Peronism Without Peron Unions Parties And Democracy

By McGuire

Hal Brands

Peronism Without Peron Unions Parties And Democracy By McGuire:

Peronism Without Perón James W. McGuire, 1999-02-01 Peronism the Argentine political movement created by Juan Perón in the 1940s has revolved since its inception around a personalistic leader a set of powerful trade unions and a weakly institutionalized political party This book examines why Peronism continued to be weakly institutionalized as a party after Perón was overthrown in 1955 and argues that this weakness has impeded the consolidation of Argentine democracy Within an analysis of Peronism from 1943 to 1995 the author pays special attention to the 1962-66 and 1984-88 periods when some Peronist politicians and union leaders tried but failed to strengthen the party structure By identifying the forces that led to these efforts of party building and by analyzing the counterforces that thwarted them he shows how these failures have shaped Argentina's experience with democracy Drawing on this interpretation of Peronism and its place in Argentine politics the book develops a distributive conflict political party explanation for Argentina's democratic instability and contrasts it to alternatives that stress economic dependency populist economic policies political culture and military interventionism

Politicians and Economic Reform in New Democracies Kent Eaton, 2010-11 As economic reform in developing countries has shifted from macroeconomic stabilization to liberalization opportunities for legislators to influence the process and outcome of reform have increased and their role has become more important This book focuses attention on differences in institutional structure in political parties and electoral rules to show how they create incentives that can explain the varying ways in which legislators respond to policy initiatives from the executive branch In Argentina and the Philippines presidents proposed similar fiscal reforms in the 1990s expanding tax bases strengthening tax administration and redesigning tax revenue sharing with subnational governments Drawing on archival research and interviews with policy makers Kent Eaton follows the path of legislation in these three areas from initial proposal to final law to reveal how it was shaped by the legislators participating in the process Obstacles to the adoption of reform he demonstrates are greater in candidate centered systems like the Philippines where the cultivation of personal reputations is paramount than in party centered systems like Argentina's where loyalty to party leaders is emphasized To test his argument further Eaton looks finally at other kinds of reform ventured in these two countries and at tax reforms attempted in some other countries

Post-Communist Democracies and Party Organization Margit Tavits, 2013-06-24 Scholars of post communist politics often argue that parties in new democracies lack strong organizations sizable membership local presence and professional management because they do not need them to win elections and they may hinder a party's flexibility and efficiency in office *Post Communist Democracies and Party Organization* explains why some political parties are better able than others to establish themselves in new democracies and why some excel at staying unified in parliament whereas others remain dominated by individuals Focusing on the democratic transitions in post communist Europe from 1990 to 2010 Margit Tavits demonstrates that the successful establishment of a political party in a new democracy crucially depends on the strength of

its organization Yet not all parties invest in organization development This book uses data from ten post communist democracies including detailed analysis of parties in the Czech Republic Estonia Hungary and Poland Politics Latin America Gavin O'Toole,2014-05-12 This is a volume which will become invaluable to those attempting to guide the neophyte through the maze of politics in Latin America Journal of Latin American Studies Politics Latin America examines the role of Latin America in the world and its importance to the study of politics with particular emphasis on the institutions and processes that exist to guarantee democracy and the forces that threaten to compromise it Now in its second edition and fully revised to reflect recent developments in the region Politics Latin America provides students and teachers with an accessible overview of the region s unique political and economic landscape covering every aspect of governance in its 21 countries The book examines the international relations of Latin American states as they seek to carve out a role in an increasingly globalised world and will be an ideal introduction for undergraduate courses in Latin American politics and comparative politics *Routledge Handbook of Southeast Asian Democratization* William Case,2015-04-24 Southeast Asia an economically dynamic and strategically vital region seemed until recently to be transiting to more democratic politics This progress has suddenly stalled or even gone into reverse requiring that analysts seriously rethink their expectations and theorizing The Routledge Handbook of Southeast Asian Democratization provides the first book length account of the reasons for democracy s declining fortunes in the region today Combining theory and case studies it is structured in four major sections Stunted Trajectories and Unhelpful Milieus Wavering Social Forces Uncertain Institutions Country cases and democratic guises This interdisciplinary reference work addresses topics including the impact of belief systems historical records regional and global contexts civil society ethnicity women Islam and social media The performance of political institutions is also assessed and the volume offers a series of in depth case studies evaluating the country records of particular democratic hybrid and authoritarian regimes from a democratization perspective Bringing together nearly 30 key international experts in the field this cutting edge Handbook offers a comprehensive and fresh investigation into democracy in the region This timely survey will be essential reading for scholars and students of Democratization and Asian Politics as well as policymakers concerned with democracy s setbacks in Southeast Asia and the implications for the region s citizens

