**Professor Carol Dyhouse** 

#### **Permibive Society And Its Enemies Sixties British Culture:**

The Permissive Society and Its Enemies Marcus Collins, 2007 Deconstructing the myth of Britain's swinging sixties this collection of essays examines the revolution of cultural permissiveness in postwar Britain and how societal debates over drug use pornography and women s rights of this period have influenced current thinking Britain s period of nebulous social change is analyzed by defining permissiveness locating the movement's origins identifying its proponents and opponents and assessing long term consequences Discussions of ludic liberalism lesbian politics beatnik ideology and the rise of the moral crusader highlight the developing subcultures of Britain's society PERMISSIVE SOCIETY AND ITS ENEMIES: SIXTIES The Beatles and Sixties Britain Marcus Collins, 2020-03-05 In this BRITISH CULTURE; ED. BY MARCUS COLLINS., 2007 rigorous study Marcus Collins reconceives the Beatles social cultural and political impact on sixties Britain Student Activism in the Long Sixties Caroline Hoefferle, 2013 Based on empirical evidence derived from university and national archives across the country and interviews with participants British Student Activism in the Long Sixtiesreconstructs the world of university students in the 1960s and 1970s Student accounts are placed within the context of a wide variety of primary and secondary sources from across Britain and the world making this project the first book length history of the British student movement to employ literary and theoretical frameworks which differentiate it from most other histories of student activism to date Globalization especially of mass communications made British students aware of global problems such as the threat of nuclear weapons the Vietnam War racism sexism and injustice British students applied these global ideas to their own unique circumstances using their intellectual traditions and political theories which resulted in unique outcomes British student activists effectively gained support from students staff and workers for their struggle for student s rights to unionize freely assemble and speak and participate in university decision making Their campaigns effectively raised public awareness of these issues and contributed to significant national decisions in many considerable areas Women's Periodicals and Print Culture in Britain, 1940s-2000s Laurel Forster, 2020-09-21 Foregrounds the diversity of periodicals fiction and other printed matter targeted at women in the postwar periodForegrounds the diversity and the significance of print cultures for women in the postwar period across periodicals fiction and other printed matterExamines changes and continuities as women s magazines have moved into digital formatsHighlights the important cultural and political contexts of women s periodicals including the Women s Liberation Movement and SocialismExplores the significance of women as publishers printers and editorsWomen s Periodicals and Print Culture in Britain 1940s 2000s draws attention to the wide range of postwar print cultures for women The collection spans domestic cultural and feminist magazines and extends to ephemera novels and other printed matter as well as digital magazine formats The range of essays indicates both the history of publishing for women and the diversity of readers and audiences over the mid late twentieth century and the early twenty first century in Britain The collection reflects in detail the important ways in magazines and printed matter

contributed to challenged or informed British women s culture A range of approaches including interview textual analysis and industry commentary are employed in order to demonstrate the variety of ways in which the impact of postwar print media may be understood — Thinking Black Rob Waters,2018-11-06 It was a common charge among black radicals in the 1960s that Britons needed to start thinking black As state and society consolidated around a revived politics of whiteness thinking black they felt was necessary for all who sought to build a liberated future out of Britain s imperial past In Thinking Black Rob Waters reveals black radical Britain s wide cultural political formation tracing it across new institutions of black civil society and connecting it to decolonization and black liberation across the Atlantic world He shows how from the mid 1960s to the mid 1980s black radicalism defined what it meant to be black and what it meant to be radical in Britain

Seeking Love in Modern Britain Zoe Strimpel, 2020-03-05 Seeking Love in Modern Britain charts the emergence of the modern British single through an account of the dating industry that sprang up to serve men and women It shows how amid a period of unprecedented sexual and social change the single became a key unisex identity and lifestyle From around 1970 a growing cottage style matchmaking industry in Britain was offering the romantically solo a choice between computer dating firms such as Dateline or Compudate introduction agencies and the lonely hearts pages of Private Eye Time Out and others Zoe Strimpel reveals how this rapidly expanding landscape of services was catering to a new breed of single people and how by the late 1990s singleness had become the culturally mainstream wholly expected part of the romantic life cycle that it is today Refuting the widespread idea that the Internet invented modern dating this book uses an eclectic and engaging range of first person accounts and snapshots from the time to show that the story of contemporary romance mediated courtship and singleness began in a time long before Tinder Drag Jacob Bloomfield, 2024-10-08 A must read for anyone interested in the history of drag performance Publishers Weekly A rich and provocative history of drag s importance in modern British culture Drag A British History is a groundbreaking study of the sustained popularity and changing forms of male drag performance in modern Britain With this book Jacob Bloomfield provides fresh perspectives on drag and recovers previously neglected episodes in the history of the art form Despite its transgressive associations drag has persisted as an intrinsic and common part of British popular culture drag artists have consistently asserted themselves as some of the most renowned and significant entertainers of their day As Bloomfield demonstrates drag was also at the center of public discussions around gender and sexuality in the nineteenth and twentieth centuries from Victorian sex scandals to the permissive society of the 1960s This compelling new history demythologizes drag stressing its ordinariness while affirming its important place in Secularization in the Long 1960s Clive D. Field, 2017 Using empirical research this study British cultural heritage provides a clear quide to the current state of the debate surrounding secularization in Britain during the long 1960s Sex Before the Sexual Revolution Simon Szreter, Kate Fisher, 2010-10-14 What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s who were often pitied by later generations as repressed unfulfilled and full of moral

