Peron Una Biografia:

Perón Joseph A. Page, 2023-04-04 This biography recounting the Argentinean president's rise fall and remarkable return to power is a formidable achievement Kirkus Reviews starred review Latin America has produced no more remarkable or enduring political figure than Juan Perón Born to modest circumstances in 1895 and trained in the military he rose to power during a period of political uncertainty in Argentina A shrewd opportunist who understood the needs and aspirations of the country's workers Perón rode their votes to the presidency and then increased their share of the nation's wealth But he also destroyed the independence of their unions and suppressed dissent Ousted in a coup in 1955 Perón wandered about Latin America and finally settled in Spain where he masterminded an astonishing political comeback that climaxed in his reelection as president in 1973 Joseph A Page's engrossing biography is based upon interviews never before inspected Argentine and US government documents and exhaustive research It spans Perón's formative years his arrest and dramatic rescue by the descamisados in 1945 his relationship with the now mythic Evita the violence and mysterious murders that punctuated his career his tragic legacy personified by his third wife Isabel who assumed the presidency after his death under the influence of a Rasputin like astrologer and the continuing appeal of Peronism in Argentina In addition Page's study of Argentine American relations is particularly penetrating especially in its description of the struggle between Perón and US ambassador Spruille Braden It would probably take a novel stamped with the surrealistic genius of a Gabriel García Márquez to render all the madness perverse magic and tragedy of Juan Domingo Perón and his Argentina But Joseph A Page has come up with the next best option A clearly written definitive study The New York Times Book Review *Perón* Joseph A. Page, 2014-07-01 Reedición del estudio clásico sobre la vida de Juan Domingo Perón Biografía canónica del hombre que marcó la historia argentina del siglo XX y que a cuarenta años de su muerte sigue vivo en el escenario político del país y en sus relatos sobre pasado presente y futuro de la Nación A setenta años de su irrupción en la historia argentina y a cuarenta de su muerte el estudio más completo profundo y exhaustivo sobre la vida de Juan Domingo Perón Basada en una investigación que tomó más de ocho años e incluye entrevistas en tres continentes y el examen detallado de un vasto corpus de documentos esta biografía monumental del hombre que marcó a fuego la Argentina de la segunda mitad del siglo XX es indispensable para entender la Argentina del siglo XXI Publicado originalmente con la vuelta a la democracia en los años ochenta Perón Una biografía se convertir rápidamente en un clásico y agotado hace años sigue siendo texto de referencia Esta nueva edición con un prólogo del profesor Page en ocasión del 40 aniversario de la muerte de Perón pone el libro a disposición de las nuevas generaciones No hay relato de la historia y de la política argentinas sin Perón Es posible que nunca lo haya Este libro revelador y fascinante ayuda a entender por qué **Perón** Nicolás Márquez, 2025-06-01 El fetiche de las masas Esta es la biografía que pulveriza a la historieta peronista esa que siempre quiso vendernos la imagen de un líder magnífico casi santo cuando en realidad y así lo demuestra esta obra con una documentación tan implacable como dolorosa Juan Domingo Perón fue un demagogo sin escr

In the Shadow of Perón Raanan Rein, 2008-05-22 Populism has been one of the most important phenomena in the political and social history of Latin America In the Shadow of Per n challenges several commonly held assumptions about the nature of populism and the relations between the charismatic leader and the popular masses Devoted to the second line of Peronist leadership in Argentina from the 1940s onwards it focuses on the figure of Juan Atilio Bramuglia who tried to offer an alternative path for the movement The volume stresses the heterogeneous nature of Peronism and traces the various ideological sources of its doctrine It also analyzes Per n s machinations in order to maintain his leadership and eliminate any opposition within the movement

[Historia del peronismo III \(1956-1983\)-la violencia](#) Hugo Gambini, 2008 This third volume of the History of Peronism by Hugo Gambini completes the history of one of the most popular and long lasting Latin American political movements and

unravels the enigma about general Peron and his followers ideological stance After the 1955 coup the CGT Confederacion General del Trabajo de Argentina Argentine Labor Confederation strived to keep its power obtained by being the pillar of the organized society as conceived in 1946 by Peron under the intellectual influx of Mussolini At this point the struggle was limited those who attempted a peronism without Peron and the verticalists who felt safer by blindly obeying the leader rather than acting as interpreters of an ideology that even they found elusive However entering the 60s a complicated though fertile environment surrounded the movement as it attempted the destabilization of the also difficult to define Argentine military governments The cold war deployed in Latin America created a crisis in the peronism linearity as it confronted the opportunity of taking advantage of the energy raised by the Castro Che Guevara tandem among a generation that knew the peronism antiperonism antagonism only through their parents remembrances However this move entailed the peril of blurring its own rightwing mass movement essence and jumping into a melting pot with a leftist group closely related to communism which Peron always had considered the major enemy in his struggle for society organization and control History of Peronism III 1956-1983 The violence deals with this period and follows general Peron's path showing how this Latin American military man with an early XX Century right wing nationalistic upbringing achieved in a most unlikely syncretism to have the Argentine right wing national fascism and Castro communism joining efforts after the goal finally reached of bringing him back into power after 17 years of absence Peron's quick physical decay and his death in 1974 uncovered the unbalance between the different factions of his followers and by the way also among those who had the duty to repress legally his successors factions violent attempts to seize power unleashing one of the most violent periods in a country that until then had considered itself as an exemplary republic of peace and tolerance The casualty count raised exponentially after the 1955 coup general Aramburu had ordered 31 executions comprising military and civilians On returning to power General Peron ordered the shooting of 64 young leftists His wife raised the count to 900 and the military to 9 000 The guerrillas acknowledged the killing of 745 people both military and civilians **Historia del Peronismo. La violencia (1956-1983)**

