**Life and Death in Revolutionary Ukraine** Stephen Velychenko, 2021-12-15 Between 1917 and 1923 Ukraine experienced an anti colonial war for national liberation foreign invasion socialist revolution and civil war simultaneously resulting in almost unimaginable civilian casualties In *Life and Death in Revolutionary Ukraine* Stephen Velychenko surveys the plight of civilians details the socio economic background to the political events that unfolded during this time and documents the country's demographic losses Focusing specifically on two causes of civilian death deliberate killing and appalling living conditions Velychenko outlines prewar improvements in living conditions and describes their decline after 1917 He examines governmental culpability in civilian death and notes that while ideologies and the inability of leaders to control subordinates were undeniably causes of violence there were other factors at play Velychenko mines previously unused archival sources to create a picture of the social conditions leading up to and during this catastrophic period combining this data with stories and reports from memoirs of the period Readers familiar with the explosion of violence against Jews at this time will find here a compelling framework for understanding the context of that violence *Zero Point Ukraine* Olena Stiazhkina, 2021-03-30 In her *Four Essays on World War II* Olena Stiazhkina inscribes the Ukrainian history of World War II into a wider European and world context Among other aspects she analyzes the mobilization measures on the eve of the war and reconsiders Soviet narratives on them Scrutinizing social and political processes initiated by the Bolshevik leadership in the 1920s and 1930s she outlines how mobilization and militarization became integral parts of Soviet politics Today the Kremlin uses Soviet and post Soviet Russian narratives of World War II to justify its aggressive policies towards a number of democratic countries Russia is engaged in falsification of the past to underpin claims of a so called Russian World and its ongoing war against Ukraine Against this background Stiazhkina offers a new understanding of what happened in Ukraine before during and after World War II *The Mobilization at the Periphery* Serhiy Choliy, 2025-06-16 This volume is devoted to the modernization of the army manning system and its impact on the society of Austria Hungary The primary methodology employed is a comparative analysis of military modernization at the imperial level with a specific case study of a peripheral province of the empire Austrian Galicia This model of analysis supported by a solid archival foundation presents a nuanced view of the Modernity period It explores the lives of ordinary individuals from Central Europe and examines the main effects of military service on their everyday experiences The aim of the book is to highlight both the positive and negative aspects of implementing universal compulsory military service for the majority of the empire's population

**Making Ukraine** Olena Palko, Constantin Ardeleanu, 2022-05-15 Russia's illegal annexation of Crimea in 2014 and the ongoing war in eastern Ukraine have brought scholarly and public attention to Ukraine's borders *Making Ukraine* aims to investigate the various processes of negotiation delineation and contestation that have shaped the country's borders throughout the past century Essays by contributors from various historical fields consider how when and under what

conditions the borders that historically define the country were agreed upon A diverse set of national and transnational contexts are explored with a primary focus on the critical period between 1917 and 1954 Chapters are organized around three main themes the interstate treaties that brought about the new international order in Eastern Europe in the aftermath of the world wars the formation of the internal boundaries between Ukraine and other Soviet republics and the delineation of Ukraine's borders with its western neighbours Investigating the process of bordering Ukraine in the post Soviet era contributors also pay close attention to the competing visions of future relations between Ukraine and Russia Through its broad geographic and thematic coverage Making Ukraine illustrates that the dynamics of contemporary border formation cannot be fully understood through the lens of a sole state frontier or ideology and sheds light on the shared history of territory and state formation in Europe and the wider modern world

### **The Great War and the Anthropocene**

,2024-11-04 This volume places the Eastern especially the Austro Russian fronts of the Great War centre stage examining the little known environmental and spatial dimensions in the history of the war The focus is particularly on the Austrian crown land of Galicia which was transformed from a neglected periphery into a battleground of three imperial armies and where for the first time nature was a key protagonist The book balances contributions by emerging and established scholars and benefits from a multi language approach expertise in the field and extensive archival research in national archives Contributors are Hanna Bazhenova Gustavo Corni Iaroslav Golubinov Kerstin Susanne Jobst Tomasz Kargol Alexandra Likhacheva Oksana Nagornaia David Novotny Christoph N bel Gwendal Pi gais Andrea Rendl Kamil Rusza a Nicolas Saunders Kerstin von Lingen Yulia Zherdeva and Liubov Zhvanko

Refugees and Population Transfer Management in Europe, 1914-1920s Kamil Rusza,2024-08-20 This book provides a comprehensive study of refugee movements and population transfers across Europe during the First World War and the early postwar period Drawing parallels with contemporary migration issues the book serves a social and educational purpose by highlighting Europe's history of migration and emphasizing the relevance of past experiences to current challenges It seeks to enhance understanding raise social awareness and contribute to the broader discourse on war refugeeism by applying historical insights to address contemporary migration crises The authors discuss how issues of refugee movements and population transfers were addressed in different contexts and reflect on refugees as both war induced migrants and political tools for authorities The book covers a range of topics including humanitarian systems during the war and the early postwar period refugee locations policy influence national issues self organization and aid for refugees as well as immigration control in time after bordering the postimperial Europe It also addresses the composition of populations in postwar reconstruction processes and its population dynamics This volume will be of value to those interested in modern European history social and political history

Makhno and Memory Sean Patterson,2020-04-09 Nestor Makhno has been called a revolutionary anarchist a peasant rebel the Ukrainian Robin Hood a mass murderer a pogromist and a devil These epithets had their origins in the Russian Civil

War 1917-1921 where the military forces of the peasant anarchist Nestor Makhno and Mennonite colonists in southern Ukraine came into conflict. In autumn 1919 Makhnovist troops and local peasant sympathizers murdered more than 800 Mennonites in a series of large scale massacres. The history of that conflict has been fraught with folklore, ideological battles and radically divergent cultural memories in which fact and fiction often seamlessly blend, conjuring a multitude of Makhnos, each one shouting its message over the other. Drawing on theories of collective memory and narrative analysis, Makhno and Memory brings a vast array of Makhnovist and Mennonite sources into dialogue, including memoirs, histories, diaries, newspapers and archival material. A diversity of perspectives are brought into relief through the personal reminiscences of Makhno and his anarchist sympathizers alongside Mennonite pacifists and advocates for armed self defense. Through a meticulous analysis of the Makhnovist-Mennonite conflict and a micro study of the Eichenfeld massacre of November 1919, Sean Patterson attempts to make sense of the competing cultural memories and presents new ways of thinking about Makhno and his movement. Makhno and Memory offers a convincing reframing of the Mennonite-Makhno relationship that will force a scholarly reassessment of this period.

The history of Ukraine during World War II

**Courage and Fear** Ola Hnatiuk, 2020-01-28

Courage and Fear is a study of a multicultural city in times when all norms collapse. Ola Hnatiuk presents a meticulously documented portrait of Lviv's ethnically diverse intelligentsia during World War Two. As the Soviet, Nazi and once again Soviet occupations tear the city's social fabric apart, groups of Polish, Ukrainian and Jewish doctors, academics and artists try to survive, struggling to manage complex relationships and to uphold their ethos. As their pre-war lives are violently upended, courage and fear shape their actions. Ola Hnatiuk employs diverse sources in several languages to tell the story of Lviv from a multi-ethnic perspective and to challenge the national narratives dominant in Central and Eastern Europe.

Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Persha Svitova Viina I Ukraina : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
