**Breach** Don Smith,2020-02-09 The Repairer of the Breach is my contribution to raise up the foundations of God for my generation and those to come It is my effort to partner with God s people to repair any breach between them and the Heavenly Father and to restore paths for men and women of various backgrounds cultures and races to walk or dwell in I want to contribute to a better quality of life for all people I want to inspire people to believe in God to their full potential which in turn I believe will lead them to live life to its fullest potential God is only good always The devil is only evil always Few people truly believe the above statement Many people in this walk of life do not believe in God or the devil Then there are those who believe that there is a God and there is a devil but they lack the knowledge and truth regarding the nature of the true God and the nature of the devil the adversary Hence God is often blamed for the evil that occurs in this world God is blamed for death destruction sorrow and a whole host of other things I will show you from the integrity of God s word the Bible that God is only good and is not the cause or source of evil in the world or in our personal lives Ontario Reports
