## **Personal Evangelism For Today:**

Personal Evangelism for Today G. William Schweer, 1984      Effective Personal Evangelism for Today's Church Thomas M. Roatch, 2001 This project is designed to demonstrate that any church or group of Christians can be effective in personal evangelism Christians gathered together in any location and number and in any life situation form the taskforce to share the good news of salvation The rationale for the selection of this thesis topic rests on the recent heart felt need of many churches to share the Gospel and become active in personal evangelism Secondly another important part of the rationale for thesis is to encourage and challenge small churches missions Bible studies and other smaller Christian ministries to be bold in new ministry challenges The potential value of this project for my ministry is primarily contained in the information encouragement challenge methods and initiative it will provide for my congregation and leadership in the New Creek Southern Baptist Church where I am the Pastor This project will also be useful for the people in our new church starts in Morgantown West Virginia for much the same reasons Over the last couple years a large group of people in the Southern Baptist Convention have received a fresh new vision to rekindle a Great Commission movement among their people and churches See Matthew 18 19 20 This exciting new movement has a zeal for personal evangelism and an intense commitment to reach all people with the gospel message Southern Baptist churches as well as other churches are developing a renewed vision for personal evangelism outreach and sharing the gospel message It is my hope that this thesis will provide information insight and incentive for many churches and for all Christian groups whether they number two or twenty thousand The research for this project will be done by considering exploring pertinent information from reliable sources including but not limited to biblical ethical historical philosophical psychological educational sociological and theological sources Data and information from many ministries and church      *Personal Evangelism* J C Macaulay, Robert H Belton, 2013-04-25 Here is a fresh approach to personal evangelism by two writers who speak out of their experience in witnessing and in teaching principles of evangelism in the classroom The approach is biblical Scriptures are constantly introduced in dealing with various types such as the anxious the unsatisfied the fearful the procrastinator and the self righteous The study of the Word is emphasized as preparation for the soul winner Important principles are deduced from the Gospel of John The work of the Holy Spirit is emphasized because He must prepare the heart of the seeker guide the speech of the witness and cause new life to spring up in each individual heart Practicality and tact are two words which may be said to characterize this text It is not limited to theory developed in the seclusion of the study nor does it neglect criticism of such wrong approaches as the holier than thou or the wiser than thou      **Personal Evangelism** Art Zimmer, 2021-07-03 Personal Evangelism is a believer's guidebook on what it means to share your faith with others on a person to person level Sharing your Christian faith with others has never been that easy It takes courage which comes from your deep love and personal relationship with Christ The book discusses topics such as effective evangelism foundations of disciples lessons from Jonah

notes on personal evangelism witnessing and can dry bones live In this book Art is sharing with you how he does it personally It s not a book for the chosen few Rather it s a tool in the hands of every true believer It will arm you to not only defend but share your life and faith with those God brings into your world Get the book today and see how it will encourage you to distribute this life saving message of the Cross to your world From the Author Having shared the gospel of Jesus Christ throughout much of my life since being Born Again at the age of 11 I herein want to encourage many other Christians to be Jesus witnesses as in Acts 1 8 of the Bible My desire is for the many silent believers to share their faith in daily life The Bible speaks highly of the Soulwinner as in Daniel 12 3 and Proverbs 11 30 Much of this is best done by personal contact Art Zimmer     How to Talk about Jesus (Without Being That Guy) Sam Chan,2020-11-03 Most Christians know they should be trying to tell their friends and family about Jesus But in a post Christendom world personal evangelism is viewed negatively it s offensive inappropriate and insensitive Recent studies confirm that the majority of Christians rarely evangelize worried they might offend their family or lose their friends In How to Talk About Jesus Without Being That Guy author Sam Chan equips everyday Christians who are reluctant and nervous to tell their friends about Jesus with practical tested ways of sharing their faith in the least awkward ways possible Drawing from over two decades of experience as an evangelist teacher and pastor Chan explains why personal evangelism feels so awkward today And utilizing recent insights from communication theory cross cultural ministry and apologetics he helps you build confidence in sharing your faith and teaches you how to evangelize your friends and family in socially appropriate ways     100 Answers to Questions from the Neighborhoods Tim Wallingford,2016-12-29 100 Answers to Questions from the Neighborhoods Personal Evangelism Done Jesus Style Companion Study Guide is a modern day application of Jesus and the apostles strategy to fulfill the Great Commission In just 30 years their evangelistic method was bearing fruit and growing throughout the whole world Colossians 1 6 Did you know Jesus walked over 3 000 miles through neighborhoods throughout Palestine In Matthew 10 Jesus commanded his disciples to go into a neighborhood find a worthy person and stay at their home From there they went out and met the neighbors The disciples then showed love to those they met by meeting any physical need s Only then would they share Gods love story the gospel of Christ This was also Jesus personal strategy Today most evangelistic plans involve attracting the neighbors into the church Churches do this with events dynamic worship services and quality programs for every member of the family Many churches do this well but sadly the American church is in decline Less than 20% of Americans now regularly attend church In 1990 20 4% attended church In 2000 the percentage dropped to 18 7% By the year 2050 if the church doesnt change it is estimated church attendance will drop to 11 7% This can be reversed if we adopt the evangelistic strategy used by Jesus and the apostles This book gives you a detailed breakdown of the gospel the apostle Peter presented on the Day of Pentecost that ended with 3 000 baptisms in one day The book will also show you how Luke the author of Acts packaged the never changing gospel to ten different types of neighborsthe hurting religious spiritualist seeker fanatic good person abuser skeptic