anxiety This book provides the first rounded first hand account of sexuality in marriage in the early and mid twentieth century These award winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition Based on vivid compelling and frank testimonies from a socially and geographically diverse range of individuals the book explores a spectrum of sexual experiences from learning about sex and sexual practices in courtship to attitudes to the body marital ideals and birth control It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives Responsible Pleasure Caroline Rusterholz, 2024-04-22 This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations The period between the 1960s and the 1990s has traditionally been associated with sexual liberation and a growing sense of permissiveness in Britain during which cultural and social norms of young people's sexuality went through a dramatic shift Using the Brook Advisory Centre Brook as a case study Responsible Pleasure examines how and why this occurred providing a socio cultural history of youth sexuality in Britain over these three decades It focuses on Brook as a pioneering sexual health charity operating on the cusp of voluntary and state financed sectors From the opening of its first centre in London followed by other centres including Birmingham 1966 Bristol 1968 and Edinburgh 1968 to the present day Brook has been a major provider of contraceptive advice and sexual counselling to unmarried people and teenagers It pioneered an initiative that would form the primary model for the provision of advice on contraception for teenagers in Britain and remains a key player in sexual health services today Although Brook has provoked fierce opposition and triggered recurrent public debates on teenage sexuality little is known of its history As a non governmental organization with deep connections to the Family Planning Association FPA and the National Health Service NHS Brook offers a fascinating case study for exploring the relationship between changing sexual cultures sexual politics and young people's sexual experiences intimacy and subjectivities Drawing on a wide range of archived and published materials as well as oral history interviews conducted by the author this book provides a substantial and original contribution to scholarship on the forging of the modern sexual subject 20th Century Britain Nicole Robertson, John Singleton, Avram Taylor, 2022-12-30 20th Century Britain provides an authoritative and accessible survey of contemporary research on economic activity society political development and culture Written by leading academics it examines recent advances in scholarship and gives a grounding in established approaches and topics The first part comprises thematic essays covering the whole of the twentieth century including chapters on the economy economic management big business parliamentary politics leisure work health international economic relations and empire It uncovers key areas of equality and diversity in chapters on women living standards social mobility ethnicity and multiculturalism and gender and sexuality The most recent subfields of historical studies are also explored including

disability history and environmental economic history. The second part focuses on seismic events and topics covering shorter timeframes including the World Wars interwar Depression Britain and European integration sexual behaviours civil society the 1960s cultural revolution and resisting racism This collection provides an essential guide to current academic thinking on the most important elements of twentieth century British history and is a useful tool for all students and scholars interested **Family Secrets** Deborah Cohen, 2017 What did families hide in the past and why By delving into the familial dynamics of shame and guilt Family Secrets investigates the part that families so often regarded as the agents of repression have played in the transformation of social mores from the Victorian era to the present day Festivals Angela Bartie, 2014-05-14 This book explores the culture wars of 1945 1970 and is the first major study of the origins and development of this leading annual arts extravaganza Why Study History? Marcus Collins, Peter N. Stearns, 2020-05-27 Considering studying history at university Wondering whether a history degree will get you a good job and what you might earn Want to know what it's actually like to study history at degree level This book tells you what you need to know Studying any subject at degree level is an investment in the future that involves significant cost Now more than ever students and their parents need to weigh up the potential benefits of university courses That's where the Why Study series comes in This series of books aimed at students parents and teachers explains in practical terms the range and scope of an academic subject at university level and where it can lead in terms of careers or further study Each book sets out to enthuse the reader about its subject and answer the crucial questions that a college prospectus does not God in Britain and Beyond David G. Reagles, 2022-01-31 When writer and media personality Malcolm Muggeridge unexpectedly converted to Christianity in the 1960s fans around the world flocked to his devotional writings and television programs about his spiritual journey Because Muggeridge was critical of institutional Christianity and initially refused to join a church he inspired a special affinity in those who were disillusioned with mainstream religious authority Readers from around the world sent him deeply personal letters describing their spiritual and religious lives revealing their anxieties doubts and hopes about the future of Christianity In Searching for God in Britain and Beyond David Reagles draws on nearly two thousand of these remarkable fan letters to explore the thoughts and feelings of ordinary Christians in a time of cultural and religious upheaval In these candid letters Muggeridge's correspondents wrestled with their experiences of faith and doubt the value of institutional religion uncertainties about permissiveness in society the proper role of Christian social activism and the forces of secularism For these fans and skeptics alike reading and writing were a vital means of working out their religious identities and convictions amid the supposed decline of Christendom Searching for God in Britain and Beyond provides a rare and fascinating glimpse into the inner worlds of ordinary Christians in the 1960s and 1970s revealing how the secularization of postwar society felt to average people **Girl Trouble** Professor Carol Dyhouse, 2014-06-12 A brilliant cultural history Irish Examiner Girls behave badly If they re not obscenity shouting pint swigging ladettes they re narcissistic

