Persian Oil A Study In Power Politics:

Persian Oil Laurence Paul Elwell-Sutton,1955 **Oil, Power, and Principle** Mostafa Elm,1994-12-01 This work deals with the oil crises of the 1950s precipitated by Iran's decision to nationalise the Anglo Iranian Oil Company The roots of the revolt against British imperialism are explored here along with the long term consequences of instability in the Middle East

Oil Politics Francisco Parra,2003-11-21 The environmental the economic and indeed the political impact of the catastrophic 2010 blowout of BP's well in the Gulf of Mexico has highlighted the central part played by oil in the modern world The fate of millions now depends on the ever shifting value of petroleum and on the fortunes of the corporations that deliver it The story of oil how it came to play such a dominant role in the world economy who controls its extraction pricing and supply is essential to an understanding of contemporary world politics In this acclaimed book Francisco Parra draws on his long experience in the oil world including as the Secretary General of OPEC to tell it Oil Politics surveys the tumultuous history of the international petroleum industry from its extraordinary growth between 1950 and 1979 presided over by the seven major oil companies to the price revolution of the 1970s and 1980s to the re emergence of Russia as an important but uncertain supplier Parra charts the changing power dynamics amongst the major oil suppliers and examines their relationships with the major oil importing countries and how these concerns have impacted on foreign policy Oil politics in the twenty first century remain fraught with tensions and this book offers a uniquely accessible guide to understanding this complex but vitally important subject Francisco Parra's long service in the oil industry and his rare intellectual capabilities make him an authority on this subject His book is a must Dr F J Chalabi Executive Director Centre for Global Energy Studies Few in the industry can match the variety of Parra's experience This is a world class book and a must for all those interested in international oil policies and politics and a good read as well Nordine Ait Laoussine former Algerian Minister of Oil This is a splendid volume erudite lucid forthright full of insight and a rollicking good read to boot Frank Parra has written a tour de force a thinking man's Prize International Atomic Energy Agency Journal Mohammad Mosaddeq and the 1953 Coup in Iran Mark J. Gasirowski,Malcolm Byrne,2015-02-01 Mohammad Mosaddeq is widely regarded as the leading champion of secular democracy and resistance to foreign domination in Iran's modern history Mosaddeq became prime minister of Iran in May 1951 and promptly nationalized its British controlled oil industry initiating a bitter confrontation between Iran and Britain that increasingly undermined Mosaddeq's position He was finally overthrown in August 1953 in a coup d'état organized and led by the U S Central Intelligence Agency along with British intelligence This coup initiated a twenty five year period of growing dictatorship in Iran leaving many Iranians resentful of the U S legacies that still haunt relations between the two countries today This book examines the turbulent political climate that prevailed in Iran during Mosaddeq's tenure the confrontation between Iran and Britain for control over Iran's oil the strategic considerations that led U S officials to intervene and the details of the coup itself Based on exhaustive research by leading academic experts in the field this is the

most authoritative account of the tragic events that led to the overthrow of Mosaddeq With the recent declassification of CIA and other documents regarding the events of 1953 in Iran there is an opportunity for new in depth analysis into not only the coup d tat itself but also the events that led up to it

The Origins of the Cold War in the Near East Bruce Roberlet Kuniholm,2014-07-14 Bruce Kuniholm takes a regional perspective to focus on postwar diplomacy in Iran Turkey and Greece and efforts in these countries to maintain their independence from the Great Powers Drawing on a wide variety of secondary sources government documents private papers unpublished memoirs and extensive interviews with key figures he shows how the traditional struggle for power along the Northern Tier was a major factor in the origins and development of the Cold War between the U S and the U S S R Originally published in 1980 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Iran and Global Decolonisation Robert Steele,Firoozeh Kashani-Sabet,2024-04-03 A presentation of scholarly work that investigates Iran s experiences with colonialism and decolonization from a variety of perspectives How did Iran s unique position in the world affect and define its treatment of decolonization During the final decades of Pahlavi rule in the late 1970s the country sought to establish close relationships with newly independent counterparts in the Global South Most scholarly work focused on this period is centered around the Cold War and Iran s relations with the United States Russia and Europe Little attention has been paid to how the country interacted with other regions such as Africa Asia and the Americas Adding to an important and growing body of literature that discusses the profound and lasting impact of decolonization Iran and Global Decolonisation contributes to the theoretical debates around the re shaping of the world brought about by the end of an empire It considers not only the impact of global decolonization on movements and ideas within Iran but also how Iran s own experiences of imperialism shaped how these ideas were received and developed

