Dave Mearns, Brian Thorne

Person Centered Therapy Today New Frontiers In Theory And Practice:

Person-Centred Therapy Today Dave Mearns, Brian Thorne, Elke Lambers, Margaret Warner, 2000-11-13 At the risk of being directive I would say you should buy this book It contains some of the most stimulating and refreshing ideas to have emerged in the person centred literature since On Becoming a Person Person Centred Practice Person Centred Therapy Today makes a timely and significant contribution to the development of one of the most popular and widely used therapeutic approaches This is a book that is rooted in the origins of person centred therapy but stands at the cutting edge of new ideas developing in this tradition It will reinvigorate those of us already immersed in this tradition It should convince newcomers of the vitality and potential of this approach to therapy

Client Issues in Counselling and Psychotherapy Janet Tolan, Paul Wilkins, 2011-11-10 This is the first book to focus on commonly occurring client issues and explore how to work with them from a person centred perspective Extensive case studies translate person centred theory into effective practice enabling therapists to work successfully with clients presenting a variety of different problems including Post Traumatic Stress Depression Panic and Anxiety Drug and Alcohol Issues Eating difficulties Self harm Childhood Sexual Abuse Each chapter covers the origin and meaning of the difficulty the person centred therapeutic approach and process and the outcomes Drawing from a combined 50 years of experience in the field Paul Wilkins and Janet Tolan bring together leading person centred therapists to address how and why each problem can be eased by means of working with the person This book should be on the desk of every counselling and psychotherapy trainee and is recommended reading for other practitioners of health and social care working with these client groups

Six Key Approaches to Counselling and Therapy Richard Nelson-Jones, 2010-12-10 This updated and revised new edition of Six Key Approaches to Counselling and Therapy provides an accessible introduction to the theory and practice of six of the most popular contemporary therapeutic approaches from the three main schools of therapy practice cognitive therapy and solution focused therapy from the cognitive behavioural school person centred and Gestalt therapy from the humanistic school Freud's psychoanalysis and Jung's analytical therapy from the psychodynamic school Following a clearly defined structure each chapter describes the origin of the therapeutic approach a biography of its originator its theory and practice discusses case material and further developments and suggests further reading Richard Nelson Jones goes on to review and evaluate all the approaches in his concluding chapter This excellent textbook is a vital resource for students on introductory courses and those who are starting out on professional training

Working at Relational Depth in Counselling and Psychotherapy Dave Mearns, Mick Cooper, 2017-09-25 Eagerly awaited by many counsellors and psychotherapists this new edition includes an updated preface new content on recent research and new developments and debates around relational depth and new case studies This groundbreaking text goes to the very heart of the therapeutic meeting between therapist and client Focusing on the concept of relational depth the authors describe a form of encounter in which therapist and client experience profound feelings of contact and

engagement with each other and in which the client has an opportunity to explore whatever is experienced as most fundamental to her or his existence The book has helped thousands of trainees and practitioners understand how to facilitate a relationally deep encounter identify the personal blocks that may be encountered along the way and consider new therapeutic concepts such as holistic listening that help them to meet their clients at this level This classic text remains a source of fresh thinking and stimulating ideas about the therapeutic encounter which is relevant to trainees and practitioners of all orientations

Handbook of Psychology, Clinical Psychology Irving B. Weiner, George Stricker, Thomas A. Widiger, 2012-10-16 Psychology is of interest to academics from many fields as well as to the thousands of academic and clinical psychologists and general public who can't help but be interested in learning more about why humans think and behave as they do This award winning twelve volume reference covers every aspect of the ever fascinating discipline of psychology and represents the most current knowledge in the field This ten year revision now covers discoveries based in neuroscience clinical psychology's new interest in evidence based practice and mindfulness and new findings in social developmental and forensic psychology

The Handbook of Person-Centred Psychotherapy and Counselling, 2024-09-05 Written by a diverse range of expert contributors unified by a relational ethics based reading of person centred theory and practice this seminal text is the most in depth and comprehensive guide to person centred therapy Divided into four parts it examines the theoretical philosophical and historical foundations of the person centred approach the fundamental principles of person centred practice as well as new developments in and applications of person centred clinical work explorations of how person centred conceptualisations and practices can be applied to groups of clients who bring particular issues to therapy such as bereavement or trauma and professional issues for person centred therapists such as ethics supervision and training 10 years after it was last published this third edition includes new content on the climate crisis intersectionality and working with racism and anti racism It includes new dedicated chapters on the Non directive Attitude Relational Depth Experiential Practices Working with Trauma Online PCA and Person Centred approaches around the Globe International and interdisciplinary in conception this is a cutting edge resource for students of psychotherapy and counselling on a range of programmes as well as professional practitioners working in the field