living dolls floating around in a cloud of self obsession far too busy twerking to care And this is news In this witty and wonderful book Carol Dyhouse shows that where there s a social scandal or a wave of moral outrage you can bet a girl is to blame Whether it be stories of brazen flappers staying out and up all night in the 1920s inappropriate places for Mars bars in the 1960s or Courtney Love s mere existence in the 1990s bad girls have been a mass media staple for more than a century And yet despite the continued obsession with their perceived faults and blatant disobedience girls are infinitely better off today than they were a century ago This is the story of the challenges and opportunities faced by young women growing up in the swirl of the twentieth century and the pop hysteria that continues to accompany their progress **Church of England, 1918-1980** Laura Ramsay, 2024-06-24 This book presents an original and archivally rich account of the Church of England's institutional grappling with matters of sex relationships marriage birth control and same sex attraction between 1918 and 1980 uncovering a long and complex history of debates and disagreements that led to its present day impasse over issues of sexuality Across a long and previously underexplored chronology the book examines various ways in which Anglicans shaped and popularised understandings of sex and desire conceptions of sexual morality and notions of sexual citizenship Its account begins in the interwar years when the church exerted a powerful influence on attitudes and approaches towards sex and morality moves through the challenges of the post war years when Anglicans continued to debate and construct the new moral landscape of the permissive society and ends in the late twentieth century when the church's preferred means of functioning as an agent of mediation ultimately meantit lost pace with new approaches towards sexual identities and relationships Despite its historically established role in guiding the nation by the late 1970s the church had unwittingly painted itself into a corner by provoking internal disputes that it struggled to resolve As its compromise positions became outdated the church's views increasingly fell out of favour and contributed to its gradual demise as a former expert on sexual issues Zerox Machine Matthew Worley, 2024-05-13 A visual history of the artists fans and fanzines of widely influential British punk Zerox Machine is an immersive journey through the vibrant history of British punk and its associated fanzines from 1976 to 1988 Drawing on an extensive range of previously unpublished materials sourced from private collections across the United Kingdom Matthew Worley describes and analyzes this transformative era providing an intimate glimpse into the hopes and anxieties that shaped a generation Far more than a showcase of covers Zerox Machine examines the fanzines themselves offering a rich tapestry of firsthand accounts personal stories and subcultural reflections With meticulous research and insightful analysis this book captures the spirit and essence of British youth culture shedding new light on a pivotal movement in music history and offering a unique alternative history of Britain in the 1970s and 80s Probation and the Policing of the Private Sphere in Britain, 1907-1962 Louise Settle, 2021-12-16 In 1907 the Probation of Offenders Act introduced a system which allowed offenders to be rehabilitated at home under supervision rather than being sent to prison This book explores how the probation system was used to regulate the private lives emotions and

behaviours of people in Britain between 1907 and 1962 Access to the private sphere both physically and psychologically meant that the probation system was particularly well suited to offences related to intimate and personal relations With each chapter focusing on a particular type of offence including wife assault attempted suicide male sexual offences and female prostitution Settle shows how experiences of the probationers were shaped by the everyday practices of probation and assesses the extent to which probation was successful in rehabilitating offenders and protecting the public Also examining the role of probation officers in marriage reconciliation the book explores how ideas about gender and domesticity were crucial to both the process of rehabilitation and the endeavour to make the home a safe environment in which these domestic ideals could come into fruition Probation and Policing of the Private Sphere in Britain enriches our understanding of the role of the state in policing monitoring and promoting the well being of its citizens and explores the nuances of probation s dual purpose as a form of social control as well as a social work service designed to help the most vulnerable in society

Whispering the Strategies of Language: An Mental Quest through **Permibive Society And Its Enemies Sixties British Culture** 

In a digitally-driven world wherever screens reign great and instant communication drowns out the subtleties of language, the profound secrets and mental nuances concealed within phrases usually go unheard. However, nestled within the pages of **Permibive Society And Its Enemies Sixties British Culture** a captivating literary value pulsing with natural emotions, lies an extraordinary journey waiting to be undertaken. Written by a skilled wordsmith, this charming opus encourages visitors on an introspective journey, lightly unraveling the veiled truths and profound impact resonating within ab muscles material of each and every word. Within the psychological depths of this touching review, we shall embark upon a sincere exploration of the book is primary styles, dissect their charming publishing design, and fail to the powerful resonance it evokes serious within the recesses of readers hearts.