misinformed and pleasure seeker This book and its training manual identify over one hundred questions about spiritual matters and help you have the answers your neighbors need to hear **Ten Lessons in Personal Evangelism** Joseph P. Hicks,1922 **Ongoing Personal Evangelism** John P. Davis,2021-08-03 Ongoing Personal Evangelism provides a biblical survey of personal evangelism and discusses the factors evident in the lives of those who practice personal evangelism throughout their life Hopefully the book will encourage more spiritual growth and involvement in personal evangelism as well as providing material for training others in personal evangelism The Gospel and Personal Evangelism (Foreword by C. J. Mahaney) Mark Dever,2007-09-07 Evangelism is not only misunderstood it is often unpracticed Many Christians want to share the gospel with others but because those Christians don t grasp the fundamentals of witnessing they feel intimidated and incapable of sharing the truth of the gospel Yet those believers fail to recognize that God has already established who and how we are to evangelize In The Gospel and Personal Evangelism Dr Mark Dever seeks to answer the four basic questions about evangelism that many Christians ask Who should we evangelize How should we evangelize What is evangelism Why should we evangelize In his answers Dever draws on New Testament truths and helps believers apply those truths in practical ways As readers understand the fundamentals of evangelism they will begin to develop a culture of evangelism in their lives and their local churches Transforming Neighborhoods a Life at a Time Tim Wallingford,2016-08-11 This book is a modern application of the apostles strategy to fulfill the Great Commission Jesus walked over 3 000 miles through neighborhoods throughout Palestine Jesus commanded his disciples to go into a neighborhood find a worthy person stay with them and meet the neighbors The disciples first showed love to them by meeting physical need s Only then would they share Gods love story the gospel of Christ Today most churches focus on attracting the neighbors into the church but this is not working Less than 20% of Americans now regularly attend church and by 2050 if the church doesnt change it is estimated attendance will drop to 11 7% This can be reversed if we adopt Jesus evangelistic strategy This book shows how Luke packaged the never changing gospel for ten different types of neighborsthe hurting religious spiritualist seeker fanatic good person abuser skeptic misinformed and pleasure seeker This book and its training manual give answers to over one hundred questions about spiritual matters **The Art of Personal Evangelism** Will McRaney,2003-05-01 A textbook written in a conversational style and tone practical in nature but providing the necessary foundation to understand the principles and practices of evangelism **The Believer's Guide on Personal Evangelism** Dr. John Thomas Wylie,2019-05-22 One needs to go to the New Testament and the Gospels specifically to truly observe the evangelistic plan of Jesus After all they are the main eye witness accounts that we have of the Savior Jesus at work Luke 1 2 3 John 20 30 21 24 1 John 1 1 Certainly the Gospels were composed fundamentally to indicate to us Jesus Christ the Son of God and that by faith we can have life in his name John 20 31 Be that as it may what we neglect to acknowledge once in a while is that the revelation of that life in Christ incorporates the manner in which he lived and trained

others to live We should remember that the witnesses who composed the books were not just witnesses to the truth they were changed by it The task of The Believer s Guide On Personal Evangelism is to bring people to faith in Jesus Christ An individual should unmistakably and coherently present the need for Jesus Christ and the provision God has made to address that issue While there are numerous approaches this book puts forward the plain facts and the directness of the straightforwardness simplicity of the gospel of our Lord and Savior Jesus Christ      **Personal Evangelism** E. W.

Kenyon,2025-07-15 SOUL WINNING IS OUR BUSINESS Jesus made it clear that we are to bring others to His Father He said Follow me and I will make you fishers of men But many Christians don t know how to win souls for their Savior They are too timid to speak out don t know what to say or don t want to offend anyone Legendary Bible teacher E W Kenyon offers a solution in Personal Evangelism 22 Lessons to Effectively Share the Gospel He takes readers through all possible scenarios of reaching the lost from those who have false hopes to the indifferent from the skeptical to those who have broken fellowship with the church Until soul winning becomes the business of our life we will not lead many from darkness to light Kenyon says Soul winning is the art of arts We are selling the greatest thing in the world The joy that it gives to the one who finds Christ the blessings that go into the home can never be estimated The man you lead to Christ may become a key man in some community turning a whole section of men to Christ Our time is not our own but belongs to the Lord When we evangelize to snatch souls from the hands of the enemy we give them strength joy and success and obtain more stars in our own heavenly crown      The Master's Way of Personal Evangelism Robert E. Coleman,1997 From the author of the bestselling book The
