Renegade Sheriff:

Renegade Sheriff Wilbur C. Tuttle,1972 *The Renegade's Redemption* Stacy Henrie,2025-02-11 Refuge for the Outlaw When Tex Beckett arrives at Ravena Reid s farm he s eight years too late for the elopement they d once planned and it s far too early to win her forgiveness He s seriously wounded though and she can t turn him away though she knows better than to trust him Yes it s wonderful having help with the farm and with the orphans she fosters but if she opens her heart she ll get hurt again when he leaves And Tex always leaves As a notorious bank robber Tex is used to danger Yet reuniting with the only woman he s ever loved is the riskiest thing he s ever done All he wants is to stay with Ravena and the children But can he build a new start before his past catches up with him **The Gun Dilemma** Robert J. Spitzer,2022-08-23 An informed and sophisticated look at the current debate between gun laws and gun rights in America Contemporary gun controversies are deeply rooted in our history yet much of that history is unknown ignored or distorted This is all the more important because a new gun rights movement is pressing to expand the definition of gun rights well beyond the standard set by the Supreme Court in its landmark controversial Heller ruling from 2008 These activists efforts have found a receptive audience among a new generation of very conservative federal judges cultivated in part for their professed adherence to the doctrine of constitutional Originalism and fealty to an expansive reading of gun rights In *The Gun Dilemma* Robert J Spitzer examines this gun rights 2 0 movement in the light of a host of gun controversies assault weapons ammunition magazines silencers public gun brandishing and display and the emergent Second Amendment sanctuary movement Given the importance of actual gun law history to this debate Spitzer draws from the historical record to illuminate several contemporary and emergent gun controversies that may well make their way to the Supreme Court Revealing and illuminating as that history is he argues that we should not be straitjacketed by that history but rather informed by it as the nation struggles with how to frame its gun policies By utilizing novel information sources to explore both gun law history and current debates *The Gun Dilemma* provides an informed and sophisticated challenge to the ascendant originalists who appear to be set on enshrining in law a radical libertarian vision of gun rights *Yours to Command* Harold J. Weiss (Jr.),2009 Captain Bill McDonald s 1852 1918 admirers rank him as one of the great captains of Texas Ranger history His detractors see him as an irresponsible lawman who precipitated violence hungered for publicity and related tall tales that cast himself in the hero s role This title seeks to find the true Bill McDonald and sort fact from myth **Renegade's Pride** B.J. Daniels,2017-02-28 The renegade cowboy returns It s been nine years since Trask Beaumont left Gilt Edge Montana with an unsolved crime in his wake and Lillian Cahill has convinced herself she s finally over him But when the rugged cowboy with the easy smile suddenly shows up at her bar there s a pang in her heart arguing the attraction never faded And that s dangerous because Trask has returned on a mission to clear his name and win Lillie back Tired of running Trask knows he must uncover the truth of the past before he can hope for a future with the woman he s never forgotten But if Lillie s older

brother the sheriff learns that Trask is back in town he'll arrest him for murder Now Trask is looking for a showdown and he won't leave town again without one or without Lillie

Cowpoke Justice William Hopson, 2019-11-01 *Cowpoke Justice* first published in 1941 is a fast paced western set in 19th century Montana William Hopson authored a number of popular cowboy and western themed novels in the 1930s 40s From the dust jacket Dud Hardin was coming home to the Montana range country with thirty thousand dollars and a thousand head of cattle acquired along the Rio Grande And the bitterness of fifteen years rolled away from the salty rannihan as he thought of seeing his father once more But his grimness returned threefold when he discovered that both his father and his father s partner had been murdered and that the human vultures who had done it were preparing to take over his ranch Moreover an outlaw had been hired to impersonate the long lost Dud and accused the real son of dry gulching his own father

The Power of the Badge Emily M. Farris, Mirya R. Holman, 2024-09-05 A sobering exploration of the near unchecked power of sheriffs in the United States Across the United States more than 3 000 sheriffs occupy a unique position in the US political and legal systems Elected by voters usually in low visibility noncompetitive elections sheriffs oversee more than a third of law enforcement employees and control almost all local jails They have the power to both set and administer policies and they can imprison harm and even kill members of their communities Yet they enjoy a degree of autonomy not seen by other political officeholders *The Power of the Badge* offers an unprecedented data rich look into the politics of the office and its effects on local communities Emily M Farris and Mirya R Holman draw on two surveys of sheriffs taken nearly a decade apart as well as election data case studies and administrative data to show how a volatile combination of authority and autonomy has created an environment where sheriffs rarely change elections seldom create meaningful accountability employees budgets and jails can be used for political gains marginalized populations can be punished and reforms fail Farris and Holman also track the increasingly close linkages between sheriffs and right wing radical groups in an era of high partisanship and intra federal conflict