Economic Development Strategies and the Evolution of Violence in Latin America W. Ascher,N. Mirovitskaya,2016-01-19 Economic Development Strategies and the Evolution of Violence in Latin America explores the links between Latin American governments economic policies and the nature and dynamics of inter group violence Based on the patterns of ten countries the contributions to this volume trace the remarkable transformation from open ideological conflict to the explosion of social seemingly apolitical violence the upsurge of urban crime and the confrontations over natural resources and drugs across the region spanning from Mexico to Argentina The variations in economic success and in conflict prevention and transformation can guide policymakers development professionals and activists committed to conflict sensitive development **The Oxford**

Handbook of Populism Cristóbal Rovira Kaltwasser, Paul A. Taggart, Paulina Ochoa Espejo, Pierre Ostiguy, 2017-10-26

Populist forces are becoming increasingly relevant across the world and studies on populism have entered the mainstream of the political science discipline. However, so far, no book has synthesized the ongoing debate on how to study the populist phenomenon. This handbook provides state-of-the-art research and scholarship on populism and lays out not only the cumulated knowledge on populism but also the ongoing discussions and research gaps on this topic. The Oxford Handbook of Populism is divided into four sections. The first presents the main conceptual approaches on populism and points out how the phenomenon in question can be empirically analyzed. The second focuses on populist forces across the world and includes chapters on Africa, Australia and New Zealand, Central and Eastern Europe, East Asia, India, Latin America, the Post-Soviet States, the United States, and Western Europe. The third reflects on the interaction between populism and various relevant issues, both from a scholarly and political point of view. Amongst other issues, chapters analyze the relationship between populism and fascism, foreign policy, gender, nationalism, political parties, religion, social movements, and technocracy. Finally, the fourth part includes some of the most recent normative debates on populism, including chapters on populism and cosmopolitanism, constitutionalism, hegemony, the history of popular sovereignty, the idea of the people, and socialism. The handbook features contributions from leading experts in the field and is indispensable for positioning the study of populism in political science.

Labor Conflict and Capitalist Hegemony in Argentina Agustín Santella, 2016-07-11. *Labor Conflict and Capitalist Hegemony in Argentina* delves into the dynamics of labor conflict during a decisive moment in the history of Neoliberalism and its crisis. How did workers react to labor flexibilization, market reforms, and massive layoffs? In what way were employers able to keep hold of industrial hegemony during the crisis of Neoliberalism? This book explores these questions from a Marxian approach on peripheral capitalist countries with the aim of contributing to a new conceptualization of labor relations, labor history, and collective class action. The analysis focuses on the automotive industry in Argentina between 1990 and 2007, although framed in broader temporal dynamics. Labor conflict and capitalist hegemony in Argentina relate to the dynamics of the labor conflict in the crucial period of the history of neoliberalism and its crisis. How did workers react to labor flexibilization, market reforms, and massive layoffs? How did employers maintain industrial hegemony during the crisis of neoliberalism? The book formulates questions starting from an application of the Marxian analysis to peripheral capitalist countries. On this basis, it proposes a novel conceptualization of labor relations, labor history, and collective class action. The analysis is focused on the automotive industry in Argentina between 1990 and 2007, although framed in broader temporal dynamics.

