## **Perpetuating The Memory Of A Sportscaster:**

Perpetuating the Memory of a Sportscaster Liston B. Monsanto, 2006-02 These essays offer different ways of understanding what the listener may find to be enjoyable in any opera They were originally prepared to be included in programs distributed at opera performances thus the title of this book NOTES ON THIS EVENING S OPERA Audiences have commented positively on the content and easy reading style which the author has used in the notes The Sequel Sr. Liston B. Monsanto, Sr. Monsanto, 2008-12 In his English grandmother s apartment in Berlin s Old West the writer heard Neville Chamberlain s voice coming through the radio telling the world Peace in Our Time Walking with his cousin York along the fashionable Tauentzienstrasse the morning after Crystal Night York kept him from picking up some jewelry intending to put it back in a store s broken display Don t you see the SA men You don t want to mess with those guys At the railroad station of the Olympic village of Garmisch Partenkirchen he was part of a contingent welcoming Rudolf Hess not long before Hitler s deputy flew to Scotland During the writer s stay in a boarding school the Gauleiter came to visit An upperclassman had pasted a Hitler stamp on the wall his idea for the recommended Hitler portrait He and his aunt Lindy were in a review theater on Berlin s Kurfuerstendamm when a news bulletin came through that an attempt had been made on the Fuehrer s life But to the author and his friends Lunceford and Basie records were more important and so was their poker club Most wars cannot be comprehended in isolation The Second World War is a prime example The author goes back to the First World War and its origins His father whose diplomatic career began in 1914 in Japan and America provided essential information particularly about Americas entry into the war The first war cast a very dark shadow across the entire twentieth century and it is beginning to look like it the time beyond Among its immediate consequences was the emergence of extremist parties leading in Germany to the Hitler government and the critical Empowerment Law Even so there were several opportunities of avoiding the worst and when the second war did brake out it was as if it had been preordained

Mark Well My Words Liston Monsanto, Sr., 2010-05-28 This book offers a treasure trove of information It was inspired by what may be the only totalitarian government under the American flag and designed to act as a benefactor for the disadvantaged people of the Virgin Islands There is nothing pretentious about it Together with the other books written by Liston B Monsanto Sr it definitively adds another paragraph to his obituary Pepper Pot Liston B. Monsanto Sr., 2011-10-31 Pepper Pot a book full of peppery words is not the least of the other books written by Liston B Monsanto Sr It is the fifth in a series of books authored by him And whereas Kalaloo A Pepper Pot was at one time the most important and principal meal on New Years Eve Old Years Night in the Virgin Islands and whereas this book Pepper Pot is as eclectic as Kalaloo inasmuch as it is made up of stories that are not alike it has become without a doubt good food for the mind Had it been written by the office of the Inspector General for the publics review it would have easily been called an audit **Horn of Plenty** Liston B. Monsanto, Sr., 2012-08-15 Horn of Plenty is a cornucopia producing much fruit from the flora of the

United States Virgin Islands A fruity book coming with a lot of anxieties it is loaded with stories galore some laughable and others designed to produce a serious face With so many fruits in the cornucopia Horn of Plenty could easily have been called a fruit compote How did I work it into my repertoire Very easy Aided by a Virgin Islands totalitarian governmental system and the many oppressors therein made writing this book a piece of fruit cake **Vintage Bear Archery Gear** Jorge L. the first of its kind written by a Virgin Islander It tells of a sportscaster embraced by many and tolerated by others Additionally it tells of that selfsame sportscaster being victimized by envy jealousy and political finagling in a Virgin Islands society where people swallowed up by hypocrisy pretend to have more knowledge than they really have In preparing and writing the book every precaution was taken in order to minimize digressions while speaking relevant to the point and purpose for the benefit of the living and generations of the future Author Liston Monsanto Sr is greatly please to hand down a publication leaving to posterity the first book ever published by a Virgin Islander exposed to the world of sports     *A Few Minutes to Air Unabridged CD ,2014-11-18*
