mark D. Jordan,2013-09-03 At most church weddings the person presiding over the ritual is not a priest or a pastor but the wedding planner followed by the photographer the florist and the caterer And in this day and age more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony Indeed church weddings have strayed long and far from distinctly Christian aspirations The costumes and gestures might still be right but the intentions are hardly religious Why then asks noted gay commentator Mark D Jordan are so many churches vehemently opposed to blessing same sex unions In this incisive work Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same sex unions Opponents of gay marriage he reveals too often confuse simplified ideals of matrimony with historical facts They suppose for instance that there has been a stable Christian tradition of marriage across millennia when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology authorizing experiments like polygamy and divorce Jordan also argues that no matter what the courts do Christian churches will have to decide for themselves whether to bless same sex unions No civil compromise can settle the religious questions surrounding gay marriage And queer Christians he contends will have to discover for themselves what they really want out of marriage If they are not just after legal recognition as a couple or a place at the social table do they really seek the blessing of God Or just the garish melodrama of a white wedding Posing trenchant questions such as these *Blessing Same Sex Unions* will be a must read for both sides of the debate over gay marriage in America today