Party Systems in Post-Soviet Countries A. Meleshevich, 2007-01-22. This book conducts a comparative analysis of political institutions and develops rigorous methods suitable for cross-national longitudinal analysis. An examination of political party systems in Estonia, Latvia, Lithuania, Russia, and Ukraine shows striking differences of degrees and dynamics of political institutionalization in the five

nations

History of Political Parties in Twentieth-century Latin America Torcuato Di Tella, 2017-07-05 The general perception of modern Latin American political institutions emphasizes a continuing and random process of disorder and crisis continually out of step with other regions in their progress toward democracy and prosperity In *History of Political Parties in Twentieth Century Latin America* Torcuato S Di Tella demonstrates that this common view lacks context and comparative nuance and is deeply misleading Looking behind the scenes of modern Latin American history he discerns its broad patterns through close analysis of actual events and comparative sociological perspectives that explain the apparent chaos of the past and point toward the more democratic polity now developing Di Tella argues that although Latin America has peculiarities of its own they must be understood in their contrasts and similarities with both the developed centers and undeveloped peripheries of the world Latin American societies have been prone to mass rebellions from very early on more so than in other regions of the world He analyzes as well such significant exceptions to this pattern as Chile Colombia and to a large extent Brazil Turning to the other side of the social spectrum he shows how the underprivileged classes have tended to support strongman populist movements which have the double character of being aggressive toward the established order but at the same time repressive of public liberties and of more radical groups Di Tella provides here a necessary examination of the concept of populism and divides it into several variants Populism he maintains is by no means disappearing but its variants are instead undergoing important changes with significant bearing on the region's near term future *History of Political Parties in Twentieth Century Latin America* is rich in historical description but also in its broad review of social structures and of the strengths and weaknesses of political institutions Choice commented that this heavily documented volume with an extensive bibliography would prove valuable to researchers and advanced students of Latin America

The Rule of Law in Nascent Democracies Rebecca Bill Chavez, 2004 This book explains how the rule of law emerges and how it survives in nascent democracies The question of how nascent democracies construct and fortify the rule of law is fundamentally about power By focusing on judicial autonomy a key component of the rule of law this book demonstrates that the fragmentation of political power is a necessary condition for the rule of law In particular it shows how party competition sets the stage for independent courts Using case studies of Argentina at the national level and of two neighboring Argentine provinces San Luis and Mendoza this book also addresses patterns of power in the economic and societal realms The distribution of economic resources among members of a divided elite fosters competitive politics and is therefore one path to the requisite political fragmentation Where institutional power and economic power converge a reform coalition of civil society actors can overcome monopolies in the political realm

The New Latin American Left Jeffery R. Webber, Barry Carr, 2013 This anthology bringing together political scientists anthropologists historians sociologists economists and journalists provides a serious and sophisticated theoretical and historical analysis of the state of the Latin American Left The central thematic issues are addressed followed by a number of case studies written by the most astute radical Left observers

of the contemporary setting *State-Sponsored Activism* Jessica Rich, 2019-03-14 Through a study of AIDS policy this book introduces a new model of state society relations in democratic Brazil **Reflections on Uneven Democracies** Daniel Brinks, Marcelo Leiras, Scott Mainwaring, 2014-09-22 A tour de force analysis of the current state of democracy studies as seen through the scholarly legacy of Guillermo O'Donnell Winner of the CHOICE Outstanding Academic Title of the Choice ACRL The third wave of democratization produced a wealth of enduring social science Beginning in the 1970s it prompted scholars to develop important theories on authoritarian breakdowns and transitions to democracy No one in the field was more influential than Guillermo O'Donnell 1936-2011 whose pathbreaking work shaped the scholarship of generations of social scientists *Reflections on Uneven Democracies* honors the legacy of O'Donnell's research by advancing debates related to his work on democracy Drawing together a veritable Who's Who of eminent scholars including two of O'Donnell's closest collaborators Philippe Schmitter and Laurence Whitehead the volume examines issues related to democratic breakdowns and stability the nature and quality of new democracies institutional strength the rule of law and delegative democracy This reexamination of some of the most influential arguments about democracy of the past forty years leads to original approaches and insights for a new era of democracy studies Students of democracy and institutional performance both Latin Americanists and comparativists more generally will find this essential reading **Latin American Party Systems** Herbert Kitschelt, Kirk A. Hawkins, Juan Pablo Luna, Guillermo Rosas, Elizabeth J. Zechmeister, 2010-02-22 Political parties provide a crucial link between voters and politicians This link takes a variety of forms in democratic regimes from the organization of political machines built around clientelistic networks to the establishment of sophisticated programmatic parties *Latin American Party Systems* provides a novel theoretical argument to account for differences in the degree to which political party systems in the region were programmatically structured at the end of the twentieth century Based on a diverse array of indicators and surveys of party legislators and public opinion the book argues that learning and adaptation through fundamental policy innovations are the main mechanisms by which politicians build programmatic parties Marshalling extensive evidence the book's analysis shows the limits of alternative explanations and substantiates a sanguine view of programmatic competition nevertheless recognizing that this form of party system organization is far from ubiquitous and enduring in Latin America *Pathways to Power* Peter M. Siavelis, 2012-03-31 A cross national analysis of political recruitment and candidate selection in six Latin American countries Argentina Brazil Chile Colombia Mexico and Uruguay Provides typology and theoretical insights for other countries in the region and around the world Provided by publisher