Person-Centred Counselling in Action Dave Mearns, Brian Thorne, 2007-05-21 Watch Dave Mearns and Brian Thorne's video on YouTube to hear the story behind the writing of the Third Edition and to find out about Dave's time spent under the stewardship of Carl Rogers SAGE celebrated the 20th Anniversary of the Counselling in Action series in November 2008 To view the video click [here](#) REVIEWS Thank you for revising the bible I am a tutor on a so called integrative counselling course and I thoroughly endorse the idea that Carl Rogers would have welcomed this honesty and new interpretation of his model Your SAGE book is indeed a bible and I have repeatedly recommended it to the students lecturer YouTube For students and those new to person centred counselling there is a clear exposition of person centred theory For experienced practitioners there are new

and challenging theoretical developments within the person centred approach If new to counselling this is a must have If wondering whether to invest in this edition when there is already a copy of the earlier one on the shelf the challenge of the new theoretical material is persuasive but if that is not enough then the updated practice guidance the practical questions and answers and the comprehensive references must make this new edition another bestseller Therapy Today It is now almost twenty years since the first edition of Person Centred Counselling in Action appeared In that time this SAGE bestseller has maintained enormous popularity with trainees and practitioners and has achieved world wide acclaim This substantially revised Third Edition provides an excellent introduction to the theory and practice of person centred counselling while incorporating exciting new developments in the approach Dave Mearns and Brian Thorne have preserved the compelling and accessible style of its predecessors At the same time they provoke reflection on many of the key issues which concern not only person centred practitioners but those across the whole counselling and psychotherapy field New to this edition is the inclusion of relational depth a key development for the person centred approach and counselling generally extended discussion of the counsellor's use of self a new chapter containing the authors answers to frequently asked questions the inclusion of diversity issues covering religion gender and sexual orientation further reading suggestions Much has changed in the person centred orientation since the death of Carl Rogers in 1987 Not only have new schools of thought emerged with different emphases and therapeutic possibilities but the authors of this book have themselves been responsible for significant advances in key areas of person centred theory and practice These developments are fully reflected in the revised text Continuing to offer a clear exposition of the theory and practice of the approach Person Centred Counselling in Action Third Edition will be invaluable for those embarking on their first stages of training Well established practitioners and even seasoned scholars will continue to find much to interest and stimulate them Praise for previous editions An important book a most sophisticated text Mearns and Thorne have written a book for all counsellors and psychotherapists The reader will be left both grateful and hungry for more British Journal of Guidance and Counselling The discussion of empathy acceptance and congruence is central and should be required reading for all trainees working to understand the richness of these core concepts outstanding Counselling and Psychotherapy The Journal of the British Association for Counselling and Psychotherapy Without doubt the clearest description of the person centred approach to counselling that I have read apart from Carl Rogers own writings I felt that I had got to know both Dave Mearns and Brian Thorne through their offering the reader their own congruence and I found this aspect of the book at times quite moving Social Work Today Gives real insight into person centred counselling This is a gentle book an absolute delight to read I couldn't put it down as it held me in the realm of my own feelings I would like to thank both authors for sharing so much of their intimate selves I recommend this book to trainee counsellors trained counsellors clients and those involved in the helping professions It is a book that has influenced me and that I would not want to be without BPS Counselling Psychology Review Excellent all rounder for

