## **Renewal Of Preaching:**

*The Renewal of Preaching in the Twenty-first Century, Second Edition* David J. Randolph, 2008-07-01 Deep faith meets high tech here in *The Renewal of Preaching in the Twenty first Century* A communications revolution is sweeping through the churches leaving some on fire and others burned out This work shows what makes the difference for church leaders and communities who are using new media to advance Christian preaching Join them by recovering the great tradition and expanding it through creative use encouraged by artists and filmmakers as well as preachers and professors This work explores ways to maximize the promise of preaching and confront the perils leading to the renewal of church and society Beginning with review of the situation today we proceed step by step through the preparation and presentation of the sermon leading to transformation The sermon in the local parish is seen as the microcosm of the macrocosm that is the communication of God's good news

**The Renewed Homiletic** O. Wesley Allen, 2010-04-21 The major shift in the study and practice of preaching in the 1970s and 1980s labeled the New Homiletic turned toward the hearer The purpose of preaching focused less on persuasion and more on transformation less on asserting religious truths and more on offering an experience of the gospel Instead of viewing language as referential its creative evocative nature began to be emphasized Thus homiletical strategies utilizing induction celebration story narrative structures and moves replaced a deductive propositional approach to preaching Now three and a half decades after this shift began preachers recognize that the homiletical landscape has continued to evolve in ways that influence how preaching ought to be done for example the rise of postmodernity the decline of the mainline church cultural pluralism and biblical and theological illiteracy Those considered to be the pillars of the New Homiletic David Buttrick Fred Craddock Eugene Lowry Henry Mitchell and Charles Rice discuss how to change their homiletical approach for a new day Each of these distinguished scholars offers a lecture describing how his mind has changed preaches a sermon reflecting these changes and participates in a panel discussion with younger respondents Publisher description **Deep Preaching** J. Kent Edwards, 2009 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in

casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming     *The Renewal of Preaching* Karl Rahner,1968     Sustaining Preachers and Preaching George Lovell,Neil Richardson,2011-03-17     **The Web of Preaching** Richard L. Barton,2017-07-28 As preachers who come to the pulpit before God and before God s people each and every week how do we make sense of the text as we live a new moment of its ongoing story Most options available to the preacher necessitate a hermeneutical step that requires us to preach outside of time in timeless truths experiences or realities But the gospel is the drama of God appearing to and working with and loving God s people in time Preaching Through Time gives the preacher a timely homiletic for preaching

together the times of God's gospel then and now while calling God's people to perform their own roles in today's moment of that gospel drama Anachronism preaching together the moments of God's drama is the language event that will get us from text to timely sermon week by week      *Taking Up Preaching* Blayne A. Banting, 2023-07-21 As the complexity of our world increases exponentially there is need for preachers to understand their identities and roles in this new reality and to navigate the landscape of the new challenges facing the contemporary church Blayne Banting offers seasoned reflections on how contemporary preachers can build upon what cannot change in ways that frees them to practice their ministries creatively in ways which must change