In Search of the Lost Decade Jennifer Adair, 2019-12-03 In 1983 following a military dictatorship that left thousands dead and disappeared and the economy in ruins Raúl Alfonsín was elected president of Argentina on the strength of his pledge to prosecute the armed forces for their crimes and restore a measure of material well being to Argentine lives Food housing and full employment became the litmus tests of the new democracy *In Search of the Lost Decade* reconsiders Argentina's

transition to democracy by examining the everyday meanings of rights and the lived experience of democratic return far beyond the ballot box and corridors of power Beginning with promises to eliminate hunger and ending with food shortages and burning supermarkets Jennifer Adair provides an in depth account of the Alfons n government s unfulfilled projects to ensure basic needs against the backdrop of a looming neoliberal world order As it moves from the presidential palace to the streets this original book offers a compelling reinterpretation of post dictatorship Argentina and Latin America s so called lost decade Latin America In Crisis John W. Sherman,2019-05-20 This book examines the intellectual problem of Latin American poverty and discusses some of the explanations scholars have traditionally used to account for it It focuses on its political and military dimensions of revolution and counterrevolution in the postwar era **Latin America's Cold War** Hal Brands,2012-03-05 For Latin America the Cold War was anything but cold Nor was it the so called long peace afforded the world s superpowers by their nuclear standoff In this book the first to take an international perspective on the postwar decades in the region Hal Brands sets out to explain what exactly happened in Latin America during the Cold War and why it was so traumatic Tracing the tumultuous course of regional affairs from the late 1940s through the early 1990s Latin America s Cold War delves into the myriad crises and turning points of the period the Cuban revolution and its aftermath the recurring cycles of insurgency and counter insurgency the emergence of currents like the National Security Doctrine liberation theology and dependency theory the rise and demise of a hemispheric diplomatic challenge to U S hegemony in the 1970s the conflagration that engulfed Central America from the Nicaraguan revolution onward and the democratic and economic reforms of the 1980s Most important the book chronicles these events in a way that is both multinational and multilayered weaving the experiences of a diverse cast of characters into an understanding of how global regional and local influences interacted to shape Cold War crises in Latin America Ultimately Brands exposes Latin America s Cold War as not a single conflict but rather a series of overlapping political social geostrategic and ideological struggles whose repercussions can be felt to this day **Democratic Governance and International Law** Gregory H. Fox,Brad R. Roth,2000-05-11 PART V CRITICAL APPROACHES

Peronism Without Peron Unions Parties And Democracy By Mcguire Introduction

In the digital age, access to information has become easier than ever before. The ability to download Peronism Without Peron Unions Parties And Democracy By Mcguire has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Peronism Without Peron Unions Parties And Democracy By Mcguire has opened up a world of possibilities. Downloading Peronism Without Peron Unions Parties And Democracy By Mcguire provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Peronism Without Peron Unions Parties And Democracy By Mcguire has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Peronism Without Peron Unions Parties And Democracy By Mcguire. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Peronism Without Peron Unions Parties And Democracy By Mcguire. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Peronism Without Peron Unions Parties And Democracy By Mcguire, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Peronism Without Peron Unions Parties And Democracy By Mcguire has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for

students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Peronism Without Peron Unions Parties And Democracy By Mcguire Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
