Personal Computer Solutions For Cad Cam:

Personal Computer Solutions for CAD/CAM Tom Drozda, 1985 Computer Systems Engineering Management

Robert S. Alford, 2018-01-18 Computer Systems Engineering Management provides a superb guide to the overall effort of computer systems bridge building. It explains what to do before you get to the river, how to organize your work force, how to manage the construction, and what to do when you finally reach the opposite shore. It delineates practical approaches to real world development issues and problems, presents many examples and case histories, and explains techniques that apply to everything from microprocessors to mainframes and from person computer applications to extremely sophisticated systems.
