Persian Metaphysics And Mysticism Selected Works Of Aziz Nasafi:

Persian Metaphysics and Mysticism ‘Azīz al-Dīn ibn Muḥammad Nasafi, 2002 Providing the first comprehensive selection in English of Nasafi’s treatises this work offers the Western student of Islam a much needed guide to the speculative and practical dimensions of Sufism *Persian Metaphysics and Mysticism* Lloyd Ridgeon, 2015-03-04 One of the foremost 13th century Persian mystics Aziz Nasafi with his simple manner of explaining God His Essence Attributes and Acts provides the western reader with an overview of all the major interpretations of medieval Islamic thought Providing the first comprehensive selection in English of Nasafi’s treatises Dr Ridgeon’s work offers the western student of Islam a much needed guide to the speculative and practical dimensions of Sufism **Persian Metaphysics and Mysticism** Lloyd Ridgeon, 2013-10-08 One of the foremost 13th century Persian mystics Aziz Nasafi with his simple manner of explaining God His Essence Attributes and Acts provides the western reader with an overview of all the major interpretations of medieval Islamic thought Providing the first comprehensive selection in English of Nasafi’s treatises Dr Ridgeon’s work offers the western student of Islam a much needed guide to the speculative and practical dimensions of Sufism *Awhad al-Dīn Kirmānī and the Controversy of the Sufi Gaze* Lloyd Ridgeon, 2017-11-22 Aw ad al D n Kirm n d 1238 was one of the greatest and most colourful Persian Sufis of the medieval period he was celebrated in his own lifetime by a large number of like minded followers and other Sufi masters And yet his form of Sufism was the subject of much discussion within the Islamic world as it elicited responses ranging from praise and commendation to reproach and contempt for his Sufi practices within a generation of his death This book assesses the few comments written about Kirm n by his contemporaries and also provides a translation from his Persian hagiography which was written in the generation after his death The controversy centres on Kirm n’s penchant for gazing at and dancing with beautiful young boys This anonymous hagiography presents a series of anecdotes that portray Kirm n’s virtues The book provides an investigation into Kirm n the individual but the story has significance that extends much further The controversy of his form of Sufism occurred at a crucial time in the evolution of Sufi piety and theology The research herein situates Kirm n within this critical period and assesses the various perspectives taken by his contemporaries and near contemporaries Such views reveal much about the dynamics and developments of Sufism during the thirteenth and fourteenth centuries when the Sufi orders ur q s ar qa began to emerge and which gave individual Sufis a much more structured and ordered method of engaging in piety and of presenting the Sufi tradition to society at large As the first attempt in a Western language to appreciate the significant contribution that Kirm n made to the medieval Persian Sufi tradition this book will appeal to students and scholars of Sufi Studies as well as those interested in Middle Eastern History **Major World Religions** Lloyd V. J. Ridgeon, 2003 This book focuses upon those religions that continue to demand the attention of the Western world **Ibn ‘Arabi’s Religious Pluralism** Faris Abdel-hadi, 2024-12-20 This book marks a significant contribution to the debate around Ibn Arab’s religious pluralism focusing on his multifaceted

approach to non Abrahamic religions For nearly eight hundred years the writings and ideas of the great Spanish Sufi master Ibn Arab have shaped Islamic intellectual and spiritual culture from North and West Africa and France on the one hand to Iran the Levant Central Asia and the Far East on the other Modern scholarship on the Greatest Master is consequently at an all time high This book weighs in on a well known aspect of his religious worldview namely his perspective on religious pluralism but does so from an entirely different angle Offering a very close reading of his major works newly translated by the author and paying particular attention to a highly developed celestial metaphor prompted by his encounter with a group of pagan sun worshippers the book offers new insights into the nature and scope of Ibn Arab s understanding of Islamic inclusivism Ultimately the book contributes to our understanding of both interfaith dialogue and the history of world religions through the prism of Ibn Arab s work The book will be of particular interest to students and scholars working in a range of fields including Islamic philosophy Sufism and intellectual history

Islam's Fateful Path Zidane Meriboute,2009-03-15 Looks at the traditions of Sufism and 12th century philosophers as a way for Islam to successfully evolve in the 21st century and beyond **American Journal of Islamic Social Sciences 23:3** Philipp Bruckmayr,Kristian Petersen,Haiyun Ma,Ross Cuthbert,2006-07-03 The American Journal of Islamic Social Sciences AJISS is an interdisciplinary journal that publishes a wide variety of scholarly research on all facets of Islam and the Muslim world anthropology economics history philosophy and metaphysics politics psychology religious law and traditional Islam Submissions are subject to a blind peer review process