practitioners to learn and build upon counselling skills with young offenders lecturer Guidance Youth and Youth Justice Nottingham Trent University An excellent text Student friendly and covering all main issues lecturer Psychology Swansea Institute of HE Stimulates a re exploration of the doctor patient relationship British Medical Journal I felt understood by this book Ann Weiser PCA Letter Network This book could very sensibly be placed on the reading lists of all counselling trainers and trainees this is the most informative and useful book I have read in a long time and I have no doubt that if Carl Rogers were still alive today he would not only agree but also acknowledge experiencing some envy Changes The skilful conveying of tenderness and building of trust are well explained and described with lots of case study examples Guidance Matters Excellent book a useful and practical way to underpin current emphasis on humanism in nursing lecturer West London NHS Mental Health Trust Continues to be an excellent easy introduction but with depth Deserves to be a bestseller lecturer Preston College The book conveys the profound respect for the person for his her autonomy and uniqueness which is inherent in the Rogerian approach British Journal of Medical Psychology A marvelous book highly recommended Someone has finally written an easily accessible book about the theory and practice mostly practice of the kind of therapy that makes the most sense to many focusers Hurrah The Focusing Connection Truly allows the reader to enter the world of the person centered counsellor Contemporary Psychology Person Centred Counselling in Action written by Dave Mearns and Brian Thorne was originally published in 1988 about a year after the death of Carl Rogers It has helped to maintain and stimulate interest in this approach and has become a best seller in the Counselling in Action series The Journal of Critical Psychology Counselling and Psychotherapy *Developing Person-Centred Counselling* Dave Mearns, 2002-11-27 This is a useful book for those who use person centred counselling in their practice or who are training to become person centred counsellors Counselling and Psychotherapy the Journal of the British Association for Counselling and Psychotherapy *Developing Person Centred Counselling* Second Edition is designed to help counsellors improve their skills within the person centred approach Written by Dave Mearns leading person centred expert and bestselling author the Second Edition has been fully revised and updated taking account of developments in person centred practice With new chapters on growth and transference the book covers the subjects which are central to person centred training the core conditions therapeutic alliance development of the counsellor therapeutic process the person centred approach in relation to psychopathology Supported by case material and examples from practice each part of the book presents the counsellor with practical and often challenging ideas which encourage him her to think carefully about his her practice and how to improve it *Developing Person Centred Counselling* Second Edition is a highly practical and inspiring resource for trainees and practitioners alike Relational Depth Rosanne Knox, David Murphy, Susan Wiggins, 2012-12-17 This wide ranging textbook offers a fascinating survey of the latest thinking and research on in depth therapeutic encounters by bringing together the latest theory research and practice on working at relational depth with clients in counselling and psychotherapy By exploring the meaning challenges and experiences of

relational depth it provides insight into an important dimension of therapeutic practice and for many will act as a guide to new ways of thinking about their therapeutic relationships This book is an essential read for all trainees and practitioners in counselling and psychotherapy who want to deepen their levels of therapeutic relating

The Counseling Practicum and Internship Manual Shannon Hodges,2024-02-22 The most comprehensive guide to the counseling practicum and internship experience This trusted guide supports graduate students with practical tools and insights for managing every stage of the clinical training journey Featuring personal narratives telehealth updates and a strong diversity equity and inclusion DEI focus the book prepares students for real world counseling practice and supervision It also explores trauma suicide and ethics with resources for both students and instructors What s New Stronger focus on technology telehealth and global counseling issues Expanded attention to trauma suicide prevention and safety in the field Greater emphasis on LGBTQ inclusion DEI and multicultural counseling Updated to reflect 2024 CACREP standards and COVID 19 impact Key Features Comprehensive guidance on fieldwork supervision ethics documentation trauma care and telehealth Supports confident ethical and culturally responsive counseling practice for graduate level students Includes case studies sample forms and instructor resources with chapterPowerPoints and Instructor Manual Written by an experienced counselor educator with a practical student centered approach and global perspective

Strength-Based Clinical Supervision John C. Wade,John Wade, PhD,Janice E. Jones,2014-08-27 Print CourseSmart

[An Introduction to the Therapeutic Relationship in Counselling and Psychotherapy](#) Stephen Paul,Divine Charura,2014-10-16 The therapeutic relationship is considered to be the most significant factor in achieving positive therapeutic change As such it is essential that trainee and practising therapists are able to facilitate a strong working alliance with each of their clients This book will help them do just that by offering a practical and evidence based guide to all aspects of the therapeutic relationship in counselling and psychotherapy Cross modal in its approach this book examines the issues impacting on the therapeutic relationship true to all models of practice Content covered includes The history of the therapeutic relationship The place of the therapeutic relationship in a range of therapy settings including IAPT Concepts and practical skills essential for establishing and maintaining a successful working alliance The application of the therapeutic relationship to a variety of professional roles in health and social care Practice issues including potential challenges to the therapeutic relationship working with diversity and personal and professional development Research and new developments Using examples points for reflection and chapter aims and summaries to help consolidate learning the authors break down the complex and often daunting topic of the therapeutic relationship making this essential reading for trainee and practising therapists as well as those working in a wider range of health social care and helping relationships

