Screening the Novel Gabriel Miller,2016-10-06 Some of the most memorable movies of Hollywood s Golden Age were based on novels that never received the acclaim they deserved No one who saw Rod Steiger in The Pawnbroker could forget the actor s wrenching performance but does anyone remember the author of the book on which the film was based The same can be said of Jane Fonda in They Shoot Horses Don t They Greta Garbo in Susan Lenox and Humphrey Bogart in The Treasure of the Sierra Madre This book retrieves these novels and re evaluates the careers of the eight neglected novelists whose works inspired eight different directors among them Stanley Kubrick Sidney Lumet John Huston and Sidney Pollack Each chapter offers detailed analysis on both the original text and the resulting movie Taken together the double examination of novel and film raises some important questions about the nature and problems of cinematic adaptation

Good Housekeeping ,1986 **Cinemulacrum** Aaron Sultanik,2012-04-19 Cinemulacrum a conflation of cinema the art of the Hollywood film and

simulacrum a reality counterfeit was coined to designate contemporary media culture This period is distinguished by the advent of digital film video an ideology of fantasy as the central narrative of movies and television and a ruling audience demographic of the young adult A pre cinemulacrum era 1960 1980 and Age of Cinemulacrum 1980 to the present day are demarcated to examine the fall and rise of classical Hollywood and the hegemony of television in a media dyad of movies and television Cinemulacrum argues that the convergence of technology ideology and audience represent the primary factors surrounding the social immediacy of movies and television and that video fantasy and the young adult have replaced film realism and the family as the outstanding attributes of contemporary media culture A contemporary vision of media culture emerges in the 1980s George Lucas and Steven Spielberg lead a populist new wave combining technological modernity with a retro sensibility grounded both in B movie melodramas and the genteel domesticated television sit coms of the 1950s Television however gains an unrivaled authority through the spinoff production model and the expanded resources of cable with its 24 7 news sports and movies Advocating a new or alternate history of movies and television the author assesses critical trends from America s hybrid media culture The pre cinemulacrum era is unraveled through an apocrypha of violence a cycle of conflicting portrayals of movie violence and heroism in Bonnie and Clyde Dirty Harry The Godfather Taxi Driver and Rocky The Age of Cinemulacrum is then characterized by the making of simulacra the proliferating nature of movie sequels prequels and special editions and by television s multi generational young adult demographic of The Cosby Show Seinfeld and The Simpsons The author concludes his study with an annotated timeline The Seven Ages of Cinemulacrum listing the history making movies and television programs in contemporary media culture Special Effects Dan North,Bob Rehak,Michael S. Duffy,2015-07-07 As blockbusters employ ever greater numbers of dazzling visual effects and digital illusions this book explores the material roots and stylistic practices of special effects and their makers Gathering leading voices in cinema and new media studies this comprehensive anthology moves beyond questions of spectacle to examine special effects from the earliest years of cinema via experimental film and the Golden Age of Hollywood to our contemporary transmedia landscape Wide ranging and accessible this book illuminates and interrogates the vast array of techniques film has used throughout its history to conjure spectacular images mediate bodies map worlds and make meanings Foreword by Scott Bukatman with an Afterword by Lev Manovich The Film Book Ronald Bergan,2011-10-03 Film is the world s most popular artistic medium What began as a novelty at country fairs rapidly became the consummate art form of the twentieth century spanning both popular culture and high art The Film Book enables you to identify different cinematic genres appreciate the style of celebrated directors see how a film is made and understand why the greatest movies deserve their reputation The book is unique in encompassing each of these key aspects and as such outspans the many other guides and film companions on the market The guide is split into seven distinct sections each of which deals with a particular aspect of film The first of these chapters is a detailed history of the art form over the last 120 years charting its evolution from a

musical event accompanied by pictures through its numerous developments and innovations talking pictures color film video and DVD online films computer generated special effects and the modern 3D experience The second shows how these techniques are applied in practice taking the reader behind the camera to explore the film making process and find out who s who on set offering a useful insight into how movies are brought to life Sections 3 to 6 look at the films themselves Providing an overview of cinematic styles and genres the third section covers everything from westerns musicals and sci fi to arthouse cinema the avant garde and the cult movie whilst the fourth compares and contrasts the major styles of international cinema with key schools movements directors and films The fifth section profiles 100 of the film industry s greatest and most influential directors listing their key works and assessing their cinematic legacy whilst the sixth section discusses 100 key cinematic works which invented extended or reinvented the art form The closing section of the book is an interesting and often provocative range of lists compiled by a variety of film associations publications and institutions Comprehensive authoritative and written with passion and verve The Film Book is a unique treasure trove of a guide that will appeal to anyone who loves movies