The British Empire in the Middle East, 1945-1951 William Roger Louis,1984 With intellectual rigor and careful attention to recently released papers Wm Roger Louis s study asks Why did Britain s colonial empire begin to collapse in 1945 and how did the post war Labour government attempt to sustain a vision of the old Empire through imperialism in the Middle East

Globalization and the Decline of American Power Cyrus Bina,2022-11-23 This book explores America s decline as a global power arguing that the implosion of Pax Americana was initiated by the process of globalization preceding the collapse of the Soviet Union by nearly a decade The era of Pax Americana and with it American hegemony is conclusively passed and will not return in current global conditions There is a stark contrast between the present epoch and the postwar era of American hegemony 1945 1979 in which the United States at least outside of the Soviet sphere of influence largely managed the international economy and reigned over

international politics and relations Drawing on both theoretical and empirical evidence this book shows that the era of globalization unleashed forces social political and economic which broke down the status quo of American hegemony Author Cyrus Bina also establishes that since the Iranian Revolution 1979 US involvement throughout the Middle East in Iraq Afghanistan Libya Syria Yemen and now notably in Ukraine has been motivated by the freefall of American hegemony and an attempt to get it back by direct or indirect military force Bina utilizes these contexts for wider analysis and critique of a number of theories commonly used to analyze economy polity geopolitical and dynamics of crisis and social change in capitalism This book will be of great interest to students academics and policymakers on subjects of Economics International Relations Global Studies International Political Economy Political Geography Sociology and postwar History **The Middle East and North Africa 2003** Eur, **Essays on the Economic History of the Middle East** Sylvia G. Haim, Elie Kedourie, 2005-09-30 Published in 1988 *Essays on the Economic History of the Middle East* is a valuable contribution to the field of Middle Eastern Studies **Tribal Politics in Iran** Stephanie Cronin, 2007-01-24 Placing Iran's tribal problem in its historical context this innovative and important work provides an overall assessment of tribal politics in the Riza Shah period challenging conventional political and scholarly approaches to tribal politics *The Persian Metres* Elwell-Sutton, 1976-07-15 L P Elwall Sutton provides a complete introduction to and survey of the metres used in Persian classical poetry which extends from the 9th century AD onwards **What the British Did** Peter Mangold, 2016-04-07 Britain has been engaged in the Middle East for over two centuries During the Napoleonic Wars it expelled the French from Egypt During World War I it helped to dismantle the Ottoman empire During World War II it defeated the Italians and Germans In the post war years it attempted to reassert its domination of the Middle East but with little success Today British forces in the region are fighting ISIS Various seen as intruders by most of the local populations and nationalists and as protectors by local pliant rulers the British have been key arbiters in Middle Eastern politics They created new states determined who could hold power resolved disputes and offered security to their clients In this major new study Peter Mangold shows how Britain sought to protect its changing interests in the region and assesses the British response to Arab nationalism He examines the successes and failures of British policy and the reasons it has often proved controversial and accident prone And he evaluates Britain's complex legacy in the Middle East its contribution to the stability of Jordan at least to date and the Gulf states set against the instability which has plagued Iraq and the unresolved Palestine conflict In tracing the history of Britain's relationship with the Middle East Mangold reveals how Britain's involvement in the Middle East sowed the seeds for today's crises **Modern Persian Prose Literature** Hassan Kamshad, 1966 This 1966 book provides a series of concise accessible essays reflecting on the development of Persian fiction during the modern period The structure of the text is broadly chronological with chapters allocated to key authors literary movements and social changes This is a valuable volume for anyone interested in Persian literature *Britain and South-West Persia 1880-1914* Shahbaz

Shahnavaz,2005 This study of the Anglo Iranian relationship analyses the opening up of the Karun trade discussing the region s demography commerce and industry before the Karun advent and the impact of British political and commercial penetration

