La Fontaine, Pierre Michel Eisemann, 2023-12-18

When the United Nations undertook the publication of the Reports of International Arbitral Awards the Pasicrisie internationale was identified as one of the rare truly general collections of international case law in existence In fact in deciding to publish the arbitration clauses and arbitral awards from 1794 to 1900 Henri La Fontaine was doing pioneering work foreshadowing the famous Reports by half a century As we near the end of the century the Pasicrisie internationale remains just as pertinent as it was when first published in 1902 This collection of arbitral awards with its modest appearance has certainly contributed more to the development of international arbitration case law than any number of lyrical speeches advocating peace through law First edition printed in 1902 by St mpfli Bern

Lorsque l'Organisation des Nations Unies entreprit la publication de son Recueil des sentences arbitrales elle identifia la Pasicrisie internationale comme constituant l'une des rares véritables collections générales de jurisprudence internationale préexistantes De fait en décidant de rassembler les clauses compromissoires et les sentences arbitrales de 1794 1900 Henri La Fontaine avait fait oeuvre de pionnier et il se figurait avec un demi siècle d'avance le célèbre Recueil En cette fin de siècle la Pasicrisie internationale constitue donc un outil de travail toujours aussi actuel que lors de sa publication en 1902 Cette compilation de sentences arbitrales d'apparence modeste a certainement plus contribué au développement de la jurisprudence arbitrale internationale que bien des discours lyriques pour la paix par le droit Première édition imprimée en 1902 par St mpfli Berne
