*Perpetuated in Righteousness* Daniel I. Kikawa, 1994      **The Limits to Union** Jonathan Goldberg-Hiller, 2023-06-20  
Revised and updated to include the most current information on same sex marriage The Limits to Union documents a legal struggle at its moment of greatest historical importance The Limits to Union is a superb book about the complexities of recent political struggles over same sex marriage Goldberg Hiller offers a sophisticated account of egalitarian rights advocacy and the reaction it has generated from established majorities animated by a new common sense of exclusionary sovereign authority The author s analysis is multidimensional and nuanced but the core argument is bold important and well supported I recommend it very highly to everyone interested in understanding the character possibilities and constraints of civil rights amid our contemporary culture wars Michael McCann author of Rights at Work Pay Equity Reform and the Politics of Legal Mobilization In this excellent book Goldberg Hiller uses Hawaii s experience to examine the interaction between courts and the political system Relying on briefs legislative statements and interviews with activists from both sides of the question he views this familiar debate through the unfamiliar prism of gay marriage which allows him to gauge the viability and the pliability of the American civil rights ideal and how gay and lesbian issues fit or don t fit within that ideal William Heinzen New York Law Journal Goldberg Hiller presents the history of the same sex marriage question since it first sparked debate in Hawaii He follows the shifting debate through court cases state propositions and state and federal legislatures considering questions about the constitutionality of the Defense of Marriage Act and the concept of equal protection under the law for gays and lesbians This detailed treatment of the legal issues surrounding same sex marriages is highly recommended R L Abbott University of Evansville A valuable contribution to the field situating the gay marriage debate in broader contexts of theory law and practice Same sex marriage is an important issue that finds itself caught in the friction points of much larger debates over the nature of rights the limits of sovereignty and the proper role of courts and law in a democratic society The Limits to Union should therefore be of interest even to those who do not think of themselves as interested in gay and lesbian rights issues Evan Gerstmann Loyola Marymount University Law and Politics Book Review

Ryman, 2018-08-06 This book is one mans journey of faith to a mountain top From that vantage point he could see that we must act from faith in faith for our faith to be faith that for believing to be believing we must be living it The author asks us to make that journey with him as he retraces the steps that answered a long standing prayer and changed his understanding of the Christian faith forever It may change yours too      *Religion and Public Life in the Pacific Region* Wade Clark Roof, Mark Silk, 2005 Pretty much like the rest of the country only more so This quip from Wallace Stegner well represents the Pacific region s religious culture

California Nevada and Hawaii emerged more recently more quickly and with more diversity and fluidity than the other United States Although influenced by Mexican Catholicism Native Traditions Asian Religions and Euro American Christianity no religious tradition dominates and a secular ethos usually reigns But this very religious indifference makes California and the rest of the region open to all sorts of missionary movements and religious innovations New organizational forms new spiritual therapies and new religious hybrids all compete for residents attention along with secular ways for making meaning With all these options residents of the region mix match and move between religious identities more than other Americans Without ignoring its diversity Religion and Public Life in the Pacific Region highlights the key aspects of the region s fluctuating religions and its spirituality s impact on political life Jesus the Truth Vs. Satan the Liar Honolulu Cops for Christ,2020-12-11 In the Gospels Jesus called Satan the Father of Lies From the beginning of Mankind until the present Satan has been lying to mankind in order to destroy us and keep us from eternal life with God Our first ancestors fell victim to a lie of Lucifer and because of their fall all humanity fell under the influence of the devil Jesus came to earth to break Satan s power over us Jesus referred to Himself as the Light of the World and as the Truth He wants to deliver humanity out of the spiritual darkness and deception in which Satan has mankind trapped A spiritual battle rages between Jesus and Satan for the souls of men The weapons of Satan are his numerous lies The weapon of Jesus is the truth of His Word He said that the truths He taught were a solid and unshakable foundation in a world of shifting and sinking sand In Jesus the Truth vs Satan the Liar this cop for Christ exposes many of the dark lies of Satan that are spread within America s higher education system They are exposed by the light of biblical truth giving students the knowledge they need to reject the lies and all who spread them 84 84 **[RETRACTED] Voices of Social Justice and Diversity in a Hawai'i Context** ,2019-09-24

Schram,2000-03-01 Do contemporary welfare policies reflect the realities of the economy and the needs of those in need of public assistance or are they based on outdated and idealized notions of work and family life Are we are moving from a war on poverty to a war against the poor In this critique of American social welfare policy Sanford F Schram explores the cultural anxieties over the putatively deteriorating American work ethic and the class race sexual and gender biases at the root of current policy and debates Schram goes beyond analyzing the current state of affairs to offer a progressive alternative he calls radical incrementalism whereby activists would recreate a social safety net tailored to the specific life circumstances of those in need His provocative recommendations include a series of programs aimed at transcending the prevailing pernicious distinction between social insurance and public assistance so as to better address the needs of single mothers with children Such programs could include divorce insurance or even some form of pregnancy insurance for women with no means of economic support By pushing for such programs Schram argues activists could make great strides towards achieving social justice even in today s reactionary climate      Native Hawaiian Federal Recognition United States.