Politics of Social Change Manfred Halpern,2015-12-08 The author analyzing major social groups in this area treats particularly the new middle class a group socially isolated from the traditional life of Islam and committed to a wide ranging modernizing impulse Originally published in 1963 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Iran Under the Pahlavi Monarchy Homa Katouzian,2025-05-19 Bringing together eighteen essays from Homa Katouzian this book explores Iranian history politics culture and Persian literature from mediaeval times through the nineteenth century and into the contemporary period Beginning with an overview of mediaeval Iranian history the book then considers developments in the nineteenth century leading to the Constitutional Revolution of 1906 1911 which resulted in the fall of the Qajar dynasty 1785 1925 This is followed by a comprehensive overview of the Pahlavi monarchy 1925 1979 and a new and original analysis of the Iranian Revolution of February 1979 The book also includes essays on modern and classical Persian literature encompassing Persian poetry and politics 1919 1925 the hitherto unstudied humour in Sadeq Hedayat s life and works a critical study of Forugh Farrokhzad a study of Persian literary devices with special reference to the great Persian classic Sa di and a study of Sa di as a lover of beauty and advocate of human morality The book analyses Iran in a way that has seldom been done in one single volume the history of the Qajar and Pahlavi dynasties the two great revolutions in the twentieth century and the unfamiliar nature of state and society in Iranian history as well as some of the high points in modern and classical Persian literature and is vital reading for anyone interested in the Middle East

Heroes to Hostages Firoozeh Kashani-Sabet,2023-08-24 It is easy to forget given the oppositional dynamic between Iran and the United States of the last 50 years that these two countries once shared productive partnership Tracing US Iran relations over two turbulent centuries Firoozeh Kashani Sabet considers when and how this relationship went awry With careful attention to social and cultural as well as diplomatic developments Kashani Sabet shows that the rift did not originate in flashpoints of crisis like the 1953 coup or the 1979 Islamic Revolution but was instead long in the making Drawing from a wealth of English and Persian language sources many of which were previously unavailable or unacknowledged this book considers the relationship from the vantage point of Iranian society and the experiences of an evolving Iran that strived to accommodate American and great power politics Following these two nations through wars decolonization and revolution Kashani Sabet presents an invaluable history of a diplomatic rivalry that informs geopolitics to this day

Role Theory and Role Conflict in U.S.-Iran Relations Akan

Malici, Stephen G. Walker, 2016-10-04 U S Iran relations continue to be an international security problem in the Middle East. These two countries could have been friends but instead they have become enemies. Stating this thesis raises the following questions: Why are the United States and Iran enemies? How and when did this relationship come to be? When the relationship began to deteriorate, could it have been reversed? What lessons can be learned from an analysis of past U S Iranian relations, and what are the implications for their present and future relations? Akan Malici and Stephen G Walker argue that the dynamics of U S Iran relations are based on role conflicts. Iran has long desired to enact roles of active independence and national sovereignty in world politics. However, it continued to be cast by others into client or rebel roles of national inferiority. In this book, the authors examine these role conflicts during three crucial episodes in U S Iran relations: the oil nationalization crisis and the ensuing clandestine coup aided by the CIA to overthrow the Iranian regime in 1950 to 1953; the Iranian revolution followed by the hostage crisis in 1979 to 1981; the reformist years pre and post 9/11 under Mohammad Khatami from 1997 to 2002. Their application of role theory is theoretically and methodologically progressive and innovative in illuminating aspects of U S Iran relations. It allows for a better understanding of the past, navigating the present, and anticipating the future in order to avoid foreign policy mistakes. *Role Theory and Role Conflict in U S Iran Relations* is a useful resource for international relations and foreign policy scholars who want to learn more about progress in international relations theory and U S relations with Iran.

The Communist Movement in Iran Sepehr Zabih,

Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **Persian Oil A Study In Power Politics**

In a global inundated with screens and the cacophony of instantaneous conversation, the profound power and psychological resonance of verbal artistry frequently disappear in to obscurity, eclipsed by the regular barrage of noise and distractions. Yet, nestled within the musical pages of **Persian Oil A Study In Power Politics**, a fascinating function of literary splendor that pulses with raw thoughts, lies an wonderful journey waiting to be embarked upon.
