**Renegade Texan** Becky Barker, 2010-10-15 It started with threatening phone calls Then someone tampered with Tamara Bennington's brakes When she barely escaped an attempt to run her down with a car it left no doubt somebody wanted her dead How far should a man go to repay a personal debt Is abducting an heiress too far Rane Masters believed Tamara's safety was worth any risk She might never forgive him She might even charge him with kidnapping but she'd be alive and kicking when she did it The only thing the Renegade Texan couldn't predict was falling in love with his beautiful captive This very sensual read gives us two strong-willed protagonists I enjoyed spending time with Ms Barker's hero Rane can take me to his cabin anytime he wants to I'll go willingly Ummm good VAD of *Rendezvous Review Magazine* The powerful chemistry between these lovers makes each and every page sizzle Romantic Times Bookclub review [Brave New Texas](#) George Emerson Kinney, 2013-07-23 South Texas rancher Buck Stabler has had enough The International Small Arms Treaty which has been passed by the U S Congress and has in effect nullified the 2nd Amendment rights of all Americans poses a direct threat to Stabler and his fellow Texans Homeland security tries to arrest Stabler at his ranch for violating the new anti-gun provisions but instead Stabler kills the agents and escapes to Mexico Buck and his organization use this incident to escalate their plan for Texas to secede from the union and form a new nation But it doesn't come about without a price in blood Enemies abound and ruthless drug cartels as well as loyal U S military contingents must be subdued in order for the new nation to become a reality Throughout the action however Buck Stabler's newfound romance with the enchanting Mexican brothel proprietress Mira Segura develops into a strong and powerful love The new nation is founded upon radical new concepts in economics religion and philosophy and enters the new age ready to provide a brave new world for its citizens

Tucker,2014-02-07 For the first time the true story of The Yellow Rose of Texas is told in full revealing a host of new insights and perspectives on one of America s most popular stories For generations the Yellow Rose of Texas has been one of America s most popular western myths growing larger over time and little resembling the truth of what happened on April 21 1836 at the battle of San Jacinto where a new Texas Republic won its independence The woman who has been popularly connected to the story was an ordinary but also quite remarkable free black woman from the North Emily D West This work reconstructs her experience places it in full context and explores the evolution of a most fanciful myth **The Hidden Menace** Pasquale

De Marco,2025-05-03 In the depths of America s prison system a sinister conspiracy lurks in the shadows Prisoners vanish without a trace their cries for help silenced by a corrupt network that reaches the highest echelons of power But a group of unlikely allies is determined to expose the truth and bring justice to the forgotten victims Led by a charismatic media icon a renegade Texan a meticulous septuagenarian airline pilot a stunning statistician with an obedient Rottweiler and a mysterious wealthy protector of the downtrodden this unlikely team embarks on a perilous journey to uncover the hidden menace that threatens to destroy the very fabric of society As they delve deeper into the labyrinth of corruption they encounter a twisted world where inmates are mere pawns in a sick and twisted game The boundaries between right and wrong blur and the heroes themselves are tested to their limits But even in the face of unimaginable darkness their resolve remains unwavering With each step they take they uncover more disturbing truths Secret experiments illicit trafficking and a web of deceit that extends far beyond the prison walls The stakes are higher than they could have ever imagined and the fate of the innocent hangs in the balance But our heroes refuse to be silenced They know that justice must prevail no matter the cost Armed with courage determination and the unwavering support of those who believe in them they confront the darkness head on Join them on this gripping journey as they fight to expose the hidden menace and restore hope to a world that has been shrouded in fear Witness the indomitable power of those who dare to challenge the status quo and the transformative impact of truth and justice If you like this book write a review on google books *The Conquest of Texas* Gary Clayton

Anderson,2019-02-14 This is not your grandfather s history of Texas Portraying nineteenth century Texas as a cauldron of racist violence Gary Clayton Anderson shows that the ethnic warfare dominating the Texas frontier can best be described as ethnic cleansing The Conquest of Texas is the story of the struggle between Anglos and Indians for land Anderson tells how Scotch Irish settlers clashed with farming tribes and then challenged the Comanches and Kiowas for their hunting grounds Next the decade long conflict with Mexico merged with war against Indians For fifty years Texas remained in a virtual state of war Piercing the very heart of Lone Star mythology Anderson tells how the Texas government encouraged the Texas Rangers to annihilate Indian villages including women and children This policy of terror succeeded by the 1870s Indians had

been driven from central and western Texas By confronting head on the romanticized version of Texas history that made heroes out of Houston Lamar and Baylor Anderson helps us understand that the history of the Lone Star state is darker and more complex than the mythmakers allowed *What Was Hot!* Julian Biddle,2001 A brief review of the pop fads and culture in the United States during the last half of the 20th Century **Bedroom Eyes** Becky Barker,2010-06-28 Becky Barker shows us once again her great gift for combining intrigue with true love This book is tightly crafted with plot twists and turns carefully balanced with love and humor *Affaire de Coeur* Review Magazine A bout with mono forces Liana Banner to leave her high pressure designing business in New York and spend the summer on her family farm in Ohio Nate Harden didn't know what to make of the trespasser skinny dipping in his pond With her silvery hair and sapphire eyes she reminded him of a fairy nymph Soon the two of them would be deeply involved in a secret and even more deeply in love **Logan's Lady** Becky Barker,2012 Logan Bradford was everything Dee Prescott wanted in a man He was a successful independent rancher who loved the great outdoors a virile tender lover and most of all a true romantic But that was before Dee's commitment to her career came between them Before Logan walked out of her life Then she discovered his tragic secret Suddenly his disappearing act made sense Now he was back and he needed Dee more than ever She'd move heaven and earth to help him put the past behind him Somehow she would show him that with love they could overcome anything A love where the sky's the limit **Cutting the Mustard** Marjorie Heins,1987 *Impossible Match* Becky Barker,2010-07-04 Chantel Cameron is asked by her father to befriend and help socialize his new junior executive Tyler Brogan She's not the least bit interested until her dad makes her an offer she can't refuse Tyler Brogan wants to avoid getting better acquainted with Chantel but he finds her irresistible Will the secrets they share destroy any chance of a future for the new lovers Lies from the past surface to complicate the future when a California businessman goes in search of his biological father and falls in love with the woman who may be an IMPOSSIBLE MATCH Romantic Times Bookclub *Smoky the Brave* Damien Lewis,2018-12-04 The extraordinary touching true story of Smoky the smallest and arguably bravest dog of World War II In February 1944 as Japanese military advances threatened to overwhelm New Guinea a tiny four pound Yorkshire Terrier was discovered hiding in the island's thick jungles A total mystery as to her origins she was adopted by US Army Air Force Corporal William Bill Wynne an air crewman in a photo reconnaissance squadron becoming an irreplaceable lucky charm for the unit When Smoky saved Wynne's life by barking a warning of an incoming kamikaze attack he nicknamed her the angel from a foxhole Smoky's exploits continued when she jumped for the unit in a specially designed parachute and famously joined the aircrews flying daring sorties in the war torn skies But her most heroic feat was running a cable through a seventy foot pipe no wider than four inches in places to enable critical communication lines to be run across an airbase which had just been seized from the enemy saving hundreds of ground crew from being exposed to enemy bombing In recognition of her efforts Smoky was awarded eight battle stars Smoky the Brave brings to vivid life the danger and excitement of the many missions of World War