Hugo Gambini, 2017-05-10 Los años transcurridos entre la caída de Juan Domingo Perón y el retorno a la democracia sin proscripciones depararon muchas sorpresas Una de ellas fue la cantidad de muertes que produjo la política En este tercer tomo de la Historia del Peronismo se explica cómo ocurrieron las cosas que las iniciaron y cuál fue el motivo de que corriera tanta sangre de argentinos cuando la gran mayoría ansiaba vivir en paz Aquí se describen los fusilamientos de la Revolución Libertadora en 1956 y catorce años después los inicios de una trágica seguidilla de asesinatos cuando la violencia avalada por el líder en sus cartas a John William Cooke pasaba a manos de su juventud maravillosa Imprimir Tapa **Perón, La Bisagra de la Historia , Perón: Formación, ascenso y caída, 1893-1955** Norberto Galasso, 2005 **Hombres y Mujeres Celebres en la Historia Argentina , Historia feminista de la literatura argentina - III** , 2023-11-08

Durante la segunda mitad del siglo XX tiene lugar en nuestro país una gran proliferación de escrituras por parte de autoras

mujeres casi un estallido textual si tenemos en cuenta la cantidad de nombres que empiezan a producir y publicar sus obras a luchar por la visibilidad y por la construcción y legitimación de una voz propia La ocupación del espacio dentro del campo literario por parte de las escritoras conlleva necesariamente un reacomodamiento del canon de las convenciones genéricas y de las tradiciones literarias una revisitación de las políticas sexuales y textuales que habilita y propicia revisiones relecturas y reconsideraciones de la literatura argentina La toma de la palabra supone no solo la irrupción de temas experiencias miradas y puntos de vista que con anterioridad no habían tenido carta de ciudadanía en la escena literaria sino también la problematización de las identidades de género la deconstrucción de las subjetividades generizadas la puesta en cuestión de la heterosexualidad obligatoria y de las coerciones socioculturales sobre las mujeres y otros grupos minoritarios Supone además la introducción de una perspectiva inédita sobre los cuerpos que los desvincular definitivamente del dominio natural para subrayar las determinaciones culturales en los procesos de construcción de la corporalidad Supone en definitiva un corrimiento de los límites de la representación a partir de la incorporación de una mirada crítica complejizadora y deconstructiva sobre premisas fundacionales de nuestra cultura desde una posición situada opuesta a esencialismos univocidades y naturalizaciones

Perón Horacio González, 2007 Las traiciones de Perón Hugo Gambini, Ariel Kocik, 2019-06-01 Como Perón usó a sus amigos parejas familiares aliados colaboradores y seguidores para luego engañarlos sistemáticamente cuando dejaban de servir a sus ambiciones políticas Nadie estuvo a salvo del accionar de Perón gran conspirador Los testigos de su ascenso a la cumbre sus cercanos camaradas de armas los sindicalistas leales sus mejores funcionarios y hasta su propia familia conocieron la crueldad de un sistema de mando que no excluyó el crimen y el despojo proyectando esos aspectos siniestros sobre el movimiento que con un discurso de lealtad se forjó bajo el signo de la traición Esta nueva investigación de Hugo Gambini y Ariel Kocik analiza las grandes promesas y mitos de Perón con una exhaustiva exploración de fuentes Recorre los años de exilio del líder y su tercer gobierno perodados marcados por apetitos y venganzas tanto del líder como de sus discípulos cultores de la violencia envueltos en sordas disputas de poder que se saldaron con asesinatos entre los peronistas hasta llegar al terrorismo de Estado iniciado en 1973 Las traiciones de Perón es un libro indispensable para comprender la historia del peronismo las razones de sus escándalos del presente y anticipar sus efectos a futuro

The Space of Disappearance Karen Elizabeth Bishop, 2020-04-01 More than thirty thousand people were forcibly disappeared during the military dictatorship that governed Argentina from 1976 to 1983 leaving behind a cultural landscape fractured by absence denial impunity and gaps in knowledge This book is about how these absences assume narrative form in late twentieth century Argentine fiction and the formal strategies and structures authors have crafted to respond to the country's use of systematic disappearance as a mechanism of state terror In incisive close readings of texts by Rodolfo Walsh Julio Cortázar and Tomás Eloy Martínez Karen Elizabeth Bishop explores how techniques of dissimulation doubling displacement suspension and embodiment come to serve both epistemological and ethical functions grounding new forms of

historical knowledge and a new narrative commons whose work continues into the twenty first century Their writing Bishop argues recalibrates our understanding of the rich and increasingly urgent reciprocities between fiction history and the demands of human rights In the end The Space of Disappearance asks us to reexamine in fiction what we think we cannot see there at the limits of the literary disappearance appears as a vital agent of resistance storytelling and world building
