Spencer, 2014-12-01 *Fighting Scholars* offers the first book length overview of the ethnographic study of martial arts and combat sports The book's main claim is that such activities represent privileged grounds to access different social dimensions such as emotion violence pain gender ethnicity and religion In order to explore these dimensions the concept of habitus is presented prominently as an epistemic remedy for the academic distant gaze of the effaced academic body The book's most innovative features are its empirical focus and theoretical orientation While ethnographic research is a widespread and popular approach within the social sciences combat sports and martial arts have yet to be sufficiently interrogated from an ethnographic standpoint The different contributions of this volume are aligned within the same project that began to crystallize in Lo c Wacquant's *Body and Soul* the construction of a carnal sociology that constitutes an exploration of the social world from the body **A Journey in Search of Wholeness and Meaning** Rupert Clive Collister, 2010 This book explores the concept that the reality which is created by the consciousness inherent in the Western worldview is exceptionally limiting and probably unsustainable After describing the contexts within which the book was written the author documents his personal journey in search of wholeness and meaning From his experience of this journey he suggests that the wisdom insight and praxis contained within what he describes as the meta narratives of Holism Indigenous cultures and Eastern traditions are manifestations of a holistic consciousness The author explores the concept that a shift to such a holistic consciousness is required in order to redress the imbalance that is evident in all humanity's relationships and he suggests that enabling such a shift in consciousness would have deep implications for the concepts and contexts of community adult learning meaningful work and sustainability *Journal of Asian Martial Arts* ,2007 **The Publishers Weekly** ,2005 **Subject Guide to Books in Print** ,2001 **Joyce in the Belly of the Big Truck; Workbook** Joyce A.
