its Thomas's Register except that is for architecture and design and construction. While there are dozens of smaller directories each addressing a specific market niche, none speak to all three industries in a comprehensive way. And larger product directories like Sweets are advertising driven and therefore incomplete. Felder's Comprehensive is the first pan industry guide of its kind and it is many times more comprehensive than the nearest competitor. It is an annual desk reference directory and product source guide with more reference information than any other title currently available. It contains thousands of listings of time sensitive and timeless reference information for anyone involved in the business or practice of architecture, design, design build, construction, interior design, facility management and real estate development. For example, readers can find listings for more than 12,000 manufacturers of furnishings, fixtures, equipment and materials listed alphabetically and most importantly by product category. Felder's also lists design competitions, domestic and international trade shows, trade publications and other media, trade associations, professional organizations and more. Most sections are indexed and cross referenced for easy referral and identification. Felder's is the first truly comprehensive reference guide of its kind for the A/E/C marketplace and is certain to become the industry standard. **AB Bookman's Weekly**, 1992
