The Letter Kills, but the Spirit Gives Life Sky Takemoto, 2025-02-16 The divine life is not knowledge doctrines or anything else but the Spirit The letter kills but the Spirit gives life As the Redeemer Christ Himself became a life giving Spirit We receive Christ as the Savior the Redeemer and also as the life giving Spirit He alone gives us the Spirit of life In order to receive life we need to contact the Spirit as the pneuma by breathing Him in Romans 8 2 says The law of the Spirit of life has freed me in Christ Jesus from the law of sin and of death The Spirit is the releasing Spirit who sets us free Second Corinthians 3 17 says The Lord is the Spirit and where the Spirit of the Lord is there is freedom This law of life releases us from Moses law the law of sin and of death The function of the law is to expose transgressions Without the law we would not know what sin is But whenever our heart turns to the Lord who is the releasing Spirit the veil is taken away The mind set on the spirit is life By setting our mind on the spirit spontaneously the divine life sets us free

Thus Saith the Lord Min. Emmanuel Ramsey Buabeng, 2022-08-05 Thus Saith the Lord By Min Emmanuel Ramsey Buabeng Thus Saith the Lord was birthed through the inspiration of the Holy Spirit In this book the author talks about the reasons why God speaks to his children the channels through which God uses to communicate to his people and finally how believers can fight the good fight of faith to bring into fulfillment those prophetic words they have received from the Lord This book is quite interesting and unique because there are a lot of books out there that only talk about how people can receive from the Lord but have never taken time through the inspiration of the Lord to highlight the importance of waging good warfare to bring those prophetic words into fulfillment There are a lot of believers out there who think God does not speak to his children They believe God only speaks to special people like pastors prophets apostles and others They have disqualified themselves from those people God speaks to and they even doubt a prophetic word they have received because they have not seen the fulfillment of those words Some even believe that they don't have to do anything about a prophetic word They think so far as God has spoken it it will surely come to pass It is therefore of prime importance to let believers know that things don't just happen You need to rise up and stand on the battlefield to wage the good warfare Believers will get to know that prophetic words never come into fulfillment until someone engages in intense prayers