The Therapeutic Relationship Handbook: Theory and Practice Divine Charura,Stephen Paul,2014-10-16 Practitioners across many counselling approaches acknowledge that the therapeutic relationship is central to therapy and its outcomes This book argues that the therapeutic relationship cannot be reduced to particular words or

therapeutic skills but is a relationship encounter that promotes dialogue contact and process In each chapter experts in different fields interpret the therapeutic relationship through the lens of their own modality offering Summaries of the key theoretical and research bases Example case studies of therapeutic interventions that illuminate key relational components of the approach and the development and management of the therapeutic relationship Study of the limitations challenges and complexities of maintaining a therapeutic relationship Exploration of new developments in working with clients capturing work that the authors and other colleagues have been involved in developing in that area The Therapeutic Relationship Handbook is a broad ranging guide for students as well as both new and experienced practitioners Divine Charura is a Senior Lecturer in Counselling and Psychotherapy at Leeds Metropolitan University UK He is an Adult Psychotherapist who works in the NHS voluntary sector and in private practice as well as an independent trainer supervisor and coach Stephen Paul is a client centred psychotherapist practising in the areas of therapy supervision and coaching He retired as Director of The Centre for Psychological Therapies at Leeds Metropolitan University UK in 2012 after 20 years of service The editors and authors of this book have produced a volume of theory and practice that has tremendous breadth and scope and that is a thorough analysis of the many facets of the therapeutic relationship Rich in knowledge and practical applications the authors demonstrate not only an understanding of their field but also an ability to communicate this with vignettes and examples that are relevant and enable understanding for both students and practitioners alike The limitations and challenges of each approach are recognised and a detailed list of further references is given for the reader to explore if desired I highly recommend this book for both students and practitioners and congratulate the editors and authors on their work I will certainly use it in our Counselling Education Programs for both Bachelor and Master of Counselling students Dr Ann Moir Bussy Program Leader and Senior Lecturer Counselling University of Sunshine Coast Queensland Australia

Counseling and Psychotherapy Siang-Yang Tan,2011 A leading scholar provides a comprehensive survey of major approaches to counseling and psychotherapy offering a Christian critique and perspective Counselling Young People

Richard Bryant-Jefferies, 2017-09-07 Richard has caught wonderfully in this text the sensitivity and delicacies of therapeutic interaction as well as the complex processes through which young people have to steer in their development towards adulthood. Richard's important and engaging text combines believable stories of young people with the provision of theoretical comment and developmental questions for the practitioner. I trust that this book will reach a wide audience of all those who are interested in and committed to the welfare and development of young people. Colin Lago in his Foreword. This book goes a long way in explaining why the person-centred approach is so powerful with young people. It teases apart many of the fears, hurts, disappointments, familiar problems and social assaults that encourage adolescents to close off, turn to drugs and attack others. After a clear and concise explanation of the theory, Richard takes us on amazing journeys into the heart and mind of the clients described in the book. They are struggling with many of the obstacles in the path of most children trying to grow up in this period of social toxicity. The book is a real gift to anybody interested in raising and counselling young people. Peggy Natiello in the Foreword.

Substance Use Disorders and Addictions Keith Morgen, 2016-08-03 Based on a decade of research and theory, *Substance Use Disorders and Addictions* examines co-occurring psychiatric disorders as the norm with substance use disorders and addictions. With more than 20 years of experience in the field as a clinician, a researcher, a program developer and an instructor, Keith Morgen encourages a holistic approach to working with individuals using a single case example throughout the text to encourage the sequential application of concepts to co-occurring disorders. With DSM-5 diagnostic criteria, the 2014 ACA code of ethics and 2016 CACREP standards integrated throughout, readers will benefit from this applied and cutting-edge introduction to the field.

Global Practices and Training in Applied Sport, Exercise, and Performance Psychology J. Gualberto Cremades, Lauren S. Tashman, 2016-05-20 *Global Practices and Training in Applied Sport, Exercise and Performance Psychology* offers case analysis as a vehicle to address issues and experiences in the application of sport, exercise and performance psychology (SEPP) and the supervision training of individuals to become professionals in the field. A follow-up to *Becoming a Sport, Exercise and Performance Psychology Professional* (2014), this book features a discussion of real-world case examples which highlight various aspects of professional practice as well as supervision and training. Professionals from around the world, including the United States and Canada, Europe, Asia, Africa and Australia, share diverse experiences providing a uniquely in-depth global perspective. The case studies contained in the book were selected to provide insight into specific elements of applied practice and supervision training through a global lens as well as demonstrate the value of incorporating case analysis and reflection into one's training and continued professional development. Case analysis is an essential part of learning and instruction. Beyond educating the reader about theories and research on related topics in the field, case analysis allows for more complex levels of learning, including analysis, synthesis and evaluation of diverse scenarios. In Part I of this book, the cases focus on applied SEPP practice. Part II is comprised of cases that focus on training and supervision. This book is essential reading for graduate students and neophyte professionals.

in the field for whom it is critical to learn how to effectively apply knowledge to real world sport exercise and performance psychology scenarios In addition the book is a useful resource for seasoned and expert practitioners and supervisors who can use case analysis as a means of continuing their professional development
